Today's Racing Digest FAQ

What is Today's Racing Digest? Since 1970, Today's Racing Digest has been the leader in providing unique and powerful handicapping information that goes beyond any other handicapping product or service. From easy to use features like the Quick Picks and Fractional Charting to our powerful data lines already adjusted to today's race distance and surface along with the insightful workout report no other handicapping publication provides an easier more effective handicapping product. Each issue is available in print and on-line at www.todaysracingdigest.com. Today's Racing Digest has, and always will be, dedicated to the survival of the horseplayer.

What makes Today's Racing Digest different from other racing publications? It takes more than just a final speed number, performance rating, or set of raw past performances to uncover hidden value. A consistently winning handicapper approaches each race from multiple angles. Today's Racing Digest products are designed to give you a comprehensive and complete look at each race through unique features, data and information covering the most important angles required to identify the real contenders while uncovering hidden value, and overlooked betting opportunities. With, insightful statistics and data looking at class, breeding, form, workouts, speed, pace, running styles, track bias and variants, value, key races, and much more you will be confident you are getting the complete handicapping picture while not missing out on any critical handicapping angle or piece of information.

What are Data Lines? A horse's Data Lines can be found under the name of each horse on the race page. Often called "running lines" and "past performances", the Digest's Data Lines are unique in that the times for each race are adjusted to today's distance, taking into account track pars and the track variant (the speed of the track). This allows for an accurate and easier comparison when horses are coming together after racing at different distances and/or surfaces. Also listed in the Data Lines are the conditions of the horse's previous races, jockeys, track, track condition, finish position, track bias and morning line (ML) and actual odds (A).

Why Should I Purchase Today's Racing Digest? In order to consistently win at the track you must know more about the horses and their connections than the rest of the betting public. If you are a casual race-goer this is an impossible task. With 80+ horses running every day at multiple tracks across the country it takes a team of professional handicappers, a powerful database utilizing sophisticated algorithms and years of experience to consistently find over looked contenders and hidden value. Today's Racing Digest's staff of experienced handicappers does this work for you. The Digest's staff of seasoned experts spend all of their time watching the races, workouts, gathering all the pertinent data, and then presenting it in an informative and valuable format.

Where can I find a copy of Today's Racing Digest? Today's Racing Digest can be purchased at every major track in California, as well as major satellite facilities. The Digest is also sold at selected retail outlets throughout the state, and is usually available 24 hours before first post. For a location nearest you or for the number of your local distributor, please call (858) 265-6006 or email admin@todaysracingdigest.com. This same exact Digest along with Digests for other tracks across the country and a stable full of simulcast handicapping information are also available on-line at www.todaysracingdigest.com

90 DAY WORKOUT ANALYSIS FOR HORSES RACING – Nov. 5th BREEDERS' CUP DAY 2

NAME/ COMMENT	WORK DATE	TRK COND	DIST	WORK	NAME/ COMMENT	WORK DATE	TRK COND	DIST	WORK
2nd RACE					shorter distance, but has won previously going a 1 1/8 mile; tries the turf course for the first time.				
Nakatomi	10/23	KEE/FT	5F	103.6b	Simplification	10/22	KEE/FT	5F	100.0b
was slightly second best to barnmate Kimari, but this was just a stroll in the park for the Ward pair going 5F in 103.3.					worked solo going 36.2 and 100.2 to the wire before galloping out 113.2 and 127 and change. Solid, but not eye-catching for a 3yo known as a strong worker.				
Messier	10/29	SA/FT	6F	113.0h	Senor Buscador	10/27	KEE/FT	5F	101.0b
once again worked inside of Taiba only this was a maintenance move for both. He was under a big hold early and they finished as once through the stretch. The slower fractions helped him stay even with Taiba.					broke off a couple lengths behind a target and went the first three furlongs in 37 before going past and edging away with a final quarter in 24 on a quick surface. He continued to pull away on the gallop out in 114 and 126.4.				
	10/24	SA/FT	6F	111.4h	Laurel River	08/19	DMR/FT	5F	100.6h
Worked in the dark with Taiba and broke off inside of that one and was pushed along to give Taiba a solid work. He was working harder and was second best through the lane. It was a decent move and Taiba is the better horse.					Easy winner last out after an extended vacation going a mile. The turn back in distance should not pose a problem. Clearly loves this track having won two of three locally & morning drills have been outstanding.				
3rd RACE					6th RACE				
Slammed	10/28	KEE/FT	5F	101.6b	Rougir (FR)	10/22	KEE/FM	4F	49.2b
didn't really catch the eye working 36.3 and coming home in 25.3 before continuing out in 115.3.					worked in company on the grass with Regal Glory. The pair appeared to come home strongly working in 49.1 and continuing out in 102.2. The work was stronger than the times would suggest.				
	08/20	DMR/FT	5F	101.8h	Going to Vegas	10/01	SA/FT	5F	100.6h
Easily accomplished five furlong solo session while never under any pressure from the outset. Picked up the pace nicely around the turn as her ears were pricked running through the lane while under a strong hold late. Just galloped in first try over this surface winning by 5 ¼ lengths in very good final time. May get overlooked with some G1 competitors in here.					Solid solo run over the training track going five panels. Posted splits of 12.4, 24.4 & 36.3. Finished up with good interest to cover the final ¼ in 24.0 flat.				
Hot Peppers	10/27	KEE/FT	5F	102.2b		08/28	DMR/FM	5F	105.2h
has been in maintenance mode since a fast work at Belmont Oct 7 which is standard practice for her barn. She went 38 and came home in 24.1 for a 102.1 move and continued out in 116 and change.					Worked solo over the grass in comfortable time. Final eighth in 13 1/5. Looked at ease and confident throughout workout. Just missed last time out at Santa Anita going the same distance. Comes back after some time off, but looks ready.				
Edgeway	10/30	KEE/FT	5F	100.2b	Family Way	10/27	KEE/FT	5F	100.8b
looked good working 100.1 and out in 113 and change. She's certainly caught the eye since shipping here.					turf runner worked a spritely 5F over the main track in 100.4. Solid fitness drill.				
	10/25	KEE/FT	4F	46.0b	7th RACE				
worked a fast half going 23 and 23 for 46 flat at the wire with no encouragement from the rider and continued out in 58.4. The track was fast this morning, but this was a strong looking drill.					Willy Boy	10/22	KEE/FT	4F	49.8b
	08/21	DMR/FT	5F	100.4h	coasted early in 26.1 and came home well in 24 for an easy half mile drill in 50.1 and out in 102.4. Strictly a get a feel for the track work.				
Easily accomplished five furlong solo session while never under any pressure from the outset. Picked up the pace nicely around the turn as her ears were pricked running through the lane while under a strong hold late. Just galloped in first try over this surface winning by 5 ¼ lengths in very good final time. May get overlooked with some G1 competitors in here.					Super Ocho (CHI)	08/29	DMR/FT	4F	45.2h
Echo Zulu	10/23	KEE/FT	5F	59.4b	Just flew from the outset after finishing off the final three eighths in 33.0 flat & galloped out a ½ mile in 45.1 while not being asked. Has a good record in grass in native Chile.				
worked in company and looked strong going 23.4, 47.0 and finished a few lengths in front in 59.2 and out in under 113.					Kimari	10/23	KEE/FT	5F	103.6b
Ce Ce	09/25	SA/FT	5F	101.0h	worked in company with Nakatami, and the Ward pair were just stretching their legs going a very easy 5 furlongs in 103.3 with Kimari slightly best.				
Worked in company with PIROLI going five panels as the pair matched strides until the final yards as this gal pulled away by a length at the wire. Breeder's Cup Filly & Mare Sprint winner is the class of the race & will be a short price.					Jackie's Warrior	10/25	KEE/FT	5F	58.6b
4th RACE					zipped 5F in company on a fast surface early in the am. The pair went 26.2 and 46.3 to the wire and continued out a tick under 59 with 'Warrior maybe just slightly better galloping out in 112 and change. Fast work for a fast sprinter.				
Golden Pal	10/28	KEE/GD	5F	103.8b	C Z Rocket	08/21	DMR/FT	4F	49.4h
worked on turf that may have been less than 'good' and cruised over the surface in 39 and 104. She handled the surface well.					Easy ½ mile solo gig while finding best stride in the latter stages to cover the final furlong in 11.4.				
Campanelle (IRE)	10/21	KEE/FM	5F	101.4b	American Theorem	08/21	DMR/FT	6F	114.0h
was motoring to start the 5F work on the turf going 24.1 and getting 5F in 101.2 while racing pretty wide around the dogs and didn't really have a gallop out after the wire.					Looked decent getting six panels while finishing up the final five eighths of a mile in 101.4. Bing Crosby winner will likely go favored.				
Bran (FR)	10/28	KEE/GD	4F	48.4b	Aloha West	10/25	KEE/FT	5F	58.6b
was out for a serious work on the less than 'good' turf course going 25.2 and urged to finish in a spritely 23. 48.2 clocking and continued out with good energy.					worked a spritely 5F on a morning surface that was fast. He came home in 24 with a bit of urging after opening in 34.3 and then continued out in 112.4.				
5th RACE					8th RACE				
Slow Down Andy	10/22	KEE/FT	5F	100.4b	Regal Glory	10/22	KEE/FM	4F	49.2b
worked in company with a 3yo Stakes type. He broke off a couple of lengths behind, caught up in 36.1 and drew clear in 100.2. The gallop out was fairly pedestrian in a shade under 116.					worked in company on the turf with Rougir. The pair went a half in 49.2 and out in 102.2. We didn't get a come home time, but the pair sure appeared to finish full of run and looked better than the time would indicate.				
	09/24	SA/FT	6F	112.4h	King Cause	08/14	DMR/FT	4F	48.0h
Looked best over I'LL STAND TALLER in who ended up pulling up at the wire after five furlongs as this guy continued on out another furlong on his own to earn solid six furlong time in the process. Appears to have an affinity for this surface.					Solid even paced solo ½ mile effort while never under any pressure. Drop in class is significant & likes this distance.				
	08/20	DMR/FT	4F	49.0h	Domestic Spending (GB)	10/29	KEE/GD	5F	102.6b
Departed the half mile pole in 12 1/5, 24 3/5, and went from the quarter pole to the wire in 24 2/5. Continued to work out to the 7/8 pole in 12 4/5 for the final eighth. Steady work throughout. He was close in his last start at a					looked good on the soft turf (listed as good). He went 5F in 102.3 and looked very good pulling away from workmate Virginia Joy with a strong gallop out in the middle of the course in 116.1.				
	10/22	KEE/FM	5F	101.4b	Beyond Brilliant				
					worked outside of Virginia Joy and the pair went easily in 101.3 with Spending looking stronger on the gallop out.				
	09/25	SA/FT	5F	101.2h					

Purely a mid range maintenance session while posting an internal split of 37.0 flat & finishing up the stretch run in 24.1 void of any urging. Turn back in distance may prove beneficial.

Annapolis 10/29 KEE/GD 4F 50.4b
worked in company with Major Dude on 'good' turf around the dogs and the pair were full of run in 50.2 and continued strongly around the turn.

10/21 KEE/FM 4F 47.8b
worked in company inside of Major Dude on the grass going 48.1 and 101 with a final quarter in 23. They went easily with Annapolis just in front at the wire and on the gallop out.

9th RACE

Society 10/30 KEE/FT 4F 49.6b
wanted to do a lot more and was hard held through a half in 49.3 and out in 104. She certainly seems on edge and ready for race day.

10/23 KEE/FT 5F 59.8b
worked inside and the pair went three furlongs in 34.4 and came home in 25 with Society going much easier than her workmate and galloped out in 113.3. Just some solid exercise.

Search Results 10/29 KEE/FT 5F 101.2b
was going easy early in 35.3 and 25.3 for a 101.1 drill and looked better on the gallop out in 114.3 and 128.3.

10/22 KEE/FT 5F 102.6b
was supposed to work as a solo, but quickly made up 2 lengths and ended up working in tandem with another worker. They went 3 furlongs in 39 and came home in 102.4 with Results a head in front. She dominated on the gallop out full of run. A BTL work for sure.

Nest 10/29 KEE/FT 4F 50.4b
went very easy outside of a mate going 25.2 and 50.2 and out in 103.2. This was strictly a maintenance drill.

10/21 KEE/FT 4F 48.6bG
worked outside of older barnmate Malathaat and the pair looked good going a very easy half in 24.1 and 48.3 before continuing out in 101 and 114.

Malathaat 10/29 KEE/FT 4F 49.6b
was in maintenance mode working easily outside of an 'asked' partner. She went 24.2 and 49.3 before continuing out in 115.1. She looked good.

10/21 KEE/FT 4F 48.6b
worked in company on the inside of Nest and the Pletcher pair went an easy half mile in 24.1 and 48.3. They continued out around the turn in 101 and 114. They were not being asked and both looked very solid.

Clairiere 10/23 KEE/FT 5F 100.8b
was much the best in a team drill. The pair went a very easily in 37 and then Clairiere drew away in the stretch in 24 and continued out by herself in 114 and 127 and change.

Blue Stripe (ARG) 10/26 KEE/GD 5F 100.0b
worked strongly over a morning track wet from overnight rain. She got the first three furlongs in 37 and then came home in 23 for 5F in 100.0. She was even more impressive galloping out as she went 112.1 and kept going a full mile in 139 and change.

Awake At Midnyte 10/29 KEE/FT 5F 101.2b
was never asked when dominating a workmate going just under 37 for 3 furlongs and five furlongs in 101.1. It was kind of dark, but it was reported she didn't switch leads in the stretch.

09/25 SA/FT 6F 112.0h
Very strong elongated solo stamina session while getting some good air her lungs & finishing up with good interest to cover the stretch run in 23.4 while appearing comfortable in the process.

10th RACE

Gold Phoenix (IRE) 09/25 SA/FT 5F 100.0h
Worked in company with HORACE MAN as the pair traveled on even terms from the outset of departing the five eighth's pole in well matched team drill as the pair posted even splits from the beginning.

08/28 DMR/FM 5F 106.8h
Worked from the five on the turf with MASTER OF FOXHOUNDS, who started one back. GOLD PHOENIX got left by his partner amidst a small herd of turf workers all running down the stretch

simultaneously. He ended up finishing about ten lengths behind his intended workmate. Should love today's distance.

11th RACE

Taiba 10/29 SA/FT 6F 113.0h
This was a maintenance move. He worked outside of Messier (today's 2nd Race) and neither was asked. Easy move.

10/24 SA/FT 6F 111.4h

Worked outside of Messier (today's 2nd Race) and was always going easier. Rider let out a notch in mid-stretch and Taiba was asked to run approaching the wire to 'win' the work. Both galloped out well, but this one was going easier.

10/14 SA/FT 5F 59.6h

Worked outside of Azul Coast, a horse that Baffert uses to get other horses fit. He broke a half-length back and drew off down the stretch while pushed along to be best by a couple of lengths under the wire. Galloped out strongly per usual.

Rich Strike 10/25 KEE/FT 5F 102.6b
reportedly had a possible cough earlier in the week, and today was out for a basic leg-stretcher as he went a very modest 37.1 and came home in 25.2 for a 102.3 official drill before continuing out in 116. Strong work horse didn't do much today.

Life Is Good 10/29 KEE/FT 5F 100.6b
was a bit full of himself early, but settled in and worked 36.4 before coming home in 23.1 under his own power and galloped out a mile in a shade over 140. Solid, but reportedly he was a super work horse at Saratoga before coming to Kentucky.

10/21 KEE/FT 5F 100.4b

worked 5 furlongs by himself came home in 24 before galloping out 113.1 and a full mile in 140 and change. Reportedly not as 'wowing' as his earlier works at Saratoga, but a solid drill nonetheless.

Hot Rod Charlie 10/29 KEE/FT 6F 112.8b
worked in blinkers and again was given a target to run at. He went 35.2 under no urging and went by hitting the wire in 100.1 and continued with very slight urging to get 6F in 113. Sharp and they've really tightened the screws a week out.

10/22 KEE/FT 5F 100.8b

was given a target run at, a Maiden that started about 5 lengths in front. 'Charlie closed ground and was just a length back after 3 furlongs in 36 and easily went by in the stretch to post 5f in 100.4 before going out 7F in 127.1 under very modest urging.

Happy Saver 10/21 KEE/FT 4F 48.4b
has never raced in blinkers, but wore them today. He started a length+ behind a workmate and drew even after the first furlong before going a half in 48.2. His partner did look better on the 5F gallop out in 101 and change.

Flightline 10/29 KEE/FT 5F 100.6b
turned in his primary works at SA with a pair of 111 and change 'wowers' and has looked very good galloping since arriving at KEE. This was more of a maintenance tour of the track. He went the last three furlongs in 34.4 for a 100.3 5F drill under no encouragement and continued to gallop out a mile in 140 and change.

10/22 SA/FT 6F 111.8h

Worked in the dark for Sadler and was never asked to run, but was allowed to accelerate past the wire and he galloped out an extra furlong in 12 flat. He is an incredible mover.

08/27 DMR/FT 5F 59.6h

Undeclared in four career starts & will be over bet. He's never been further than a one turn mile & there is some vulnerability here. On the other hand he has looked fantastic over the local dirt. Most recent solo session he posted splits of 12.4, 24.3 & 36.2. Finished up the from the final ¼ in 23.1 & galloped out six furlongs in 11.4 & seven eighth's of a mile in 127.0.

Epicerter 10/30 KEE/FT 4F 50.8b
was just out for a leg stretcher going a solo half in 51.0 and shutting it down on the turn. Not much to see today.

VIDEO NOTEBOOKS FOR HORSES RACING - Nov. 5th BREEDERS' CUP – DAY 2

2nd RACE

Baytown Bear raced evenly throughout in the Phoenix. He saved ground the last half-mile, had a big hole open entering the stretch and couldn't find the extra gear that was needed to really threaten for the win.

Long Range Toddy was let go at 19/1 in the Phoenix. He broke quickly from the outside box and took up a 3-wide tracking trip. He kept to his task and inherited the lead when Top Gunner began to drift out sharply while slowing. He was nailed late, but seems to like this strip.

Nakatomi was slow into stride and was allowed to lag the field in the Gallant Bob. He launched a wide run as the field hit the turn. He was some six or seven wide into the stretch and finished well, but had too much to do.

3rd RACE – Filly & Mare Sprint

Ce Ce won the 2021 Chillingsworth before her 2021 F&M Sprint win and she's following the same path in 2022. She broke sharply to be among the leading group in this five-horse lineup, was eased back by Espinoza and then angled out to be in the clear. She looped the field into the stretch and began to draw off. It appeared that she should have won by more given that Espinoza was doing more than showing her the whip late. She does not seem comfortable taking dirt or being inside runners and that's likely what explains her poor performance in the Ballerina Aug 28.

Slammed broke on top in the TCA run here at Keeneland, dropped down toward the rail and set a pressured pace. She shrugged off her early rival into the stretch and drew off without being asked for her best. She has humble New Mexico roots, but 7F is well within her scope. She seems to be on top of her game based on this one.

Edgeway got a perfect tracking the pace from the outside in the five-horse Rancho Bernardo. She was asked to join the leaders entering the turn and she and co-favorite Slammed drew off into the stretch with this one holding the tactical outside position. They ding-donged down the lane before this one was able to get in front by a head with about 50 yards to go. This was her first start since throwing in a stinker on the Kentucky Derby card May 7 and she was ready to go.

Lady Rocket broke on top and grabbed a Lone 'F' trip in the Gallant Bloom. She had a daylight advantage entering the stretch, but lacked another gear and proved unable to hold off favored Kimari. She ran well, but was clearly second best.

Echo Zulu was making her first start since tiring in the Oaks May 6. She drew the rail in the five-horse Dogwood and was able to break on top and make the running while under a loose rein. She was pressured early, but Santana didn't ask her to run until they hit the stretch and then she responded to draw off. This was almost a workout disguised as a race and she figures to be tighter for BC weekend.

Chi Town Lady lagged some 10 lengths back of the leaders in the Test, but launched her run as she approached the turn. She quickly loomed up as the field turned for home and she had dead aim while some 6-wide into the stretch. She was en route to a win when she was forced to take-up in deep stretch when Hot Peppers veered-out. She quickly recovered and drew off late.

Wicked Halo got a perfect trip win in the Prioress, as she saved ground while tracking the leaders from the second flight, was angled out as she entered the stretch and opened up in mid-stretch. She was visibly shortening strides late, though, and Sterling Silver was able to make it exciting.

Goodnight Olive broke sharply from the outside, settled into the garden spot while tracking the leaders from the 3-path and quickly opened a daylight advantage as the field entered the stretch. She gradually expanded her margin down the lane in a race were favored Ce Ce failed to fire. This was her fifth consecutive win and she has handled a variety of surfaces. Her tracking style should play again

5th RACE – Dirt Mile

Cyberknife relaxed in the early going, moved up between horses on the backstretch and was just back of the line of four leaders entering the stretch, but lacked the needed response despite taking home show dough. He's a cut or two below the best Classic runners.

Pipeline was given a tall task of trying to outduel Jackie's Warrior. He hung with that rival until the 3/16th pole when 'Warrior started to pull away. Both were run down late by Cody's Wish, but Pipeline was well clear of the +6+--

Laurel River broke well and was up close early, but the jock allowed him to settle behind the leaders up the backstretch. He appeared to be full of run around the turn and shot thru an opening entering the stretch to take the lead. This was the winning move as the leaders started to falter and the closers were too far back while running on the outside.

Senor Buscador was slow into stride out of the gate and veered out a bit to be last early. Once they raced to the main track leaving the chute, he was in mid-pack while racing three-wide. He made a bold move around the turn while taking advantage of the quick pace and took over the lead entering the stretch. He started to drift out a bit in deep stretch, but hung on gamely for the win.

6th RACE – Filly & Mare Turf

Moira dominated the 3yo Canadian races on synthetic and was trying turf for the first time in the E. P. Taylor. She broke alertly, but settled on the rail a couple lengths behind the leader around the turn. On the far turn she shifted out and interfered with eventual winner Rougir, who had to be steadied and fell back several lengths. She had nowhere to go at the top of the lane and dove down to the rail interfering with another horse before finishing pretty well to be 2nd to Rougir only to be Dq'd and placed 8th. Eventful trip, but pretty good effort.

Nashwa broke cleanly and was part of a large pack that loped along down the long back stretch before she took command entering the long right hand turn that featured a downhill portion. She looked very strong down the straightaway and every part of a winner until very late when a closer came flying to nail her on the wire with Above The Curve just a nose back in 3rd.

Above the Curve was part of a large group on or near the lead down long backstretch in the Prix De L'Opera in France. She settled a couple of lengths off leader Nashwa surrounded by horses around the long right turn, but never had any trouble. The field spread out turning into the long final straight with Nashwa spurring clear and this one sitting 3rd and shifting toward the outside. She finished well and was beaten just a nose by Nashwa, while a closer came flying late to grab the win.

Rougir (FR) was content to sit well back down the backstretch in the E.P. Taylor at Woodbine, but moved up as they approached the far turn. At that point she got squeezed between two horses when Moira came out trying to find room. She lost stride and fell back to second last. That should have been all she wrote and Rougir still looked beaten mid-stretch, but she flew late and got up at the wire. Very impressive effort all things considered.

7th RACE - Sprint

Jackie's Warrior was a perfect 4-for-4 this year and 1/9 odds in the 7F Forego at Saratoga. He broke well and had his head in front while pressed on the outside by longshot Pipeline, who has first preference in the B.C. Mile, down the backstretch and around the turn. 'Warrior really had to be asked entering the stretch to put that one away, which he did, but was left vulnerable for an upset closer to run by nearing the wire. He's still the one to beat at 6F in Sprint.

Elite Power was coming off two straight daylight wins when rallying from off the pace when made a heavy favorite in this 5-horse Grade 2. Today, he got a flyer from the gate and broke on top before settling for 2nd behind a slow pace down the backstretch. He actually made the lead on the turn with his jockey a statue in the saddle. He got a few taps at the top of the stretch to draw off and was geared down late. He'll likely revert to off-pace tactics in the faster paced SPRINT..

American Theorem rallied to win two straight Graded Stakes, but still went off at 5/1 in this tough 10-horse Grade II at DMR. He broke well from the gate, but the grey was outrun early and fell back to his usual spot midpack about 4 lengths off the lead. He was shifted outside and, under strong urging, came very wide on the turn and finished 2nd behind Laurel River (B.C. Dirt Mile - 5th), who got a great trip inside and shook clear entering the stretch. Senor Buscador (Dirt Mile - 5th) finished 3rd.

Kimari made 3-to-5 look like a gift. She broke well to take up shop tracking Lone 'F' tripper Lady Rocket and was still two or so back when 'Rocket turned for home. However, she changed leads and wore down the pacesetter while Rosario never had to ask her to run. His hands literally never came off the base of her neck to suggest that she had plenty left in the tank.

VIDEO NOTEBOOKS FOR HORSES RACING - Nov. 5th BREEDERS' CUP – DAY 2

8th RACE - Mile

Annapolis broke alertly in this Grade 1 at KEE and got a perfect spot tucked in on the rail behind the pacesetters. He sat on the rail behind the leader all the way until they turned for home. He shifted out and went by the leader to take command and none of the closers could challenge with Ivar and Order Of Australia finishing 2-3. Perfect trip, but he took advantage. The race was run in identical time as an earlier filly Gr 1 on the same card in which Regal Glory was beaten a length..

Kinross has been sprinting overseas and won four straight, including a Group 1 in France Oct 2 and this Group 1 at Ascot over soft footing Oct 15. As often happens in Europe, the horses split into two groups on each side of the track with Kinross tucked in right behind on the left rail. He moved to the center of the track when the real running started and drew off with the jockey taking a couple of peeks back to see if anyone was coming late. They weren't. Very impressive win and foreign sprinters often excel at a mile in the U.S. like last year's B.C. Mile winner.

Regal Glory is a 6yo mare for Chad Brown, faced her own gender in this Grade I at KEE. She broke a bit slow and was content to sit about five lengths off the leader and eventual winner, her barnmate In Italian, who is entered in the Filly and Mare Turf (6th race). Not much happened with Regal Glory chasing her barnmate home a length behind. The race was run in identical time as the Grade I that Annapolis won later on the card

Modern Games (Ire) raced a mile on a straight course at Ascot over very soft footing. He sat 3rd in a strung out field a couple of lengths off the leader. The front 3 really got after it the last part of the race with 'Games finally grinding down the leader at the wire, but a closer came up the inside and won easily. 'Games ran well and is probably better on 'firm' and around two turns as his dominating win at Woodbine two back suggests.

9th RACE - Distaff

Awake At Midnyte was put under a hold early to press a very slow pace from the two-path. The field was bunched all the way around the far turn and the race turned into a sprint for home. She didn't have another gear as the winner, who had tracked the pace from the 3-path, changed leads and easily drew off

10th RACE - Turf

Gold Phoenix (IRE) settled in the back of the pack going 10 furlongs over a course that favors frontrunners and stalkers to a huge degree. He had to be steady a bit entering the far turn just as the wire-to-wire winner was beginning to shake free. 'Phoenix recovered to move up quickly and split horses into the stretch. He rallied with stalker Dicey Mo Chara and both were gaining ground when they hit the wire. Given the pro-speed Track Profile, this was a good effort in defeat.

Bye Bye Melvin was able to establish the pace while clear of the field, but he had no response once tackled by favored War Like Goddess. He showed some grit to hold on to second money.

War Like Goddess took on the boys and was hammered down to odds-on favoritism She sat in front of the pack while, at one point, being eight lengths behind the pacesetter and four lengths behind the tracking runner. It was if the three early leaders were all getting Lone 'F' trips. However, the gap narrowed as he hit the final turn and 'Goddess quickly erased the deficit and began to draw off turning for home. She won as much the best and this style should play well again.

Nations Pride (IRE) was favored to win the Jockey Club Derby Invitational, but that doesn't make this win any less impressive. He was put under a hold and wrestled back into 3rd position. He relaxed beautifully behind the leaders and they remained that was for the next mile or so. He was taken off the rail to split horses (similar to the trip that Bay Bridge (GB) got in the QIPCO Champions) and, in a race that was essentially a sprint for home, he quickly opened up on the field without having to be asked.

Highland Chief (IRE) stalked the pace while saving ground in this 12F affair over the Keeneland turf course and had a seam open entering the stretch just as the real running was about to begin. He quickly spurred to the front, turned back a challenge from the aging Channel Maker in mid-stretch and drew off again to win with better than half of the field bunched up behind him in the place photo. A win over the course is a plus and he left some 'Past Classers' in his wake.

Master Piece (CHI) did everything but win, as he sat mid-pack while between horses through the first mile or so, began to get closer while wide around the final turn and found another gear once he had a clear path entering the stretch. He finished willingly to be the third head on the wire, but was caught in the final stride by Gold Phoenix (Ire).

11st RACE - Classic

Happy Saver has had traffic issues in his last two starts. Life Is Good took his path in the Jockey Club Gold Cup and he was pinched back trying to rally with Rich Strike. However, 'Strike closed the seam between him and 'Charlie at the top of the stretch and this one was forced to take up and lose momentum. He has odds-beating potential.

Life Is Good the Woodward was something of a repeat of his Aug 6 Whitney win as he broke best, was angled to the three path and set all of the pace. He ran willingly up the backstretch in both to get a Lone 'F' trip and then was challenged entering the stretch. He was asked to run here and responded to a determined challenge to win by daylight, while he needed a cagey ride from Irad Ortiz to win the Whitney when he was dropped down in front of Happy Saver and taking that one's best path to victory. He was more impressive coming into last year's Dirt Mile, but he's also undefeated routing in the U.S. in 2022.

Flightline was asked to run around two turns for the first time and the question was: Would he be able to repeat his Met Mile win given the extra turn and extra quarter mile? The answer was 'No'. He ran even better. He relaxed coming out of the gate and let the field sort itself out. He was allowed to drop down and press the early pacesetter, but found that he was going to slowly early on the backstretch and he just drew off without being asked and without fighting Prat. He continued to open up on the field with a sub-24 fourth quarter and won in a canter while being eased up. It was easily the highest-rated race in the last forty years, at least by Digest standards (and apparently everyone else's) and he was never asked for his best at any point.

Hot Rod Charlie pressed the pacesetter Art Collector from the 2-path from the bell and they ran that way to the far turn where 'Charlie was asked to pick it up. They were still head and head entering the stretch when Rich Strike and Happy Saver loomed up. 'Charlie was first to get the lead, but 'Strike was able to get past him in mid-stretch only to have a determined 'Charlie re-rally late. Horse and rider were bothered when Sonny Leon aboard 'Strike dropped in next to them and Leon literally put a shoulder into Gaffalione.

Olympiad stalked the pacesetter (Tax) in the Jockey Club Gold Cup at today's 10F trip. The pace was slow for the first 5F, but they began to pick it up entering the far turn. Olympiad loomed up with American Revolution on the far turn to make it three across the track, but was able to dispose of his rivals before he hit the stretch. He shortened stride down the lane, though. It was a perfect trip win, but not too encouraging should he have to face the likes of Flightline and Life Is Good.

Epicenter broke sharply, was allowed to drop down to the rail and track the pacesetter Cyberknife. He remained covered up to the far turn when Cyberknife was asked to try and open up on the field. Epicenter found clear sailing and quickly responded to urging to reel in the leader in just a few strides. They remained together into the stretch before Epicenter was able to draw off while being ridden out. This style could serve him very well in a speed-laden Classic.

Taiba broke sharply and was able to drop down to the rail and assume a stalking position. He was allowed to drop back to 4th while saving ground before Mike Smith angled him outside as the field approached the final turn. Taiba accelerated quickly once straightened away and drew off from the pacesetter White Abarrio and a rail-rallying Zandon. Perfect trip and much the best.

Rich Strike loves Churchill Downs. He raced closer to the pace with only six entered in the Lukas Classic and raced three wide while in the clear. He moved up to fourth position on the backstretch and rallied wide to engage the leaders entering the stretch. Hot Rod Charlie had first crack at winning, but 'Strike moved to the front in mid-stretch and may have hung once he made the lead, as 'Charlie was able to re-rally to the lead in deep stretch. Sonny Leon dropped down and into 'Charlie late and literally put his body into Gaffalione. There was no DQ since they ended up 2nd, but the aggressive Leon bought a well-deserved 15 day suspension.

ANALYSIS: Owners and trainers sometimes like to unveil their special runners on big days like today and that could be the case with a couple of rookies in here. We have to start with **Arabian Knight**, who is from the Baffert barn and fetched \$2.3 million as a 2yo purchase in April. He should be plenty fit and posted a 112 gate work at SA Oct 23, so we won't be shocked if he comes out running. He's the HF 15a. **Rocket And Roll** is a \$675,000 2yo from the Cox barn. His recent works aren't flashy, but he did work 59 and change at CD Sept 24 and likely is well meant. **Expect More** was a mere \$350,000 yearling, but capped off his worktab

with a strong half-mile from the gate here Oct 29 for Pletcher. He has I. Ortiz up and also could come out firing. **Reagan** just missed debuting with similar at CD Sept 29 and tops the charting. He'd be no surprise. Fashion King also ran 2nd debuting with similar here Oct 9 and could improve with a race in the books. **Dakota Run** comes up light on numbers, but just missed with this kind here Oct 7 and might get overlooked in the wagering. He's our HF 20.
CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Reagan :38.9 - Determinedly :39.2 - Fashion King :39.7

Dakota Run pressed throughout and just missed with this kind in his second start Oct 7. He looks like a possible threat, but that race earned a fairly modest rating.

Rocket and Roll is a \$675,000 2yo from another strong barn (Cox). He's worked 11 times since Aug 20. The recent CD works aren't flashy, but he worked big there Sept 24 and could fire first time out.

Kupp did nothing debuting with this kind at CD Sept 17. We'll probably have to watch another.

Aerator chased and tired debuting with this kind Oct 9. We'll have to watch another.

Line to Gain ran 2nd debuting in a turf route with softer Maidens at Canterbury Sept 17 and didn't threaten in a dirt sprint with softer Maidens at Hawthorne Oct 22. He'd be a surprise.

Expect More a \$350,000 yearling, has worked 13 times since Aug 3 for Pletcher. He capped it off with a solid half-mile from the gate here Oct 29 and looks 'live' with I. Ortiz in the boot.

Arabian Knight is a \$2.3 million 2yo purchase from the Baffert barn. He's worked 12 times since July 1 with a strong 6F gate work at SA Oct 23. Connections often like to wait to debut special horses on the big stage like today, and that could be the case with this one.

Certain a \$42,000 2yo, capped off 11 works since Aug 13 with a fast half from the gate here Oct 29. Despite that big last work we're leaning toward others.

Encendido a \$110,000 weanling, has worked 14 times since June 2. Maker has a modest record with rookies and nothing really jumps off the page at us.

Reagan just missed debuting with this kind at CD Sept 29, a race won by Tres Soles, who was scheduled to run in an Allowance here Nov 4 (4th race). Regardless of that outcome of that race, this one appears a solid contender and wins the paper race.

Fashion King was no match for the winner, but did run 2nd debuting with similar here Oct 9. He charts well and could improve with a race in the books. He's a contender.

Determinedly finished 4th in his sprint debut June 30 at CD, but has run in three turf routes since, including a decent 4th in a Grade III Aug 31 at Saratoga and a 4th with this kind at Aqueduct Sept 25. He could be a factor, but we like others in the win slot.

Glen Airy has worked just seven times since Sept 15 for a barn that is good with rookies. The works aren't quick, though, so we'll watch one.

ANALYSIS: This is an intriguing affair, as the paper-race winner (**Slammed**) is stuck on the rail while last year's 1-2 finishers, **Ce Ce** and **Edgeway**, are also suspect, as neither may get their preferred trips with their inside posts. **Echo Zulu** is a speed soph that was last year's top 2-yo. She returned from a poor try in the Kentucky Oaks to post an easy wire-to-wire win in the Grade 3 Dogwood at Churchill Downs. She has been on the early lead in every win except her debut. She has ton of early speed on her inside with **Slammed** likely to be sent hard to get position while **Lady Rocket** has had the first call in five of her last six starts while **Hot Peppers** wants the lead and gets the first two calls on paper. The question is: Can Santana get **Zulu** to relax and track them from the outside. Good horses normally can make the adjustment and she's a very good filly. She gets an HF 15a, but this race may set up best for

Goodnight Olive. She's a 4-yo that is undefeated in 2022. The Chad Brown miss relaxed nicely in her last two wins and may get a dream trip drafting the leading contingent. She won on this trip last year, too, so she's not just a New York horse. **Obligatory** was troubled behind **Olive** Aug 28 and, like that one, has been freshened since then. She may get lost in the wagering and offers price potential as does Japanese-invader **Chain of Love (Jpn)**. She finished strongly in Dubai earlier this year, exits a win in Japan and may be finishing fastest of all. The Japanese money may chase her, so **Obligatory** catches the HF 20. Finally, **Wicked Halo** is riding a four-racing winning streak and, like **Olive**, should get a good tracking trip. She may be this good.

CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Obligatory :37.1 - Lady Rocket :37.5 - Chi Town Lady :37.6

Slammed is stuck on the rail which is not the place to be at 7F at Keeneland. She is nearly perfect in three starts on the comeback trail and wins the paper race. However, she lost a stretch duel when inside of neighbor Edgeway at Del Mar and may never get a break. She fits, but she'll have to clear the rail hurdle to make it work.

Obligatory skipped this race last year when she ran poorly in the Raven Run, but capped the year with a good win and returned from a 3-1/2 month break to win twice more. She had trouble when chasing Sweet Olive home in the Ballerina and has trained up to this at Saratoga. She may get lost in the shuffle, but can handle this 7F trip and has odds-beating potential.

Edgeway didn't get any breaks when the field was drawn, either. She was second best to Ce Ce in this race last year and came off the bench post a gutsy win in the Rancho Bernardo. She should be able to draft the leaders while saving ground, but may need some racing luck to find a clear path to the wire. That said, she fits.

Goodnight Olive is 3-for-3 in 2022 and has nicely rationed her speed in her two most recent wins. She figures in the hunt on paper and may well be the 'now' horse.

Chi Town Lady has been freshened since beating sophs at this trip in the Test at Saratoga Aug 6. Ward has fed her a diet of easy works and she may be underrated on paper.

Sterling Silver beat NY-bred runners in May, but otherwise seems hopelessly overmatched in this context despite beating her odds in the Prioress Sept 2.

Ce Ce won this race last year when facing just four rivals. This field is much better and she seems at her best when able to get outside and track the leaders from about three lengths back. She may have problems getting that kind of trip here with nine horses on her outside. Her Oct 2 win was just OK. That said, she has won half of her 22 starts and may be very underrated on paper. Certainly, her July 2 win at Gulfstream Park would be good enough to win this.

Hot Peppers is very quick and is projected to be the first to the front. She faded late in the Prioress Sept 2 after having set the pace and held 2nd in the Test Aug 6. She is likely vulnerable down the lane again.

Frank's Rockette is a 5-yo that won three Graded Stakes during her 2020 soph season, but has not beaten that quality of runner since turning four. However, she tracked the pace when much best at Charles Town Aug 26 and should get a good tracking trip again. She's sharp and is capable of hitting the board with this kind.

Wicked Halo got up in time to nip longshot Sterling Silver in the Prioress Sept 2 and showed that wasn't a fluke when she dominated rivals in the Raven Run at this trip here Oct 22. Her balanced attack should play very well in this lineup.

Chain of Love (JPN) was good enough to be a close 4th in the Golden Shaheen in Dubai March 26 after being wheeled to the outside and finishing strongly. She ran down the boys to win a \$300,000 Stakes (all the purses are huge in Japan) in the Enif Stakes Sept 10. There would seem to be plenty of speed to set up her late run.

Lady Rocket is a carefully managed 5-yo speedster for Brad Cox. She seems a cut below the best in here and yet has earned nearly \$800K. She is a need-the-lead type that figures unlikely to get an uncontested early lead. That may leave her vulnerable late.

Echo Zulu won last year's BC Juvenile Fillies and the only blemish on her record is a 4th place finish in the nine furlong Kentucky Oaks, a race in which she was beaten to the lead and weakened late over a wet-fast strip. She was given some time off and returned to post a good win at Churchill Downs Sept 24. She's trained well in the interim and this outside post is not an issue as a rule. She may even be able to track the pace and stay in the clear if asked to settle early.

RACE APPRAISAL

ANALYSIS: This looks like a matchup between the USA's **Golden Pal** and Europe's **Highfield Princess**. **Pal** has won all eight of his turf sprints in this country including all four over this course. The speedster just won a Grade 2 over this course Oct 8, he co-tops the charting and Ortiz Jr. is back to ride. **Golden Pal** is the HF 15a. The mare **Highland Princess** has won five of her last six starts in Europe including her last two at this level by 2.5+ lengths. She has pressing speed, Hart is in to ride back and another big effort could be on tap. **Campanelle** is a filly out of the Wesley Ward barn and she just won a Grade 3 over females over this course Sept 10. She ran well at this level in England when 3rd behind two others in this field June 18, Dettori knows her well and maybe she can pull off the

minor upset as the "other" Ward entrant. **Creative Force** owns six career wins, but he has lost his last four. However, he finished in the Trifecta in his last three starts and his barn has been firing in this country with their foreign imports. We'll include him in our exotics wagers. **Bran** is often in the mix and he plots close off his win in a Grade 2 at Kentucky Downs Sept 10. He seems to rate a look while **Casa Creed** could be a late threat if able to find clear sailing and he also does well on paper.

CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Dancing Buck :17.1 - Campanelle :17.8 - Casa Creed and Cazadero :17.9

HORSE COMMENTS

Creative Force (IRE) was up close early and held 3rd in a Group 1 in England Oct 15. He seems at his best when able to sit in midpack as he did when he just missed in a Group 1 June 18. The gelding enters this on a four race losing streak, but he owns six career wins and his barn has been firing in this country with foreign invaders. Buick is back to ride and he seems to rate a look.

Flotus (IRE) a filly, likely lost all chance as she dwelt at the break and finished 10th in a Group 1 in France Oct 2. She finished behind Highfield Princess in her previous two starts and her last win was in a Group 3 for fillies July 8. A win would be a surprise.

Emeraaty Ana (GB) finished a distant 2nd in a Group 1 in England Sept 3. He was 3rd behind Highfield Princess prior to that one Aug 19 and he was 4th in this event last year. He has now lost seven straight and we'll limit him to another minor award.

Campanelle (IRE) a filly, just got up to win a Grade 3 for females at Kentucky Downs Sept 10. She was a good 3rd in a Group 1 in England behind both Naval Crown and Creative Force so she can compete at this level and Dettori knows her well. The filly plots close and has won sprinting over this course. She seems difficult to rule out.

Go Bears Go (IRE) has won a pair of Group 3's in Europe this year and was 2nd in last year's BC Juvenile Turf Sprint. The blinkers go back on today, but he was a pace factor only in his last two starts both vs. Group 1 sprinters. Which soph will we see this afternoon?

Highfield Princess (FR) a mare, has won five of her last six starts including a Group 1 in Ireland Sept 11. She has tactical speed, Hart is back to ride and another big effort could be on tap.

Arrest Me Red rallied for 3rd off the bench in a Grade 2 at Kentucky Downs Sept 10. The colt was 2nd at this level at Belmont June 11 and the trainer stats are easy to like. Ortiz Jr. jumps ship, though, and his numbers are going the wrong way. Johnny V. takes the call and he does co-top the charting. Mixed signals.

Golden Pal has won all eight of his turf sprints in this country including a Grade 2 over this course Oct 8; his fourth turf sprint win at Keeneland.

The colt is quick from the blocks, Ortiz Jr. is back to ride and he co-tops the charting. Mark him a contender.

Naval Crown (GB) won a Group 1 in England June 18, but has steadily gone the wrong way in four starts since including his 12th last time out Oct 15. Doyle is back to ride, but he seems difficult to rely on a big effort after his last two starts.

Caravel a mare, won a Grade 3 for females over this course Oct 16. That was her third win from her last four turf sprints and Gaffalione returns the call. However, her numbers are a bit soft and she steps up to face open Grade 1 foies today. We'll try to beat her.

Casa Creed won two straight Grade 1 turf events prior to his decent 5th vs. Grade 1 milers over this course Oct 8. Back to sprinting, he worked fast Oct 29 and he plots close. If there is a pace meltdown, the veteran could be one to fear late under Saez.

Bran (FR) seems to fire every time out and he rallied for the win in that Grade 2 at Kentucky Downs Sept 10. He does well on paper, a fast work Oct 21 suggests he is doing well and Cheminaud returns the call. We wouldn't be surprised if he made an impact.

Cazadero went from last to first in a Grade 2 at Woodbine Oct 8. That was a highly-rated event, he attracts Prat and he makes his third start off the layoff. If that was not a fluke, he could be dangerous right back as the charting suggests.

Artemus Citylimits set the pace in five straight prior to his 3rd with a tracking trip in that Grade 2 over this course Oct 8. He was outfinished by three of these in his last two starts and another minor award may be his limit.

Dancing Buck has won three of his last four starts including a big win in a Grade 3 over the yielding Aqueduct turf Oct 1. He only earned a 111 Pace Rating that day and he likely wouldn't have a soft Lone 'F' trip again vs. this group. Rosario knows him well, but he might be outclassed at this level if a starter.

Oceanic rallied for 2nd in the common Oct 8 event over this course. His numbers are going the right way and Leparoux strings along, but class is a cloud and we'll leave him off our win tickets if a starter.

For fans of the Pick Six Scramble, simply employ the following strategy with the horses listed on the Quick Pick Page. The requirements are two 'singles' somewhere in the Pick Six. Place your 'singles' in their proper spot and then select three horses in each of the other four races. Label the first three horses 'A,B,C,', the second set as 'D,E,F' the third set as 'G,H,I' and the fourth as 'J,K,L'. Use the following patterns to build your nine \$2 tickets. In this example our 'singles' are in legs 2 (s1) and 4 (s2) of the Pick Six.

RACE APPRAISAL

ANALYSIS: **Laurel River** was a sharp winner in a Grade 2 at seven furlongs at Del Mar Aug 27. That race earned a big rating, he has worked in exceptional fashion since raced and Ortiz Jr. takes over. **River** has won both of his dirt routes and is the HF 15a. **Cody's Wish** rallied from near the back and ran down the leaders late to win a Grade 1 at Saratoga at seven furlongs Aug 27. That was his fifth win from his last six starts and he just missed in the other one. The colt tops the charting and seems to merit contender status. **Gunite** is unproven routing, but the soph has finished in the Exacta in his last 10 sprints. His recent numbers are

strong, Gaffalione is back to ride and he has pressing speed. Class is a cloud, but we wouldn't be surprised to see another big effort. **Law Professor** will likely take plenty of tote action off his 2nd behind Life Is Good in a Grade 1 at Aqueduct Oct 1. He makes his third start off the layoff, J. Ortiz rides back and he plots close. Maybe he can make an impact once again.

CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Law Professor :24.5 - Laurel River :24.9 - Senor Buscador :25.5

HORSE COMMENTS

Slow Down Andy pressed the pace despite a poor break and held 3rd in a Grade 1 at nine furlongs at Santa Anita Oct 1. A clean break can only help, but the soph owns soft recent numbers and another minor award may be his limit.

the trainer stats are difficult to ignore. Ortiz Jr. takes over and the colt has won both of his routes at today's trip. Give him a long look.

Simplification hasn't finished better than 3rd in five straight since his win in a Grade 2 for sophs at Gulfstream March 5. He has tactical speed and he worked fast over this track Oct 22. However, he receives another rider switch and plots down the list. We'll pass on the win end.

Cody's Wish rallied and pulled off the upset in that Grade 1 sprint at Saratoga. The colt has won five of his seven dirt routes, his recent numbers fit well with this group and Alvarado is back to ride. He tops the charting and he could be late threat once again.

Pipeline tried to duel with Jackie's Warrior early and tired to 3rd in a Grade 1 sprint at seven furlongs at Saratoga Aug 27. That wasn't a terrible effort and he did finish in the Trifecta in three of his four dirt routes. However, that one win was against NW1 Allowance foes at Aqueduct April 22 where he rode the 'F2/12' bias to win by nine lengths. The colt plots for a share and maybe another minor award is his limit.

Informative rallied for the win in a Grade 3 at Monmouth Aug 20, but tried to keep up with the early pace and tired badly to finish last of four in that Oct 1 Grade 1 at Aqueduct. He switches riders and will likely try to make a late run vs. this group. He shows some fast works since raced, but a win seems unlikely.

Law Professor chased Life Is Good home when 2nd vs. similar routers at nine furlongs at Aqueduct Oct 1. He makes his third start off the layoff, J. Ortiz is back to ride and he does well on paper. We'll mark him a contender.

Cyberknife is a tough one to figure how he will race early as he set the pace and held 2nd in a Grade 1 for sophs at Saratoga Aug 27 and rallied from midpack to be a distant 3rd in a Grade 1 for sophs at Parx Sept 24. His July 23 win at Monmouth would plot close, but his last two plot down the list. He has worked in exceptional fashion since raced, but we'll try to beat him.

Gunite has finished in the Exacta in his last 10 starts when sprinting including a big win in a \$250k Stakes over this track Oct 22. Routing is a cloud, but his recent numbers are easy to like and Gaffalione strings along. Look for him to be a pace factor at the very least.

Senor Buscador took advantage of a strong pace and rallied for the win in a Grade 3 at this trip at Churchill Oct 1. It is possible there could be a fast pace this afternoon, but he faces a stronger group on paper and a repeat win would be a surprise.

Laurel River has won both of his starts on the comeback trail against softer-rated foes including a Grade 2 sprint at Del Mar Aug 27. That race earned a big rating, he has worked in exceptional fashion since raced and

Three Technique rallied for 3rd in that Oct 1 event. He is only 1-for-9 routing on dirt and his recent numbers are soft outside of his near miss in a \$175k Stakes at Churchill July 4. Class is a cloud and he appears to be an outsider.

RACE APPRAISAL

ANALYSIS: Imports have dominated this race in recent years winning five of the last six runnings. This race has a few imports that look like they mean business, including **Nashwa** and **Above The Curve**, 3yo's that ran 2-3 in an older Group 1 in France Oct 2. **Nashwa** has won three Group 1's this year and beat older in a Group 1 July 28. **Above The Curve** also won an older Group 1 in Ireland Sept 22 before that near miss Oct 2. A win by either of them today wouldn't surprise. The filly they'll likely have to catch at some point in the stretch is **In Italian**. She's wired Grade I foes in two straight, including a 9F at Saratoga July 16 and a mile here Oct 8. She might get some early pressure, but is the one to catch and the Chad Brown barn has won this race several times in the past. Barnmate **Rougir**

comes off a nice troubled win in a Grade I at Woodbine Oct 8, her best effort since leaving Europe last year. She didn't run well in this race last year at DMR, but might have some price appeal this year. **Moira** dominated a couple of 3yo Stakes on synthetic at Woodbine, including the Queens Plate Aug 21, before a near miss to **Rougir** in that Grade I Oct 8, her first try on turf. She was kind of all over the track (Dq'd to 8th) and could be another price horse to check out. In the end, **Nashwa**, **Above the Curve** and **In Italian** make the most sense, but we're going to gamble and go with **Rougir** as the HF 20. **CLOSERS:** Fastest in the stretch in recent races at or near this distance have been: Virginia Joy :13.2 - Family Way :16.9 - Going To Vegas :17.3

HORSE COMMENTS

Lady Speightspeare has won three straight Graded Stakes at Woodbine, the last two on synthetic. All seven of her wins have come in Canada and she's yet to win from five tries in the U.S., but did run 3rd in a Grade I here April 16. At a big price, she might be worth including on exotic tickets.

Going to Vegas wired a Grade I at SA Oct 8, a race in which Family Way finished 2nd. Her only out of the money finish in her last nine starts was in this race last year when she stopped badly after setting the pace. She also came into that race off the same Grade I win at SA. She has some other speed to deal with and could be vulnerable late.

Nashwa (GB) won Group I's in France and England June 19 and July 28, respectively, and exits a runner-up effort in a big-time Grade I in France Oct 2. The 3yo looks like a major player as Euros have dominated this race in recent years.

Above the Curve is a 3yo that beat older in a Group II in Ireland Sept 11 and finished a nose behind Nashwa when a close 3rd in an older Group I in France Oct 2. She also has to be given plenty of respect.

Tuesday (IRE) won a 3yo Group 1 marathon June 3, but has come up short in her last four Group 1 races, including when beaten by Nashwa and Above The Curve Oct 2. She might be better with more distance.

Mise En Scene (GB) didn't run well in the B.C. Juvenile Fillies Turf last year. She struggled in two Group Stakes overseas this year before a near miss in an ungraded Stake in England Sept 14. She'd be a surprise.

Toy (IRE) another 3yo import, won an older ungraded Stake on 'soft' turf at a mile Oct 16 in Ireland. She just missed in a 3yo Group 1 marathon July 16, so she handles all distances. Class seems a bit of a cloud, but she'll be a big price.

Family Way has finished in the money in seven straight Graded Stakes, most recently when 2nd to Going To Vegas Oct 8. She only has one win during that streak, though, and is facing some potent Euros today.

Rougir (FR) overcame big trouble on the far turn and edged Moira when winning a Grade I at Woodbine Oct 8, her best race this year. Barnmate In Italian has the stronger ratings, but a possible hot pace could help set up her late run. Can she outfinish the imports? The price will be tempting.

Virginia Joy (GER) a barnmate of In Italian and Rougir, got away with a crawling pace when wiring a Grade II at Saratoga Sept 3. Today's pace figures to be legit if not fast, and she's another that might be better at longer distances.

In Italian (GB) won on the front end in a 9F Grade I at Saratoga July 16 and again in a Grade I mile here Oct 8. If she can avoid a pace duel with Going To Vegas and her barnmate Virginia Joy, she could be the one to catch late.

Moira has been racing at Woodbine and just missed to Rougir before being Dq'd and placed 8th in a Grade I Oct 9. She had a rough trip that day and was a daylight winner on synthetic the two races before that, including the 3yo Queens Plate which she won by 7 lengths Aug 21. She's worked extremely fast since raced and has some price appeal.

For fans of the Pick Six Scramble, simply employ the following strategy with the horses listed on the Quick Pick Page. The requirements are two 'singles' somewhere in the Pick Six. Place your 'singles' in their proper spot and then select three horses in each of the other four races. Label the first three horses 'A,B,C,' the second set as 'D,E,F' the third set as 'G,H,I' and the fourth as 'J,K,L'. Use the following patterns to build your nine \$2 tickets. In this example our 'singles' are in legs 2 (s1) and 4 (s2) of the Pick Six.

RACE APPRAISAL

ANALYSIS: Jackie's Warrior has been a win machine except on Breeders' Cup day as he was the beaten favorite in the Juvenile in 2020 and faded as a heavy favorite in this race last year at Del Mar. He won his first four starts this year before getting run down late by Cody's Wish (5th race Dirt Mile) in a Grade I at 7F Aug 27 at Saratoga after being pushed early. Those past losses on the big day might be enough to play against him, but he's catching a sprint field that doesn't have a lot of other front end speed (surprisingly) and he might not look back this time. He's our HF 15a. **Elite Power** has been on a roll winning his last four starts by big margins, including when close to a slow pace and drawing off in a Grade II at Aqueduct Oct 8. He normally comes from farther off the pace and

figures to sit midpack with these. He certainly looks dangerous. **Aloha West** won this race last year and comes into this one off freshening after winning a \$120K Stake at CD July 2. He may have been sharper going into last year's race, but he shows a big work here Oct 25 and did run 2nd in a Grade II here last year. **American Theorem** could be the late threat. He won a Grade I July 30 and was 2nd in a Grade II Aug 27, both at DMR. He's suddenly gotten sharp and charts decently. We'll make him the HF 20. **Kimari** is a mare that has beaten her own gender in two straight Grade II's in NY. She charts Ok and can't be ruled out. **CLOSERS:** Fastest in the stretch in recent races at or near this distance have been: Elite Power :23.0 - Kimari :23.2 - American Theorem :23.8

HORSE COMMENTS

Manny Wah rallied from far back to win a Grade II here Oct 7, his first win in 9 starts this year. Longshots like this usually regress next time out and she's pretty soft on numbers.

Kimari is a mare taking on the boys, not unusual for the Ward barn. She has won two straight Grade II's in NY against her own gender and charts well off her Sept 25 win at Aqueduct. She looks like a threat, but does lose her regular rider to Jackie's Warrior.

O Besos won a high-line Allowance at CD coming off a 6-month layoff Oct 1. He's been a bit overmatched when tried against Graded Stakes types and comes up light in the charting.

American Theorem won a Grade I at DMR July 30 and ran 2nd in a Grade II there Aug 27. He's certainly gotten sharp recently and his last race produced 3 next-out Stakes winners. He might be late-threat at a decent price.

Aloha West won last year's B.C. Sprint at DMR at 11/1. He collected minor checks in his first two starts this year, but won an ungraded Stake at CD July 2, an effort that earned a big rating and tops the charting. He's worked five times since Oct 6, including a sizzler here Oct 25.

Elite Power has rattled off four straight daylight wins, including when stepped up into a Grade II at Aqueduct Oct 8. He pressed a slow pace in that last win, but was coming from well off the pace in his other races. You have to like his rising Final Time Ratings, too.

Super Ocho (CHI) won his U.S. debut in an Allowance at Mountaineer June 22, but has lost twice in Graded Stakes in So Cal since. His 3rd in a Grade II Oct 1 wasn't bad, but he'd be a surprise.

C Z Rocket ran 2nd in the B.C. Sprint here in 2020, but was no factor in last year's edition at DMR behind Aloha West. The 8yo comes off a near miss in a Grade II Oct 1 at SA, but his recent ratings are light.

Jackie's Warrior faded as a heavy favorite in this race last year after coming in on a 3-race win streak. This year he won his first four starts before a 2nd as a huge favorite in a Grade I at Saratoga Aug 27. The winner of that race, Cody's Wish, is in the Dirt Mile (5th). That was at 7F, though, and he's won 5 of his last 6 at 6.5F or less. He'll once again be a strong favorite.

Willy Boi won three straight in Florida, including a Grade III July 2, but finished 3rd in a Grade I behind Jackie's Warrior at Saratoga July 30. That wasn't bad considering who he faced, so we could see including him underneath.

Flash Of Mischief has been racing at lesser tracks and his numbers were modest until he popped with a 6-length win in a \$150K Stake at Remington Park Sept 25. That win earned a high (suspiciously high?) rating that co-tops the charting. At a big price, we couldn't really fault anyone for taking a shot.

RACE APPRAISAL

ANALYSIS: As often is the case, the B.C. Mile on turf may be one of the toughest races to handicap. In 2020's edition run here **Order of Australia** pulled off a 70/1 bomb, but last year at Del Mar Euro sprinter Space Blues won and paid \$6.20. **Kinross** will try to follow in those footsteps as he's been the dominant sprinter overseas winning four straight, including a 7F Group 1 in France Oct 2 and a 6F Group 1 in England Oct 15. The only thing we don't like is his poor post today, but maybe he has enough tactical speed to get position. He's our HF 15a. **Modern Games** is a 3yo coming off a good 2nd in an older Group 1 mile at Ascot Oct 15. He's better on firm and around two turns as he dominated the Gr 1 Woodbine Mile Sept 17 and won last year's B.C. Juvenile Turf at DMR. He has a nice inside post and looks like a big threat if he gets a clear run. **Annapolis** is another 3yo that seems on the improve. He won a 3yo

Grade III geared down Sept 3 and looked good beating older in a Grade I here Oct 8, a race in which **Ivar** (3rd in this race last year) and the above mentioned **Order of Australia** finished 2-3. He has tactical speed and could off some value on the tote. **Dreamloper** in an import that doesn't always fire, but he can be very good when does just like his 5-length romp in a Group 1 in France Sept 4. We'll make him the HF 20. **Smooth Like Strait** is a front-running in-the-money machine that just missed in this race last year and could stick around a long time. **Pogo** is another import with good form that could pop at a big price. **CLOSERS:** Fastest in the stretch in recent races at or near this distance have been: King Cause :22.7 - Modern Games :23.3 - Malavath, Domestic Spending :23.5

HORSE COMMENTS

Pogo (IRE) has been running in 7F Group II's in England, but did finish 2nd to Kinross Aug 20 before winning Oct 7. The mile should be no problem and you never know which import might love 'firm' turf. He has upset potential.

Shirl's Speight comes in with modest form and finished a no threat 4th behind Modern Games and Ivar Sept 17 at Woodbine. He won a Grade 1 here on 'good' April 15, but would be a surprise.

Dreamloper (IRE) struggled in a couple of 10F Grade 1's, but then absolutely dominated a Gr 1 mile race at Longchamp Sept 4 leaving Order Of Australia five lengths back in 2nd. That was on pretty soft footing, but he has two Group 1 wins this year and must be respected.

Modern Games (IRE) comes off a strong runner-up try in a Group 1 mile that was run on a straight on soft footing at Ascot Oct 15. He loves two turns on firm as he won the B.C. Juvenile Turf at DMR last year and dominated a Grade I by 5 lengths at Woodbine Sept 17. The 3yo is a major player.

Smooth Like Strait is a front-runner that has been an in the money machine and has finished 2nd in six of his last seven starts (a close 3rd in the other), including a Grade I at SA May 30 and a Grade I at CD on 'good' Aug 13. He also just missed in this race last year. He reportedly did miss a prep race with a leg cut, but has worked six times since Sept 10.

Ivar (BRZ) finished a distant 2nd to Modern Games I a Grade I at Woodbine and 2nd to Annapolis in a Grade 1 here Oct 8. He rallied for show dough in this race last year and is another that could make an impact at a price.

Beyond Brilliant is a front-runner that wired a Grade II going 10F at SA in April and wired milers in a Grade II at SA Oct 1. He could be part of the pace, but we'd be a tad surprised if he was still there in crunch time.

Regal Glory is a mare facing the boys. She won her first three Graded Stakes this year, but has settled for 2nd in her last two Grade 1's against her own gender. The 2nd to barnmate In Italian (today's 6th race) here

Oct 8 was a fast race run in identical time as Annapolis posted winning a few races later. We're still looking elsewhere for a winner.

Malavath (IRE) is a 3yo filly that rallied for 2nd in the B.C. Juvenile Filly Turf last year. Her form this year was modest until she finished 2nd behind Kinross when facing older males in a Group I on soft footing at Longchamp Oct 2. This still seems a tall order for a 3yo filly.

Order of Australia (IRE) was no threat to Dreamloper in a Group 1 Sept 4 and finished 3rd behind Annapolis and Ivar in a Grade 1 here Oct 8. He ran poorly as the favorite in a Grade 1 here last year, but did win the 2020 B.C. Mile run here when over 70/1. Price players might give him a look.

Annapolis is a 3yo that has been no worse than 2nd in seven career starts, including dominating a 3yo Grade III Sept 3 at Saratoga and beating older in a Grade I here Oct 8. He seems on the upswing and charts well. He's a threat if he doesn't get hung wide from the outside post.

King Cause wired a Grade 3 at Aqueduct going 9F Oct 9. The 7yo got away with a soft pace and that won't happen in this one. Pass.

Kinross (GB) has been a monster sprinter overseas rattling off four straight wins, including a Group 1 in France Oct 2 and a Group 1 in England Oct 15. A Euro sprinter won last year's Mile and this one could easily duplicate that feat if the post position doesn't hurt him.

Domestic Spending (GB) has not raced since a near miss in a Grade I going 10F at Arlington Aug 14, 2021. Most of his races have been 9F or more, so he seems oddly spotted in this mile race. He's worked nine times since Aug 29, but we'll make the paper race winner beat us.

Front Run The Fed is a sprinter that has struggled a bit at a mile the last two years. He's a toss out if he scratches in.

Gear Jockey is another sprinter that has not won this year and wanted to go in the turf sprint. He's a toss out if he starts.

RACE APPRAISAL

ANALYSIS: Last year's Distaff had a strong pace which led to a 49/1 shot winning. We don't think the pace will be as contested this year as **Society** looks like the only true frontrunner. Others have pressing speed, but **Society** plots as the one to catch and she finishes "right there" in the charting. The soph tackles older Grade 1 foes today, but she shows some fast works over this track for this and we'll give her the HF 15a. **Malathaat** has won all three routes over this track including a Grade 1 by over five lengths last time out Oct 9. Her numbers are going the right way, Johnny V. is back to ride and she could be a late threat once again. When **Nest** wins, she usually wins by open lengths. She did just that in a Grade 2 in her first start vs. older company at Aqueduct Oct 9. The filly tops the

charting off that effort, she won a Grade 1 over this track April 8 and Ortiz Jr. strings along. Another win would be no surprise. If you think there will be a pace meltdown like last year, then maybe **Clairiere** is your choice. She never got going in her last start in a Grade 1 at Saratoga Aug 27, but she won three of her previous four starts and has worked fast since raced. Rosario is back to ride and maybe she can rebound. **Blue Stripe** won a Grade 1 at Del Mar Aug 6 and she won off the bench in a Grade 2 at Santa Anita April 30. Her recent works suggest she is fit and she seems difficult to rule out. **CLOSERS:** Fastest in the stretch in recent races at or near this distance have been: Clairiere :37.8 - Secret Oath :38.1 - Blue Stripe and Nest :38.6

HORSE COMMENTS

Malathaat made it 3-for-3 routing over this track with a big win at this level Oct 9. Her numbers are going the right way, she shows two works since raced and Johnny V. strings along. The filly plots for a share and could be one to fear late once again.

Blue Stripe (ARG) has been off since her win vs. this kind at Del Mar Aug 6. She shows five works since Sept 25 with three exceptional and she won off the bench April 30. The mare has tactical speed, Berrios is back to ride and a check of the tote couldn't hurt.

Secret Oath has earned minor awards in four straight vs. Grade 1 sops. She worked in exceptional fashion Oct 24, but she faces older today and her numbers are soft. We'll pass on the win end.

Clairiere just didn't seem to want to race as she was fractious in the gate and trailed throughout as the favorite in a like event at Saratoga Aug 27. She won three of her previous four starts at and below this level, she shows some fast works over this track since raced and Rosario strings along. The filly could be a late threat if able to rebound.

Awake At Midnyte pressed the pace and held 2nd in a Grade 2 at Santa Anita Oct 2. The soph was a distant 4th in her lone route over this track April 8 and her numbers suggest she is an outsider vs. this group.

Nest dominated in a Grade 2 at Aqueduct Oct 9. She proved she can handle older runners, she tops the charting and six of her seven dirt route wins were by open lengths. Ortiz Jr. strings along, she won a Grade 1 over this track April 8 and she has tactical speed. Give her a long look.

Search Results is often in the mix and was 2nd in that Aug 27 affair. She did have the lead in midstretch in that one, Prat is back to ride and she has pressing speed. Can she turn the tables and move forward a few lengths to win today?

Society has won five of her last six starts including a big win vs. Grade 1 sops at Parx Sept 24. She does well on paper, she shows two exceptional works over this track and she looks like the one to catch. Geroux returns the call and she seems too sharp to ignore.

RACE APPRAISAL

ANALYSIS: For years, this was a good spot for a European Arc also-ran, but lately the horses that have been winning this race have been fresh off of wins. Charles Appleby won this race with *Yibir (GB)*, a soph that he had sent to the U.S. to win the Belmont Derby. He's following a similar path with **Nation's Pride**, the first of two for Appleby. He is coming off back-to-back Derby wins, the Saratoga Derby Aug 6 and the Jockey Club Derby run at Aqueduct Sept 17. He stalked the pace in both wins and should get a similar trip in a race where only **Bye Bye Melvin** seems to want the lead. He assigns Buick to **'Pride** over stablemate **Rebel's Romance**, who ran off four consecutive wins overseas after being moved to the turf. **'Romance** is fresh off back-to-back Grade 1 wins in Germany and is another that should be well placed throughout in a race that may turn into

Bye Bye Melvin has speed and held on decently after showing the way in the Turf Classic Oct 8, but speed doesn't play too well at this trip at Keeneland and he seems a cut or two below the best in here.

War Like Goddess skipped the Filly & Mare Turf to run here after running down neighbor 'Melvin to win the Turf Classic Oct 8. Rosario may have misjudged the pace in her only loss this year and gets another chance on this chart-topper. She is sharp and capable of winning.

Stone Age (IRE) split the field behind Nations Pride (Ire) in the Saratoga Derby and crossed the Atlantic to split the field in the Grade 1 Irish Champions Stakes Sept 10 and the Group 1 Champions Stakes Oct 15. He can hit the board with this group.

Broome (IRE) is another that got a summer vacation at Saratoga as he rallied to get close in the Grade 1 Sword Dancer Aug 27. He chased neighbor 'Age home in the Irish Champions and weakened in the Arc Oct 2, both races run over 'soft' going. He seems a cut below the best.

Rebel's Romance (IRE) is a 4-yr gelding that was moved to turf this summer and found the going to his liking, as he enters the fray with four consecutive wins on the turf, including two recent Group 1 wins in Germany. He may be the 'now' horse, though his regular opts to stay with Nations Pride (Ire). At least, Doyle was up for his first win in Germany and is an able replacement.

Channel Maker is an 8-yr that has been competitive in this race over the years, but seems to be nearing the end of the line after weakening at this trip here Oct 14.

a sprint for home. **War Like Goddess** was entered here ran than in the Filly & Mare Turf and the bigger purse likely explains the decision. She looked very good running down **'Melvin** in the Turf Classic Oct 8 and is a neck short of perfect in her four-race 2022 campaign. Those three should all be in good position turning for home with **'Pride** catching top billing. **Gold Phoenix (Ire)**, **Master Piece (Chi)**, and **Red Knight** are the off-pace threats and all three have a reasonable chance to upset, with **'Phoenix** getting official (HF 20) longshot status. Finally, **Highland Chief (Ire)** won the Sycamore at this trip here last out and is prominent on paper. He can't be counted out, either.

CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Gold Phoenix (Ire) :48.6 - Master Piece (Ire) :49.0

Nations Pride (IRE) came up narrowly short in the Belmont Derby, but returned to win easily at Saratoga and Aqueduct. He's facing older, but seems up to the task and Buick opts to drive this one.

Master Piece (CHI) has been freshened since a strong try in the Del Mar Handicap Aug 26 Sept 3, won on this layout in 2021, and figures to be a big price on the board. His off-pace style suits 12 furlongs at Keeneland. He can spice the Superfecta.

Gold Phoenix (IRE) edged neighbor Master Piece (Chi) is in the Del Mar Handicap and was hurt by the pro-frontrunner nature of the 10-panel trip at Santa Anita Oct 1. Prat was up for the Aug 26 win and he's back for this. He's another that may offer reasonable betting value.

Red Knight is another with odds-beating potential as he rallied too late in the Sycamore here Oct 14 after beating softer in his first two starts on the comeback trail. Add him to the list of potential upset threats.

Mishriff (IRE) may be the richest horse in training (we didn't do any real research), but he's earned over \$15M, with most of it being earned in the Middle East last year. He's winless in 2022 and exits a dull try in the Arc Oct 2.

Nautilus (BRZ) won a Group 1 in Brazil June 26 and was sent north to Lobo. He's generally raced his home-country imports into shape. Watch one?

Highland Chief (IRE) rallied up the rail to get up in time when best at this trip Oct 14, the Grade 3 Sycamore. This a more-accomplished group, but a win over the course at the distance is an obvious plus.

RACE APPRAISAL

ANALYSIS: Is **Flightline** the best horse in a generation? No, make it two generations, as it's been 49 years since *Secretariat* produced his record-setting Belmont Stakes win. John Sadler has developed the \$1,000,000 from a sprinter into a true 10-furlong runner by harnessing his incredible natural speed (with much credit going to former jockey and assistant trainer Juan Leyva). We toned down the numbers from his stunning Pacific Classic win and it still has him winning this race TWO SECONDS faster than par. That is simply unheard of. He's trained well for this and, barring a terrible start, should be posted on **Life Is Good's** flank from the bell, with a **Olympiad**, **Happy Saver**, **Taiba**, and **Hot Rod Charlie** forming the second contingent with **Epicenter** and **Rich Strike** bidding their time. **Life Is Good** needs the lead and is likely to never get a breather. **Flightline**

should be positioned to take over whenever Prat chooses (we expect approaching the far turn). The real race will be for 2nd if **Flightline** runs his race. Keeneland has not carded any recent races at this trip, but since 2014 the Track Profile at 10F is 5 4-0-0-1. **Olympiad** and **Taiba** should be well positioned turning for home with **Epicenter** beginning his run. He may be finishing fastest and lands the HF 15a as the likeliest to complete the Exacta. Enjoy what should be a truly classic edition of the Breeders' Cup Classic.
CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Flightline :25.1 - Taiba and Happy Saver :26.3 - Rich Strike :26.4

HORSE COMMENTS

Taiba cost \$1.7M last year and will have earned more than that this year by finishing at least 3rd. That's rather amazing. He has trained well since posting a strong win in the Pennsylvania Derby. His balanced attack should play well in a race where the fractions will be solid. He's exotics material at the very least.

Life Is Good is a need-the-lead type that has only lost once from 10 U.S. starts. He looked just OK winning the Woodward in the slop Oct 1, but the surface may explain the narrower-than-expected result. He easily beat Hot Rod Charlie in the Whitney Aug 6 and figures to go right to the front again. He also figures to have Flightline breathing down his neck (literally) from the bell and may never get a chance to grab a breather. Last year's Dirt Mile winner is the one to catch, but he was earning better marks a year ago.

Happy Saver gives Pletcher (Life Is Good) a second starter. This one wants to race in the second flight and he completed the Exacta behind Good Aug 6, Flightline June 11, and Olympiad May 6. He's facing all three today, so he may be challenged to hit the board, but he still has Exacta potential.

Flightline is a \$1M yearling that was deemed to be a one-turn type by the critics. Most believed that having to handle two turns would prove to be his Achilles heel. It wasn't as he followed up a powerful win in the Met Mile June 11 with an even more impressive win in the 10-furlong Pacific Classic at Del Mar Sept 3. When we checked the numbers the next morning, we could not believe our eyes. We slowed it down a couple of ticks and it was still the strongest performance we've graded in decades. He's trained in

machine-like fashion since raced, as learned how to relax and turns this into a race for 2nd if he approaches the quality of his last two wins.

Hot Rod Charlie dances all the dances for O'Neill and showed real grit when re-rallying to beat Rich Strike (and jockey Sonny Leon) to win the Lukas Classic Oct 1. In a race loaded with seven-figure purchases, this \$110,000 yearling has already banked over \$5M. He has enough speed to track Life Is Good and Flightline and may well keep to his task down the lane. He can grab another lucrative share, though a win would be something of a surprise.

Epicenter has been no worse than 2nd behind a sprint distance and is arguably the top soph of 2022 (over Taiba and Rich Strike). He can sit mid-pack and rally, a style that he used when winning the Travers and Jim Dandy at Saratoga this summer. He didn't have strong fields behind him, but his running style should suit the likely race shape today.

Olympiad may not have cared for a wet Saratoga strip when tiring behind Life Is Good in the Whitney Aug 6, but he rebound to stalk the pace and draw off in the Jockey Gold Cup Oct 1 and he has worked his way up from the NW2 Allowance ranks this year by winning six of seven. The last win was his first Grade 1 score and the 4-yo should get a good trip tracking the leaders. He gets tested for class in this field, but has the style to do well.

Rich Strike has run well at Churchill Downs and nowhere else. We look for him to run back in the Clark there at the end of the month. He stayed closer to the pace when dueling with Hot Rod Charlie through the stretch in the Lukas at Churchill Downs Oct 1. He may have been too close early and may revert to lagging the field in this tougher race.

FRACTIONAL TIME AND SUMMATIONS

The columns in this section are mostly self-explanatory with a few exceptions, such as: LF = the last time of the Last Fraction. TV=Track Variant, quoted in lengths or fifths of seconds. Minus figures are given to tracks that are slower than normal and plus figures to tracks faster than normal. RCL (explained inside the front cover of the Digest). RCL AVE = the RCL for a field of average strength for a race of this type. RCL FlN = the final or adjusted RCL per the strength of field after scratches, etc. CPR = Comprehensive Performance Rating for the race. It includes variants for track speed, an unusual pace, etc. PURS = purse for the race, shown in thousands. CONDITIONS = the stipulations a horse must meet to be eligible for the race (the abbreviations are generally explained on the bottom of this or another page in this section). ODDS FAVORITE = the Morning Line odds followed by the last odds shown on the tote board and where the favorite finished (F). ODDS WINNER = the Morning line odds followed by the last odds shown. HW = HOW WON indicates if the winner was F: front runner, E: early speed-no worse third throughout, M: midpack, or R: came from the rear. PP = post position of the winner. IN-THE-MONEY = the names of the first three finishers. # IN = Number of horses in the race. SUMMATIONS = Using the letters below to provide the characteristics of the race as run

SUMMATIONS

HANDICAPPING FACTORS

(Column B on each race page contains the following numbers that refer to these factors.)

1. **FIRST TIME STARTER** - Horses with some racing experience, even when limited, often perform better than first-time starters even though the latter may have greater potential.
2. **LIVE HORSE** - It appears this horse is ready for a top performance.
3. **DISTANCE CAPABILITY** - This distance may present a problem for this horse.
4. **EQUIPMENT CHANGE** - Any equipment change may affect a horse's performance, and this horse is scheduled for a change today.
5. **TROUBLE PRONE** - Certain horses encounter trouble frequently, often being self-caused, such as not running straight, starting slowly, etc. This one seems to be that type.
- 6a. **WEIGHT** - This horse is carrying enough weight to cause a problem
- 6b. **WEIGHT** - This horse is carrying little or less weight. It may be an advantage.
7. **INSIDE POST POSITION** - This inside post position may cause a problem for this horse at this distance.
8. **OUTSIDE POST POSITION** - This outside post position may cause a problem for this horse at this distance.
9. **PACE** - The probable pace or speed in the early part of this race may not be suitable to the racing style of this horse.
- 10c. **HIGHER CLASS** - This horse is being tried at a higher level.
- 10d. **LOWER CLASS** - This horse is being tried at a lower level.
11. **FEMALE vs. MALE** - Since it usually takes a better-than-average female to beat an average male, there could be a problem here
12. **FOREIGN RACES** - Previous races for this horse were out of this country. It is difficult to appraise them.
13. **RELEASED FROM CLAIMING JAIL** - This horse could be dangerous. He is out of Jail and back to a lower level. (See Glossary under 'Jail').
14. **WORKOUTS** - Horsemen vary in their training methods and horses vary considerably in their requirements for conditioning, hence, while workouts give some indication of a horse's fitness, they can be greatly influenced by the training methods being employed. Therefore, reliance on the speed of workouts may be dangerous, as may be the case here.
15. **IN-THE-MONEY** - This horse appears to have all the elements suitable for an in-the-money performance.
- 15a. **IN-THE-MONEY** - This horse appears to have most of the elements suitable for an in-the-money performance.
16. **LONG LAYOFF or RECENCY** - Horse is coming off a layup of more than 90 days and the lack of racing is a potential negative.
17. **LEG WRAPS** - A horse racing with leg wraps may have some physical trouble or suspected weakness, and this horse has been wearing them.
18. **AGE** - The age of this horse is not consistent with that of his competition. A young horse against mature horses or a particularly old horse against younger horses may be at a disadvantage.
19. **IMPROVING** - This horse seems to be improving or should improve in this field.
20. **LONGSHOT** - Some indicators that are present when horses surprise with a good performance at high odds are noted.
21. **FITS RACE** - This horse seems to fit this race.
- 21c. **FITS RACE** - This horse seems to fit this race except for class.
- 21d. **FITS RACE** - This horse seems to fit this race except for the distance.
- 21r. **FITS RACE** - This horse seems to fit this race except for a lack of recency.
22. **CONDITIONS HORSE** - The conditions for eligibility are ideal for this horse.
23. **WORK READY** - Previous patterns and/or special circumstances make recent works very important here.
24. **SURFACE** - The type of surface for this race may not suit the horse.
25. **BETTING** - If the betting on this horse is heavier than expected contention is likely.
86. **VETO** - There is no justification for a win to be expected.

TODAY'S RACING DIGEST is designed to simplify the handicapper's job by evaluating past performances and relating them to today's race. To that end, the Digest provides the following on each page:

1. **Distance** – This is the distance of this particular race. If this was a turf race, we'd also note that here.
2. **Conditions** – We list the race conditions here. This particular race is a Starter Allowance.
3. **Track Profile** – This feature gives you an idea of what kind of running styles (e.g., frontrunners, pressers, etc.) have been winning at the race's distance. We list the number of races included in our study (22, in this case), then list the type of running style and the win-percentage. For example, Frontrunners ("F") have won 22.7% of the 22 races at this distance while Late-Runners ("R") have won just 4.5%. (F=frontrunner, P=pressers, M=midpackers, R=Late-Runners.)
4. **Race level** – The Digest assigns a number to each type or class of race. In this case, the race is a 130 on our class scale. This number allows you to compare races of different types to determine which races are stronger, the same class or weaker. Five points equals one class level.
5. **Race Conditions** – This is an abbreviation of the Conditions of the race.
6. **Purse** – This is how much money is up for grabs for this race. In most cases, the winner usually receives about 55 percent of the purse.
7. **AFTL** – The acronym stands for Average For The Level and are "par" times for the class. In other words, this class of animal should run these times over a normal surface. Compare the horse's times listed in their Data Lines (past performances) to the AFTL to see which horses have come close to running to par for this class.
8. **Favorites** – We list the percentages for winning favorites and favorites in the money under these class, age, surface, and distance conditions. Believe it or not, certain races produce more upsets than others and we try to give you the heads up by providing these stats.
9. **Horse** – We list the horses' names here, in post-position order. Also, sometimes you'll see a symbol after the name and this indicates the horse is having some type of equipment change. For instance, a "#" indicates the addition of blinkers, a "@" indicates blinkers are coming off and, FBH indicates a Foreign-bred horse. We also note betting entries by a letter ("A" or "B") before the name.
10. **Jockey** – This lists the jockey for each horse. When you see a dot (".") after the jockey's name, it means this jockey is replacing the jockey used from the previous race. An "x" after the jockey's names indicates he is an apprentice.
11. **Fire Number** – This is the horse's FIRE Number, a speed figure that takes into account each and every time recorded by the horse during the running of a race. The higher the number, the faster the horse.
12. **Weight & Change** – We list how much weight the horse is expected to carry here, as well as the difference between today's weight and the weight carried in its last race.
13. **Age/Sex** – How old is the horse, you say? We list that here, along with the horse's sex. (c=colt, g=gelding, r=ridgling, f=filly, m=mare)
14. **RRL** - Recent Race Level. This is the Race level of the horse's last race. Compare this number to the Race level in the Race Header to quickly determine whether the horse is up or down in class.
15. **RCL** - Recent Competitive Level. We list the Race level where the horse has recently been competitive. An "x" in this column indicates a horse hasn't been competitive at any level recently.
16. **CPR** - Comprehensive Performance Rating. Another Digest speed figure, this one is the oldest of the Digest's speed numbers. Once again, the higher the number, the faster the horse.
17. **Total** – This column is the total of RCL + CPR. It gives you a class and speed figure all in one.
18. **PER** - Performance Early in Race. We list the running styles for each horse. Just as we list in the Track Profile feature, F=frontrunner, P=presser, M=midpacker, R=late-runner
19. **Handicapping Factors** – Each horse usually receives certain Handicapping Factors (HF), which serve as a type of shorthand for us to communicate certain things about a horse to you. Most important in this column is our "push" factors. When we like a horse we'll use a 2 (love the horse), 15 (really like), 15a (like) or 20 (longshot).
20. **Equipment** – This is the equipment the horse has been or is scheduled to wear. B=blinkers, FW=front wraps, 4W= four wraps,
21. **Trouble** – If the horse was in trouble in any of its races, we list that here. A "1" indicates a horse's last race, a "2" a race back, etc. If the number is in parentheses (e.g., (2)), that means it was self-caused trouble.
22. **Off Track** – If the horse is proven over an off track, we list the Track Variant for that day here.
23. **Best Prev Sur Dis** - Best Previous CPR on the surface or distance. Pretty self explanatory. Whatever the distance or surface of today's race, we note the best CPR he's earned.
24. **Past Class** - Whatever the horse's highest proven Race level, it's listed here. This let's you know how classy a horse once was.
25. **Average RCL** – This is an average of the horse's recent Race levels where it has been competitive.
26. **Last CPR** – Simple, it's the CPR (remember, the CPR is a speed figure) from the horse's last race.
27. **Fractional Chart Order of Finish** – Lists the top finishers according to the Digest's popular Fractional Charting (a projected race using representative performances from each participant in today's race).
28. **Average Times** – The times listed on the ET (Expected Times) row are those expected from today's field based on previous performances (these are the best times at each call in the Fractional Charting). The AT (Average Times) are based on the times high class horses run at the distance/surface. The AFTL (Average For The Level) times are the "par times" for today's class of runners. In other words, they are the average times run by horses at today's particular class level.
29. **Analysis** – In this section, Digest handicappers provide their assessments of today's race, emphasizing pace and class and highlighting contenders and top plays.
30. **Closers** – Which horses finish fastest? We provide the top finishers here. This information is compiled from the Fractional Charting.
31. **Horse Comments** – Digest provide information about each horse and assess their chances.
32. **Horse name** – Simply put, this is the horse's name. Just so you know, a horse's name is limited to 18 characters and spaces...that's the rules.
33. **Trainer/Jockey** – The horse's trainer and today's rider are listed, along with their record (starts, wins, 2nds, 3rds) when teaming up over the past three months. In this instance, trainer Powell and jockey Rosario have had 10 starters together, with two wins, no 2nds and one 3rd the past three months.
34. **Age/Breeding** – The first number is the horse's age, followed by his sex. After the dash (-), the horse's sire is listed. In parentheses is the sire's offspring's win percentage on turf (T), synthetic (S), and in the mud (M). This is followed by the horse's dam, which is then followed by the dam's sire (a.k.a. - the mom's dad).
35. **Trainer Stats** – We list all the pertinent trainer stats in this section, such as the trainer's record from his last 15 starters (LAST 15) and how the trainer does with any moves the horse may be making today (i.e., going from dirt to turf (D/T), route to sprint (R/S), etc.).
36. **Notes** – What trouble has the horse encountered and when? The Digest lists this in abbreviated fashion.
37. **Course Records** – Shows how the horse has done sprinting or routing over today's surface. We also list the overall record on the surface whether it is sprints or routes.
38. **Works** – Recent workouts are shown here. The info includes the track, the date, the time of the work, the condition of the surface and how the work ranked relative to other times recorded that day.
39. **Last 10 FIRE** – These are the last 10 FIRE numbers earned for the horse, just for convenience.
40. **Track** – Indicates at what track the horse's race occurred.
41. **Date & Race** – Lists the date (MM/DD/YY) and the race number (after the dash) of the horse's race.
42. **Distance/Surface** – This is the distance, as well as the surface of the race. "T" indicates the race was a turf race. Sprints (under one mile) are noted in furlongs, whereas routes (one mile and over) are noted in miles, plus additional distance.
43. **Post Position & Key Race Winners** – The first number is the horse's post position for the race, followed by the total number of all the horses in the field. The numeral after the dash indicates how many horses returned from the particular race to win their next starts. Theoretically, the higher the number, the stronger that particular race.
44. **Weight** – This is the weight carried by the horse.
45. **Trainer/Jockey** – The horse's trainer and jockey for the particular race is noted here.
46. **Track Condition** – Was the track fast, muddy or sloppy? Was the turf firm or good? We note that in abbreviated form here. (FM = firm, FT = fast, GD = good, etc.)
47. **Track Bias** – A tremendous Digest feature. This column displays any bias that was in effect during the horse's race. We note the type of bias (O = outside, I = inside, F = speed bias, L = late-runner bias) as well as the strength of the bias on a scale of 1 to 3, with 1 being a mild bias and 3 being a dominant bias.
48. **Race Type** – Lists the type of race in abbreviated format.
49. **Race Conditions** – These are the conditions of the Race Type.
50. **RCL** – Race Competition Level. The level represents the strength of the race on the Digest's class scale. Comparing these numbers to one another allows the handicapper to see if the horse was moving up or down in class from race to race.
51. **CPR** – The number is one of the many Digest speed figures. This is the horse's CPR for each race.
52. **Finish Position & Beaten Lengths** – The first number is position the horse finished the race, followed by how many lengths he was beaten (or won by if the first number is a "1") crossing the wire.
53. **Odds** – The Digest lists both the horse's Morning Line odds and the Actual Odds at post time. This gives you an idea if the horse was bet (perhaps he was "live") or not ("dead on the board"). The "↑" indicates the horse was the post time favorite.
54. **Track Variant** – Sometimes surfaces can be slower or faster than normal for various reasons, usually due to weather or track maintenance. The variant adjusts the surface speed to account for these variances, and we list it here just because we believe in transparency.
55. **Position at Each Call & Beaten Lengths** – The first number is the horse's position at each call followed by his/her time at those calls (these are not the leaders times, they are this horse's particular times for the race). All times are adjusted to today's distance and surface, taking into account differences in track pars and variants (routes are adjusted to route and sprints to sprints, but not routes to sprints or vice versa). This allows for easy comparison among different distances and between tracks. In essence, the Digest does all the work so you don't have to.
56. **Last Fraction** – The final fraction the horse earned in the race. The final fraction has also been adjusted to account for differences in tracks, surfaces, pars and variants.
57. **Pace & Final Time Ratings** – Under the first column is the Pace Rating earned, a number which takes into account the speed the horse displayed through the first two calls. The second column lists the Final Time Rating, a speed figure that takes into account only the final time of the horse.
58. **Equipment** – All the equipment worn by the horse for its race is listed here. (L=Lasix, b=blinkers, 4=four wraps, F=front wraps, C=the horse was claimed out of the race).

RACE APPRAISAL

- 29 ANALYSIS:** All six of these plot within less than three lengths at the wire, and they appear about that hard to separate. Looking for a price, we have some interest in **Warrens Stormalert** as a potential improver. He was ambitiously placed in the Snow Chief Stakes April 25, his first as a winner and first route, and, though he faded toward the rear, the effort figures OK with these. Low-profile connections should prompt some decent odds, so he's the HF 20 (longshot).
- 30 CLOSERS:** Fastest in the stretch in recent races at or near this distance have been: Green Card James :31.0 - Benezit :31.3 - Troubletimesthree :31.

HORSE COMMENTS

- 31** **Troubletimesthree** has usually run pretty well in five starts at this level, but was favored in three of them and finished farther back than usual April 15. He charts in the hunt, but he seems to have a bit to prove.
NOTES: Outrun April 15. Mild rally March 18. Mild wide rally Feb 19. Lacked racing room entering the stretch Jan 25.
- Warrens Stormalert** is bred to route, but the April 25 jump up to the Snow Chief Stakes for his first try with winners and initial route was pretty ambitious. He tracked a Lone 'F' leader and faded badly. Still, the effort gives him a shot on paper, so he can't be denied a chance on the drop.
NOTES: Wide around the first turn, chased and tired April 25.
