# **Today's Racing Digest FAQ**

What is Today's Racing Digest? Since 1970, Today's Racing Digest has been the leader in providing unique and powerful handicapping information that goes beyond any other handicapping product or service. From easy to use features like the Quick Picks and Fractional Charting to our powerful data lines already adjusted to today's race distance and surface along with the insightful workout report no other handicapping publication provides an easier more effective handicapping product. Each issue is available in print and on-line at www.todaysracingdigest.com. Today's Racing Digest has, and always will be, dedicated to the survival of the horseplayer.

What makes Today's Racing Digest different from other racing publications? It takes more than just a final speed number, performance rating, or set of raw past performances to uncover hidden value. A consistently winning handicapper approaches each race from multiple angles. Today's Racing Digest products are designed to give you a comprehensive and complete look at each race through unique features, data and information covering the most important angles required to identify the real contenders while uncovering hidden value, and overlooked betting opportunities. With, insightful statistics and data looking at class, breeding, form, workouts, speed, pace, running styles, track bias and variants, value, key races, and much more you will be confident you are getting the complete handicapping picture while not missing out on any critical handicapping angle or piece of information.

What are Data Lines? A horse's Data Lines can be found under the name of each horse on the race page. Often called "running lines" and "past performances", the Digest's Data Lines are unique in that the times for each race are adjusted to today's distance, taking into account track pars and the track variant (the speed of the track). This allows for an accurate and easier comparison when horses are coming together after racing at different distances and/or surfaces. Also listed in the Data Lines are the conditions of the horse's previous races, jockeys, track, track condition, finish position, track bias and morning line (ML) and actual odds (A).

Why Should I Purchase Today's Racing Digest? In order to consistently win at the track you must know more about the horses and their connections then the rest of the betting public. If you are a casual race-goer this is an impossible task. With 80+ horses running every day at multiple tracks across the country it takes a team of professional handicappers, a powerful database utilizing sophisticated algorithms and years of experience to consistently find over looked contenders and hidden value. Today's Racing Digest's staff of experienced handicappers does this work for you. Shown below is the order of finish that would be likely if each horse repeated a representative race. There are many reasons why this may not happen. Foremost of these is that, like humans, horses have good and bad days. Also, today's race may differ from the representative race due to changes in the post position, weight carried, class, track, surface, pace characteristics etc. Nevertheless, plotting and studying times from previous performances is a basic part of handicapping. If the representative race was not on a normal track, the times shown have been adjusted by the track variant applicable. The underlined fractions indicate the leader(s) at that particular point in the race. Except for the LF = Last Fraction, which indicates the fastest closer(s). X = No recent or available time at or about the distance. The date of the selected, representative race is shown followed by a number indicating how many races back it was.

TRK,DATE & RCS BK

Shown below is the order of finish that would be likely if each horse repeated a representative race. There are many reasons why this may not happen. Foremost of these is that, like humans, horses have good and bad days. Also, today's race may differ from the representative race due to changes in the post position, weight carried, class, track, surface, pace characteristics etc. Nevertheless, plotting and studying times from previous performances is a basic part of handicapping. If the representative race was not on a normal track, the times shown have been adjusted by the track variant applicable. The underlined fractions indicate the leader(s) at that particular point in the race. Except for the LF = Last Fraction, which indicates the fastest closer(s). X = No recent or available time at or about the distance. The date of the selected, representative race is shown followed by a number indicating how many races back it was.

# VIDEO NOTEBOOKS FOR HORSES RACING – NOVEMBER 6<sup>TH</sup> BREEDERS' CUP – DAY 2

## 4th RACE - BREEDERS CUP FILLY & MARE SPRINT

**Edgeway** jock seemed hesitant on this filly wanting the lead, but she did so with little effort up the backstretch. She was headed to her inside around the turn, but put that rival away a few strides entering the stretch and kept going under Bravo.

**Estilo Talentoso** received a three-wide tracking trip under J. Ortiz and had clear sailing entering the stretch. She was in the three path of a four horse duel once they hit the 1/8th pole where she kept going, but she couldn't pass the eventual winner to her outside and was caught on the wire to miss the runner-up spot.

**Ce Ce** had no problems here as she sat in mid-pack of this five horse field behind a pair of dueling frontrunners. She took charge entering the stretch and always looked like the winner under confident handling by Espinoza.

# 5<sup>th</sup> RACE - BREEDERS TURF SPRINT

**Glass Slippers (GB)** won this race last year after just missing the Prix de l'Abbaye on the Arc card. She exits the 2021 edition of the race, but was all out to get 3<sup>rd</sup> and seemed to lack the same kick that she showed last year.

**Emaraaty Ana (GB)** tracked a fast pacesetter in the Betfair Sprint Cup, assumed command at about the halfway mark and then was all out to last to the wire in a very game (and likely taxing) effort. However, he's had two months to recover from that upset win.

**Lieutenant Dan** won the Eddie D down the hillside course. He pressed the pace outside of Charmaine's Mia, opened up into the stretch and had more than enough to hold off the late-runners. He showed good speed on the DMR sprint course in August and the huge gelding may be up to the task.

**Arrest Me Red** had the best speed without having to be asked, opened up a bit into the turn, shrugged off a modest challenge on the turn and then turned away a more significant challenge at the top of the stretch, as he responded to two cracks of the whip to open back up. The soph is undefeated sprinting on the grass and hasn't needed the lead to win previously.

**Golden Pal** turned in a weird win in the Woodford at Keeneland as he broke on top and set the pace from the inside, but drifted out to the 3-path entering the turn and was tackled on the outside and from the rail as the field turned for home. He appeared about to be swamped when he suddenly changed gears in mid-stretch and powered away. That was the 3-yo's first win over older runners.

Case of You (Ire) appeared to be hopelessly bottled up in the Prix de l'Abbaye, but was angled out and found a seam with about 150 yards to go and changed gears when he saw daylight ran down Air de Valse, who had appeared home free. This was quite a finish over heavy going.

**Gear Jockey** dominated the \$1M Turf Sprint over the undulating Kentucky Downs layout. He broke sharply to track the pacesetting Bombard, drew even after 3F and kicked away as the field ran up the hill toward the finish line. He has made a successful transition to the short game over the last five or six months.

# 6th RACE - BREEDERS' CUP DIRT MILE

**Restrainedvengence** was able to avoid early trouble when the horse inside of him (Tenfold) veered in at the break. The gelding was able to settle off the pace on the outside and Maldonado may have made the winning move early as he went for the lead between horses just before entering the far turn. He put the frontrunner away as they entered the stretch and just held off Tenfold for the win.

**Snapper Sinclair** broke sharply, but was allowed to settle near the back as they raced down the hill. He had clear sailing in the stretch under Rosario though he didn't change leads until nearing the wire. He set the pace in his last route start so was this a training tactic to help him settle early next time he tries a route?

## 7th RACE - BREEDERS' CUP FILLY & MARE TURF

**Rourgir (FR)** accelerated nicely and just got up at the wire over a very game Grand Glory. The Prix De L'Opera has been a very key B.C. race as last year's winner (Tanawa) won the B.C. Turf and the 3rd-place finisher (Audarya) won the Filly & Mare turf. In 2017 at Del Mar, the 1-2 finishers in this race ran 1-2 in the Filly & Mar Turf just switching places

**War Like Goddess** made it four straight Graded Stakes wins in the Flower Bowl at Saratoga. She sat 3rd of six in a strung out field for the first half of the race. The field started to bunch as they went into the far turn, but she was still 3rd coming off the turn before a strong burst at the top of the stretch took her to the lead and she won comfortably. She was flattered when My Sister Nat, who rallied for 3rd, came back to win a Grade III as a heavy favorite Oct 3.

**Audarya (FR)** won the F&M Turf last year after running 3rd in this race. This year she pressed the pace from the inside on a heavy, demanding course, and the outside may have been the place to be this day. She took the lead in the stretch, but was headed about 100 yards from the wire by a trio of outside closers, including winner Rougir. Still, a 4th-place finish under the circumstances was pretty solid and she has a chance to defend her title.

**Teona (IRE)** has run very well on firmer turf courses and has struggled on soft turf. She was being pointed to the Arc D'Triomphe after her second straight win in the Group I Prix Vermeille, but was pulled from consideration when the connections saw that the race would be contested on heavy footing. She may enjoy the firmer turf she'll get at Del Mar.

**Pocket Square (GB)** was in no hurry from the gate in this 5-horse Grade III at Belmont racing in the clear on the outside down the backstretch. She moved up on her own on the far turn and got a tap by the jock entering the stretch and accelerated nicely to the lead. She got a couple of raps with the whip midstretch, but was wrapped up late winning easily. She was 2/5 odds and didn't beat much, but has to be respected as Chad Brown has won this race 4 times in the last 9 runnings, the last time in 2018.

# 8<sup>th</sup> RACE - BREEDERS' CUP SPRINT

**Dr. Schivel** pressed the pace from the rail early when he steadied slightly and this may have been when Prat lost the right rein. The soph then took over the lead entering the far turn with Prat able to keep him along the rail around the turn in a fine show of horsemanship. The "Dr." then drew off in the stretch in a handy win.

# 9th RACE - BREEDERS' CUP MILE

**Mo Forza** won his last two starts in 2020 and won the same two races this year with Smooth Like Strait and Hit The Road running 2-3 in both. He probably got the best trip of the 3 Mile entrants in this 5-horse race. He relaxed early as the other 4 contested for the early lead from the gate and Hit The Road got pinched and had to be taken back on the first turn and ended up last on the backstretch. 'Forza still bided his time while Smooth Like Strait got strong pressure on the front by a longshot all the way to the top of the stretch. 'Strait proved game late, but the early pressure may have taken its toll as 'Forza was able to run him down and win by a half. Hit The Road got a very strange ride, but did rally to be a head behind 'Strait.

**In Love (BRZ)** won his third straight and first Gr 1 in this Kee race. He broke sharply from the 3-hole, but was content to drop back about 5 lengths on the rail around the turn and thru the backstretch. With no room inside, the jock began to search for space outside and finally got an opening midstretch and accelerated strongly to pass a group of horses and win going away. The 2-3 finishers (Tell Your Daddy and Somelikeithotbrown) were 3-4 on the waiting list for this B.C. race.

**Space Blues (IRE)** raced 7 furlongs on very heavy (bog-like) turf. He broke well but was outrun early and near the back of the pack taking a lot of kickback in this big field. He was moved outside coming off the right-hand turn and absolutely exploded the final two furlongs to win going away, reportedly coming home a full second faster the next best closing 2-furlongs by the filly Pearls Galore. The outside seems the place to be when the turf is really soft, but his finish was still pretty impressive.

**Pearls Galore (FR)** a filly facing the boys, was prominent from the start in this 7F Group I on very heavy turf. She raced between two other pacesetters and the three were still that way turning for home. She looked like she might get inhaled midstretch, but she just kept finding more. She was no match late for the 'rocketship' Space Blues, but was very game holding off another runner at the wire to grab 2nd.

#### RACE APPRAISAL

ANALYSIS: Welcome to Breeders' Cup 2021 and just the second here at Del Mar. Remember to dress in layers if you are actually attending and arriving when the gates open at 8:00 AM. The Digest's Fractional Charting puts Appreciated, Kazan (Ire), and Red Hornet on top, but all three are suspect. The top two saw their marks jump sharply when they ran 1-2 in a slow-early, five-horse \$40,000 claimer Oct 24. Can they repeat that in this larger field? We're betting that they can't even though both have won at Del Mar. Red Hornet earned good numbers without threatening in a string of Midwest Stakes this summer, but was no threat to this kind at Keeneland last time and his numbers dipped. Instead, we'll focus Via

Egnatia, Dicey Mo Chara (GB), and Offlee Naughty. Via Egnatia has Lone 'F' potential and is stretched back out after beating softer in his first two starts on the comeback trail. Dicey Mo Chara (GB) gets a switch to Prat after finishing in the money with this kind in his first two starts as a winner. Offlee Naughty became one of five next-out winners from an Aug 21 Maiden heat when she won at Del Mar Oct 3. She was 6/1 in both races and may offer similar odds. She's the upset threat.

**CLOSERS:** Fástest in the stretch in recent races at or near this distance have been: Offlee Naughty:27.4 - Spirit Maker:28.0 - One Fast Bro:28.4

#### HORSE COMMENTS

One Fast Bro earned a big number beating Cal-breds here in his July 31 return to action, but his Final Time Ratings have reverted to the mean in two subsequent starts. That said, he was runner-up under these conditions in both, has won on this oval and the 1-2 finishers in the paper race are likely spotted too high. Interestingly, the two one-hole winners at this trip in nine-horse fields (over the last five years) both went wire-to-wire. That's not his style.

**Kazan (IRE)** sat in the middle of a five-horse field Oct 24 and finished steadily to be lapped on Appreciated (below). That five horse field produced improved marks for the top two, but such five-horse fields, especially those with slow paces, can produce inflated final figures. On the plus side, he has won three times on this layout.

**Offlee Naughty** rallied from last to win a six-horse Maiden event Oct 3, making him the 5th horse from 5th Race on Aug 21 to win their next start. He may be very underrated on paper.

Red Hornet won his debut in Chicago and then nibbled in three subsequent soph Stakes. He rallied way too late at Keeneland and his number really dropped off. He does well on paper based on his Aug 7 run at Ellis Park.

Appreciated made it back-to-back wins after being claimed by Jeff Mullins when he controlled a slow pace and held Kazan (Ire) safe to the wire

Oct 24. Doug O'Neill claimed him and protects him under the Allowance conditions. We plotted that Oct 24 win, but his previous races suggest that it's probably 12 points or four lengths too fast. He's previously been a 'pack horse' in the Allowance ranks. He's a contender, but is hardly unbeatable.

**Dicey Mo Chara (GB)** gets a switch to Powell's favorite rider (and fellow countrymen) Prat after finishing in-the-money with this kind in his first two starts as a winner. He won here in July and seems well spotted again. He gives Powell (Kazan (Ire)) a second starter.

Via Egnatia is a 7-yo that is shooting for the hat trick after registering two wins over slightly softer claimers to begin his current campaign. Victor Espinoza strings along and this one has won twice on this course. He set the pace in his Sept 3 route win and returned to win sprinting Oct 15. He may be able to control the pace again.

Jack Sprout regressed on dirt Oct 23, but his Aug 27 comeback win over \$32,000 NW2 types gives him a look and both of his wins have come on this layout.

Spirit Maker won his 2020 U.S. debut in New York and then didn't run again for 7-½ months. He rallied to split the field here July 17 and then raced closer to the pace before weakening Oct 10. Perhaps he's getting fit now

#### RACE APPRAISAL

ANALYSIS: Tizamagician did finish 2nd in a Grade 1 over this track Aug 21, but was 5th at that level at Santa Anita Oct 2. He might be best in these marathon races anyways and it seems the Mandella barn has this guy properly-spotted over a track he seems to like. He tops the charting, Prat strings along and maybe he can rebound at this level. 'Magician is the HF 15. Lone Rock is also a marathon specialist and he won four straight prior to his 2nd in a \$300k Stakes at Belmont Sept 18. He has pressing speed, Vasquez is in to ride back and maybe he can make amends. 'Rock is the alternative HF 15a. Zestful was a popular winner

at Fresno in a \$75k Stakes at one mile Oct 17. He was a distant 2nd in a Grade 3 marathon at Santa Anita April 18, he attracts Geroux and he charts close. He seems to merit at least exotics consideration. Locally Owned was the upset winner of that Sept 18 event. He is not very consistent, though, and we wouldn't be surprised to see him regress. However, it could be he enjoys these marathons and he could be dangerous if he can repeat that effort under Gaffalione.

CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Lone Rock and Locally Owned 1:00.0 - Cupid's Claws 1:01.8

#### HORSE COMMENTS

**Mad Grace** a mare, got up to beat restricted \$20,000 routers at one mile at Fresno Oct 16. This seems an ambitious spot and she plots on the bottom. For those that believe, she is bred top and bottom to run this far and she calls a winning barn home.

**Lone Rock** had his win streak broken when 2nd in a \$300k Stakes at this trip at Belmont Sept 18. He charts close, he has pressing speed and Vazquez is in to ride back. Maybe he can make amends this afternoon.

Cupid's Claws finished 6th beaten less than two lengths in a Grade 2 turf route at 10 furlongs at Santa Anita Oct 2. He was 2nd in a Grade 3 over this track at 12 furlongs July 18, but that effort only plots in the middle. Saez takes the call, but we'll limit him to a minor award.

Tizamagician couldn't keep up with the pace and tired to 5th in a Grade 1 at Santa Anita Oct 2. He has run well over this track in the past including

a Grade 2 win at 10 furlongs July 18, Prat is back to ride and he has pressing speed. The colt could be a bounce back candidate.

Zestful pressed the pace and proved best late in a \$75k Stakes at nine furlongs at Fresno Oct 17. He was a very distant 2nd in a Grade 3 at 10 furlongs at Santa Anita April 18, Geroux is in the irons and he charts close. Maybe he merits a second look.

**Locally Owned** pulled off the upset in that Sept 18 affair at Belmont. His previous win was vs. NW2 Optional Claimers at Belmont April 30 and he shows a good one bad one pattern. If he follows that pattern, he might not be a contender today. However, if he can run two straight he could be a solid threat right back.

**Hapi Hapi** just got up to beat Cal-bred NW1 Optional Claimers at one mile at Santa Anita Oct 17. His numbers are soft and he is 0-for-4 routing over this track. He appears to be an outsider.

#### RACE APPRAISAL

ANALYSIS: On paper it looks like this could come down to a top 4yo filly vs. a top 3yo filly in Princess Grace and Going Global. 'Grace is 6-for-7 vs. a top 3yo filly in **Princess Grace** and **Going Global**. **Grace** is Grace and has won all three of her Graded Stakes this year, including the Grade II Yellow Ribbon on this course Aug 7. She's clearly the one to beat and we liked that she was able to overcome a slow break and rally from farther off the pace than usual to win a Grade III in Kentucky Sept 11. She seems deserving of the HF 15. **Going Global** is 5-for-6 since coming to the U.S. in February. Her only loss was a 2<sup>nd</sup> in a 3yo Grade II here July 24, but she rebounded to win a 3yo Grade I here Aug 21. It's worth noting her Final Time Ratings were in the high130 range prior to earning a whopper 149 FTR in that last win. It could be she's just now reaching her peak, but we also might try to beat her in her first try vs. older. Those looking for

better gambling odds than you'll get on the big two should give Zofelle or Warren's Showtime a look. Zofelle has been freshened since faltering in a Grade 1 on 'good' turf at Belmont June 5. She ran well in her other three Graded Stakes on 'firm' turf this year with a win and lapped on the winner at the wire in the other two. We'll make her the alternative HF 15a value play. At first glance, **Warren's Showtime** looks a cut below as she's done most of her damage in Cal-bred Stakes but abo's actually faither than the stakes actually faithe most of her damage in Cal-bred Stakes, but she's actually finished in the money in all three of her Graded Stakes this year, including winning a Grade III June 20. She fires every time out and seems to have a 'competitive edge' to her. We'll make her the HF 20.

CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Zofelle: 21.8 - Going Global: 22.0 - Constantia: 23.3

#### HORSE COMMENTS

Zofelle (IRE) ran well in three straight Graded Stakes on 'firm' turf before faltering on 'good' in a Grade I at Belmont June 5. She's worked eight times since Aug 29 and could be a threat returning to a 'firm' surface.

**Princess Grace** is 6-for-7 and has won all three of her Graded Stakes this year, including the Grade II Yellow Ribbon on this course Aug 7. She came from father off the pace than usual in her Grade III win at KD Sept 11, but that just showed versatility. She's probably the one to beat.

Abscond just missed in Graded Stakes on 'firm' at Woodbine July 27 and KD Sept 11, a race won by Princess Galore, before a midpack effort in a Grade I at KEE on 'good' Oct 9. She hasn't won since 2019, but probably deserves exotics consideration.

Glesga Gal (IRE) has done her winning on synthetic overseas (2-for-3), but is 0-for-8 on turf. She did just miss in a small-field Stake Oct 2, but was 5th in her only Group III Sept 8. We're looking at others.

Ippodamia's Girl won a restricted Stake here July 17, but has run poorly in her last two starts with softer than this. Class seems a cloud.

Bodhicitta (GB) is 0-for-3 this year, but hit the board in all three. She was 4th behind Princess Grace in a Grade II Aug 7, a race she won last year, and 3rd in a Grade II Sept 4, both on this course. We'll have to look elsewhere for a winner.

Going Global (IRE) is a 3yo that shipped to the U.S. at the beginning of the year and has won 5-of-6 3yo Stakes. She was upset in a Grade II here July 24, but rebounded with a nice win in a Grade I over the course Aug 21. She faces older for the first time, but charts well and has to be respected.

Warren's Showtime won a Cal-bred sprint Stake Oct 16 and did win a Grade III at a mile June 20. She seems a cut below the best in here, but she's sharp and that Grade III win three back would have put her near the top in the charting had we plotted it.

**Constantia** has only sprinted this year and finished 5th in back-to-back softer Stakes here July 25 and at KD Sept 11. She'd be a surprise.

## RACE APPRAISAL

ANALYSIS: Only five line up (Estilo Talentoso scratched on Tuesday) and many say they are avoiding running against Gamine. Maybe, but it also could be they are avoiding **Bella Sofia** as well. She pulled off the hat trick with a sharp win in a Grade 2 at Belmont Sept 26, she charts "right there" and she has good early speed. Saez is back to ride and she won a Grade 1 vs. sophs at today's trip Aug 7. We'll give 'Sofia the HF 15. Gamine is back to defend her title and she made it 7-for-7 sprinting on dirt when she won a Grade 1 at this trip at Saratoga Aug 28. She tops the charting, she has worked fast for this and Johnny V. is back to ride.

Gamine is the alternative HF 15a. If those two duel each other out on a fast pace, then maybe Ce Ce can take advantage late. That was the scenario in her last start as she sat back off a pace duel and rolled by them in the stretch in a Grade 3 at Santa Anita Oct 3. She has worked fast since raced and she was only beaten three lengths behind Gamine Aug 28. We wouldn't rule her out.

CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Ce Ce: 36.6 - Bella Sofia: 37.1 - Proud Emma: 37.2

#### HORSE COMMENTS

**Proud Emma** is 0-for-4 this year including her 4th in a Grade 3 at Santa Anita Oct 3. She has finished 2nd in both of her sprints over this track and she worked fast Oct 30. However, her numbers are soft and she might need a complete pace meltdown to threaten for the win at this level.

Estilo Talentoso came up lame Tuesday morning and has been scratched.

**Edgeway** has won four of her last six starts including a Grade 3 over this track Aug 20. She set the pace that day, but she has proven she can win with pressing trips. Rosario knows her well and she has worked fast for this. However, she may need a career best to enter the winner's circle. Exotics only?

Ce Ce sat off the pace and rallied for an easy win in a Grade 3 at Santa Anita Oct 3. She was only beaten three lengths behind neighbor Gamine when 3rd in a Grade 1 at Saratoga Aug 28, she shows some fast works for this and Espinoza is back to ride. If the two frontrunners to her outside duel too fast, this gal could be ready to pounce in deep stretch.

**Gamine** has won all seven of her dirt sprints including that Aug 28 Grade 1 at Saratoga. She got away with a soft pace that day, but she has proven she can press a fast pace and win and Johnny V. is back to ride. She won this race last year, she tops the charting and has worked in exceptional fashion for this. Give her a long look.

Bella Sofia Bella Sofia made it three straight when she beat Grade 2 sprinters at Belmont Sept 26. She won a Grade 1 for sophs at today's trip at Saratoga Aug 7, she charts well and Saez is back to ride. She can win on the lead or while pressing it and she seems to merit contender status.

## UNDERSTANDING THE HF 2, 15, 15a and 20

The Handicapping Factors (HF's) 2,15,15a and 20 are used by our writers for selection purposes and each HF should be viewed a bit differently. The HF 2 is our strongest endorsement. A Digest writer will assign the HF 2 when he feels a horse is an absolute standout in a race. Usually the favorite, this horse will most often be below 2-to-1. HF 2's can be used as strong singles in the Pick-3 and Pick-6 or as 'keys' in the Exacta and Trifecta. (NOTE: A horse receiving an HF 2 will also automatically get an HF 15). A horse receiving an HF 15 is also considered a strong play and can be used in all exotics wagering. The HF 15a is a bit more complicated as this designation is the writer indicating he likes the horse's chances, but the race is competitive. In a wide-open race when the HF 15a is below 3-to-1, refer to the race analysis for the other contenders or the main threats on our Quick Picks Page. Often times one or two of these contenders will offer more value at the windows and thus represent a better play. Finally, the HF 20 is our longshot. HF 20's go to horses who might not be the most-likely winner, but have a chance and likely will be overlooked by the betting public. Including the HF 20 in the exotics can often lead to a 'Big Payoff'.

## RACE APPRAISAL

ANALYSIS: This race is being contested for just the 14th time and it's produced a near-normal rate of four winning favorites (just a bit over 30%). However, the average winning price is \$24 and the median price is \$16 and this overflow field (they could have easily split this race) is unlikely to and this overflow field (they could have easily split this race) is unlikely to reduce those historical payouts by much if at all. **Golden Pal** is the 7/2 Morning Line favorite for Wesley Ward who has also entered **Arrest Me Red** and **Kimari**, a comebacking filly. Surprisingly, given his vast array of turf sprinters, he's never won this race. **'Pal** and 'Red are both sharp sophs. **'Pal** caused himself some problems and still won Oct 9 while **'Red** made the running when best Oct 2, but is capable of coming from off the pace. Both of them are 4-for-4 sprinting on the grass in the U.S. **'Red** offers more value (and an HF 20), though stablemate **Kimari** has value potential, too. The Ward 3-yos are sandwiched around the primary California contender. **Lieutenant Dan**. He is 3-for-3 sprinting on the grass California contender, Lieutenant Dan. He is 3-for-3 sprinting on the grass since coming back to the races this summer, including a good on-the-pace win over this layout in August. He seems quick enough to get position.

Fast Boat and Gear Jockey have traded decisions in their last two starts.

Fast Boat had first run after 'Jockey broke slowly Aug 6, but 'Jockey was flying late that day. They met up again in the Turf Sprint at Kentucky Downs, a race carrying \$1,000,000 purse, and 'Jockey broke much better, set up outside of the speedy Bombard and drew off the last three furlongs. It was an impressive win from a horse that had previous been a middle distance turfor Hold drawn pinely outside gets the HE 15. 'Poot' middle distance turfer. He's drawn nicely outside gets the HF 15. **'Boat** gets the second HF 20 and it's noted that post 11 has been the most productive when 12 go on this layout. **'Boat** had a rough trip from the inside last time and should fare better here.

CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Glass Slippers (GB):10.5 - Fast Boat and Hollywood Talent :10.6 - Commander (Fr) :10.7 - Arrest Me Red :11.0

Glass Slippers (GB) is back to defend his title, but seemed in a little better form in 2021 and is unlucky to get the rail in this full field. He's the only horse to come over from Europe to win this race.

**Emaraaty Ana (GB)** became a Group 1 winner as a 5-yo when he pressed the pace and held on to win at Haydock Sept 4. He was all out late, but has had two months to recover and he may have enough speed to get position from the inside.

**Golden Pal** is a perfect 4-for-4 sprinting on the grass in the U.S., most recently going wire-to-wire to beat older runners for the first time at Keeneland Oct 9, a race in which he won despite drifting out into the turn. He chased neighbor 'Ana home when sent to England Aug 20, but likes it better over here.

**Lieutenant Dan** is a huge 5-yo gelding that has found a new lease on life as a turf sprinter. He's 3-for-3 sprinting on the grass, most recently winning on the hillside course at Santa Anita. He showed good speed from the inside here when best in the Green Flash Aug 22 and he figures 'right there'. He's a contender.

**Arrest Me Red** gives Wesley Ward (Golden Pal) a second sharp 3-yo. This one is 2-for-2 since Ward took over his training and can set or track the pace as required. He's perfect sprinting on the grass, too.

A Case of You (IRE) has been sent over after staging an improbable win in the Group 1 Prix de l'Abbaye Oct 3, a race in which he found a seam and staged a furious rally to get up in the final strides. He left Glass Slippers (above) in his wake and will be out to be just the second import to win this race.

**Charmaine's Mia** set a pressured pace in the Eddie D Oct 1 and the 5-yo mare faded late. She figures to be out winging again, but may get swallowed up when the real running starts.

**Caravel** has not improved in two starts since Bobby Flay bought into him and Graham Motion took over training. He threw in a stinker in the Turf Monster at Parx Sept 25, but was Grade 1 placed in Canada prior to that and doesn't figure too far back

**Kimari** is a 4-yo filly and Wesley Ward's third entrant. She's been off since winning the Grade 1 Madison on dirt at Keeneland April 3 and it's interesting that he skips the Filly & Mare Sprint to run here. She has won on the grass and has been training steadily. She deserves odds-beating consideration.

**Gear Jockey** got a career change when he was shortened up this summer. He responded by winning a Classified Allowance July 17. He broke slowly, but finished fast when 3rd behind Fast Boat in the Grade 3 Troy Stakes there Aug 5 and then scored a major coup in the Turf Sprint at Kentucky Downs Sept 11, as he broke well to track the pacesetter and took over at the halfway mark. He cleared off nicely and won the \$1M partial title an improving herse. sprint like an improving horse

Fast Boat got first run while wide throughout in the Troy Stakes and fast Boat got first run while wide throughout in the Troy Stakes and finished with good energy to win that Saratoga affair Aug 5. He drew inside and didn't seem comfortable in the Turf Sprint at Kentucky Downs Sept 11 and lacked the same rally. He's back on the outside and the 11-hole has been the most productive post (since 2016) when 12 go at this distance and the rails are down (3 wins from 10 races). He's 12/1 on the line and has to be viewed as an upset threat.

Extravagant Kid is an 8-yo that has completed the Exacta in all U.S. four starts in 2021, most recently when returning from an eight-month break to chase Golden Pal home at Keeneland Oct 9. He would make for a solid Exacta mate at 12/1 and he can improve with recency.

**Bombard** is a speedy 8-yo that set the early pace in the Turf Sprint at Kentucky Downs Sept 11 and held 3rd in the run to the wire. He was outrun in this race last year, but has fared well in all three 2021 starts. He's a contender if a starter.

**The Critical Way** has been first under the wire in his last three starts, most recently when best in the Grade 3 Parx Dash Aug 31. He has pressing speed and figures to be sent along from the outside if a starter. The paper race gives him a fighting chance.

Chaos Theory finished with interest when 2nd to Lieutenant Dan over the hillside turf course Oct 1. He may be able to make an impact late.

**Beer Can Man** won on this layout Aug 13 and came flyting late when second best in the Turf Monster at Parx Sept 25. The improving soph may have a big say in the 2022 Turf Sprint.

Commander (FR) would give Peter Miller, who won this race three years running, a starter. He won a high-line Allowance on the downhill turf course with a strong rally Oct 2 and figures close enough to be dangerous.

Hollywood Talent won the Turf Monster at Parx Sept 25, but that wasn't enough to get him into the lineup. Of course, he was 108/1 as he had been losing to \$8,000 Starter types. Perhaps the 'Monster' wasn't much of a monster after all.

#### 10th RACE - BREEDERS' CUP DISTAFF

**As Time Goes By** sat in the garden spot while out in the clear and made her run around the far turn, but could only chase Private Mission and never was able to get close to the winner. She was dominated by a couple of others in here in her two prior starts.

**Private Mission** tracked the pacesetter from the 2-path, took over on the far turn without having to be asked and easily held off favored As Time Goes By as the stretch was a no-passing zone. She's 2-for-2 around two turns and tracked the pace in both. That style should play well in this lineup.

**Royal Flag** relaxed behind slow fractions, moved up around the turn to loop the chasers and drew even with the pacesetting Horologist at the top of the stretch. Royal Flag was out in the middle of the track and she never missed a beat and drew off as the odds-on winner. She was the only horse finishing in this one.

**Dunbar Road** did her thing in the Spinster, too, as she lagged Letruska early and made a wide rally into and through the stretch. She ended up 2nd, but this is a deeper field.

**Horologist** won the Beldame in 2020 and controlled the pace for the most part, but had no response when Royal Flag rallied widest of all.

**Letruska** did her thing as she broke on top, went right to the front, and didn't miss a beat to the wire. Her only recent loss came when Shedaresthedevil beat her out of the gate in the Azeri back in April.

**Shedaresthedevil** broke sharply from the outside box, just as she had done when best in the Azeri this spring. She went right to the front, set all the pace and was dead game to the finish despite being tackled on both sides turning for home. It was a game effort under a strong handling.

**Malathaat** was sent off as the heavy favorite and got the job done in the Alabama, as she lagged early and then responded when asked to run approaching the turn. She came widest of all into the stretch and drew off under a strong ride.

**Clairiere** had been troubled early and took a ton of dirt in the Alabama, but was flying at Royal Flag at the end. She returned five weeks later in the Cotillion and raced wide throughout while settling nicely under a loose rein. She picked it up after 5F and began to reel in the five horses in front of here. She was widest of all as the field lined up for home and she once again powered home in good style.

#### 11th RACE - BREEDERS' CUP TURF

**Tarnawa (IRE)** is a super filly that won this race over the boys last year at KEE. She looks set to defend her title off a near miss in the Group Prix de L'Arc de Triomphe, a race run over very soft footing because of rain. She raced along the rail in midpack down the long straightaway and was still there surrounded by horses around the right turn and into the stretch and had to wait, wait, wait for a hole to open which she found on the rail with 300 meters to go. She finished strongly inside, but had to settle for 2nd behind a huge longshot that got up on the outside. The outside is usually better in rainy conditions, so Tarnawa ran a 'monster' of a race and reportedly needed a couple of weeks to fully recover from the ordeal.

**Domestic Spending (GB)** won both of his Grade I races this year prior to this Arlington Gr 1. He broke from the 3-hole and sat in fourth in the clear in a strung-out field behind a slow pace. The eventual upset winner kind of 'stole' the race on the lead as he had plenty left turning for home and burst clear. 'Spending rallied well and cut in to the lead, but had to settle for 2nd

Rockemperor (IRE) broke in a line, but was allowed to fall back to next to last behind a lively early pace. The field began to bunch up a bit heading into the far turn with Rockemperor still next to last on the hedge and Gufo last moving outside. Gufo made a solid outside move, while 'emperor was stuck behind horses and had to steady to last, but he swung outside and actually got nose-to-nose with Gufo when they straightened out in the stretch. 'Emperor continued that solid move and drew off to a daylight win, while Gufo flattened out and settled for 3rd. It's possible given the race shape that Gufo moved too soon and 'Emperor benefitted from having to wait on the turn.

**Astronaut** is lightly raced, but seems to be thriving since moving to marathon distances. He ran 2nd to Acclimate when jock lost the whip in a Grade III June 19, but got revenge today. He broke from the 10-hole right into the far turn and was understandable outside sitting mid-pack. He pretty much stayed that way the first time around while Acclimate set the pace throughout. He started moving up outside mid-turn and was part of a wall of horses chasing Acclimate at the top of the stretch. He accelerated the best to get the win over another longshot, while Acclimate settled for a game 3rd. None of the low odds horses were a factor, but Astronaut might be an improving 4yo and a win over the course is a plus.

# 12<sup>nd</sup> RACE - BREEDERS' CUP CLASSIC

**Max Player** made it two consecutive 1-1/4 Mile dirt wins in the Jockey Club Gold Cup as he broke well to track the pacesetting favorite Forza Di Oro to the stretch and then changed gears when he changed leads and drew away to an easy win. The early fractions were slow enough that the chasers didn't have much chance. That seems unlikely in the Classic.

**Knicks Go** slipped down to Churchill for the Lukas Classic and won what was essentially a workout. He set easy fractions for a half-mile, began to move after 5F and slowly increased his advantage to the wire while appearing to look around (not a first for him). He remains very sharp.

**Essential Quality** tracked the pacesetting Midnight Bourbon through a slow first six furlongs in the Travers, moved closer on the far turn and drew alongside as 'Bourbon hit the stretch. He had good outside position on his rival and slowly edged away from his game rival. This one's numbers are rarely flashy, but he finds a way to win.

**Hot Rod Charlie** changed tactics in the Pa Derby and went right to the front. He was pressured throughout by Midnight Bourbon, the horse that he had stalked and caused to fall in the Haskell July 17. The two of them drew away from the overmatched field around the far turn and 'Charlie went wide and caused 'Bourbon problems entering the stretch. He kicked away from his rival, but it seems like this horse is capable of winning and also causing himself and his backers headaches.

**Tripoli** was wide throughout and was asked to run a bit on the backstretch before being really asked to run on the far turn. He was able to loom up while three or four wide into the stretch and flattened out through the lane. He won the Pacific Classic when able to stalk the pace, but is hooking lots of speed in the BC Classic.

**Art Collector** controlled the pace with a string of 24 flat quarter miles and that left him with plenty left to hold off favored Maxfield, who had tracked him from the bell. He's now won three straight and he won 4 in a row in 2020. He was able to track the pace in one of his 2020 route wins and on the bullring to Charles Town prior to this..

**Medina Spirit** didn't break on top, but was immediately sent to the fore and had the lead when he hit the first turn. He set the pace under a bit of pressure, kicked away a bit into the far turn and then coasted around the turn and allowed the field to get closer. He switched leads and accelerated away through the stretch. He had a 50/1 outsider chase him throughout and the others didn't really fire. He looked good just the same.

Restrainedvengence

3: Eight Rings

ANALYSIS: We could see a strong pace with four possible frontrunners lined up and maybe this will set up well for a closer. Restrainedvengence just got up to win a \$200k Stakes at Albuquerque Downs Sept 18. He takes a big step up in class today, but he did finish 3rd in a Grade 1 turf route at Santa Anita May 31 and his Grade 3 turf win June 20 also would do well on paper. Maybe 'Vengence can pull off the upset as the HF 15a. Ginobili has come alive since adding the blinkers. He destroyed NW1 Optional Claimers at this trip over this track July 17 and followed that up with a win in a Grade 2 sprint Aug 28. He co-tops the charting, he has proven he can track the pace and Van Dyke returns the call. Maybe he can pull off the hat trick. Life Is Good has won all three of his dirt routes including a Grade 2 at Belmont Sept 25. That was not a strong field, but he co-tops the charting off that one and he worked fast Oct 22. Look for ANALYSIS: We could see a strong pace with four possible frontrunners

him to be a pace factor at the very least under Ortiz Jr. Eight Rings is off a nice win vs. NW2 Optional Claiming routers at Santa Anita Oct 2. He just missed in a Grade 1 sprint over this track July 31, his numbers are going the right way and he shows a rising numbers pattern. Snapper Sinclair has finished in the Exacta in five straight at and below this level. He has tactical speed and maybe he can make an impact once again. Silver State won four straight at and below this level earlier this year, but

his numbers have tailed off of late and his connections are in a long slump. He may be worth trying to beat on the win end.

#### HORSE COMMENTS

Silver State nearly overcame a poor start when he just missed in a \$200k Stakes at Parx Sept 25. He won a Grade 1 at today's trip at Belmont June 5 and he shows four works since raced. However, his numbers are going the wrong way and his connections are in a well-documented slump. He might rebound especially with a clean break, but he may be worth trying to beat at likely lowish odds.

**Pingxiang** is in from Japan where he won his last two starts both at seven furlongs. He worked fast Nov 2, but he makes his dirt route debut today and Japanese imports don't seem to fire in this country. We'll try to beat

**Ginobili** made it two straight when he beat Grade 2 sprinters over this track Aug 28. He won by nearly 10 lengths routing over this track vs. NW1 Optional Claimers July 17, he co-tops the charting and Van Dyke is back to ride. He worked in exceptional fashion Oct 16 and he has good early speed. Mark him a contender.

Jasper Prince is another Japanese import that won his last start at seven furlongs Sept 11. He was a pace factor only in last year's Sprint Nov 7, 2020 and he is also unproven routing. He seems like an easy tossout.

Life Is Good has won all three of his dirt routes including a five+ lengths romp in a Grade 2 at Belmont Sept 25. That was a soft field, but he won a pair of Graded Stakes at Santa Anita earlier this year and he co-tops the charting. Look for the colt to be a pace factor at the very least under Ortiz

Restrainedvengence rallied and just got up in a \$200k Stakes at Albuquerque Downs Sept 18. He can compete on this circuit, though, as he was 3rd in a grassy Grade 1 at Santa Anita May 31 and he plots close. Should there be a pace meltdown, he could be one to fear late under

**Snapper Sinclair** kept his Exacta streak alive when 2nd in a Grade 2 turf sprint at Santa Anita Oct 1. He owns three dirt route wins, he makes his third start off the layoff and Rosario is willing to ride back. His numbers are on the soft side, though, and he might be best used in the exotics only.

Eight Rings took advantage of the 'F2/I2' bias and led all the way vs. NW2 Optional Claimers at Santa Anita Oct 2. He just missed in a Grade 1 sprint over this track July 31 and he shows a rising numbers pattern. Hernandez takes the call and he has worked fast since raced. Plenty of positives.

#### RACE APPRAISAL

ANALYSIS: War Like Goddess has been the top turf filly in the U.S. having won 6-of-7 and four straight Graded Stakes this year, including a Grade I at this distance Sept 4 at Saratoga. The competition might not have been the greatest, but she's won impressively and tops the charting. The top West Coast hope looks like **Going To Vegas**, who has won three straight, including wiring a Grade I at SA Oct 2. Again, the competition can be questioned, but she charts well and is probably the one they have to catch turning for home. This race is loaded with dangerous imports, to catch turning for home. This race is loaded with dangerous imports, including last year's upset winner **Audarya**. Her form this year hasn't been as good, but she ran a similar race in the same final prep as last year when 4<sup>th</sup> in a Group I in France behind **Rougir** Oct 3. She might move up on the firmer U.S. turf and can't be ruled out. **Rougir**, who won the Group I Prix De L'Opera Oct 3 that produced two B.C. winners last year, looks like a big-time threat off her French form except for one little knock. She

struggled both times she raced on 'firm' in France and Euro 'firm' is usually softer than U.S. 'firm'. Love is unproven on 'firm', but beat Audarya winning a Group I June 16 in England and has finished in the money in her You has run very well in top Graded Stakes in Japan, Hong Kong and Dubai this year. We worry about 'jet lag' and a Japanese jockey unfamiliar with U.S. racing, but she's been freshened since Aug 22 and is a threat if she fires. In the end, 'Goddess might be the one to beat, but she likely won't offer any value (7/2ML), so we'll gamble the HF 15a on **Rougir** and hope she handles the firm footing today. Our HF 20 is **Going To Vegas**, who might have a chance to pull off the wire-to-wire upset. **CLOSERS:** Fastest in the stretch in recent races at or near this distance have been: Pocket Square :33.0 - My Sister Nat :34.2 - War Like Goddess

## HORSE COMMENTS

Going to Vegas has won her last three starts, including a Grade II here Sept 4 and a Grade I at SA Oct 2. She's mainly raced at shorter distances, but just missed in a Grade III at this trip here last November. She charts well and might be the one to catch turning for home.

**Pocket Square (GB)** won her last two starts at 9F, a high-line Allowance at SAR Aug 25 and a Grade III on 'good' at BEL Sept 25. She looks a cut below the top ones in here, but is sharp and we love the connections.

Acanella (GB) won a Group III at 9F Aug 27, but was midpack in a Group I mile Sept 11, both in Ireland. Her best win came in her longer race to date in that Aug 27 affair, so maybe she'll enjoy today's longer going. On paper, though, others look better.

**Rougir (FR)** has been 'right there' in four straight Group Stakes in France and won the Group I Prix De L'Opera Oct 3, the same race Tarnawa won before beating the boys in the B.C. Turf last year. The only knock we see is she didn't run well both times she raced on 'firm' turf in France.

Queen Supreme (IRE) was racing in South Africa before running last at big odds in a Grade II in England Sept 24. Pass.

**Love (IRE)** was 3-for-3 in Group I Stakes as a 3yo last year in England. She won a Group I in her 4yo debut June 16, beating defending champ Audarya, but has settled for minor awards in her last thee Group Stakes, most recently losing by a nose in a Group II in Ireland Sept 12. She's unproven on 'firm', but looks like a solid threat.

War Like Goddess has been impressive in four straight wins vs. Graded Stakes company, most recently easily winning a Grade I at this distance

Sept 4 at Saratoga. We might question the competition in those races, but she tops the charting and doesn't appear to have any knocks.

**Loves Only You (JPN)** is a world traveler as she just missed in a Grade I in Dubai March 27, won a Grade I in Hong Kong April 25 and returned to Japan where she just missed in a Grade II Aug 22. She handled 'firm' in Japan and could be a major player if she doesn't suffer from jet-lag.

**My Sister Nat (FR)** finished in the money behind War Like Goddess in Gr Stakes at Saratoga Aug 7 and Sept 4, but won a Grade III as the big favorite at Belmont Oct 3. She ran to long odds (9th) in this race last year off similar form, so we'd limit her to minor award consideration

Ocean Road (IRE) won a minor Allowance Dec 2, but is 0-for-3 this year as 3yo, most recently when 3rd in a Group III Oct 8. Others have better credentials.

Dogtag has finished in the money in three straight Graded Stakes, a 2nd to Princess Grace (the favorite in the Gr II 3rd race today) and a 2nd and 3rd in her last two behind Going To Vegas. She's not terrible, but it would be a major upset if she won today.

**Audarya (FR)** pulled off the 17/1 upset in this race last year at KEE when it was run at 9.5F and she raced on Lasix. She's 0-for-4 this year in France, but just missed in a Group I Aug 22 before running 4th in a Group I behind Rougir Oct 3. Her form this year doesn't seem as good, but she ran about the same in the Prix De L'Opera as last year and maybe she's just better on the firmer footing she'll get in the U.S.

ANALYSIS: It seems difficult to knock Jackie's Warrior. The soph has won six of his seven dirt sprints, he shows a rising numbers pattern and he tops the charting. He has proven he can handle strong pace pressure, Rosario strings along and he may just be too fast for these. **'Warrior** is the HF 15. Dr. Schivel has been on a roll as well as he made it five straight in a Grade 2 at Santa Anita Oct 2. He is usually an off the pace runner, but he went to the front early when his right rein broke and he just kept going in the stretch. He charts well, he worked fast Oct 30 and he has won all three sprints over this track. **'Schivel** is the alternative HF 15a. Lexitonian is a tough one to figure as he has run very well or poorly

in his last four starts. He just missed in his lone sprint over this track in a Grade 1 last year, he just missed in a Grade 1 at Churchill May 1 and he won a Grade 1 at Saratoga July 31. If he shows up with his best he could be a strong contender. **Lexitonian** is the HF 20. **Special Reserve** has finished in the Exacta in seven straight including his win in a Grade 2 at Keeneland Oct 8. He has solid pressing speed, Ortiz Jr. knows him well and he charts close. He seems difficult to ignore.

CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Dr. Schivel: 23.8 - Aloha West: 23.9 - C Z Rocket: 24.3

#### HORSE COMMENTS

**Following Sea** set the pace and cruised to the wire in a Grade 2 sprint at Belmont Oct 9. He seems to like that track and we're guessing that Johnny V. doesn't want to hustle him out of the gate with Jackie's Warrior to his outside. He may not have a choice, though, and he may be under pressure throughout. We'll look elsewhere for the winner.

Jackie's Warrior toyed with his foes in a Grade 2 for sophs at Parx Sept 25. He was under pace pressure in his win in a Grade 1 at Saratoga at seven furlongs Aug 28, he shows a rising numbers pattern and he tops the charting. Rosario strings along and he appears to be the one to beat

C Z Rocket is often in the mix, but he has now lost four straight when 3rd in a Grade 2 at Santa Anita Oct 2. He has a good late kick and Geroux, but his recent numbers suggest he may be more pretender than win contender.

Matera Sky has lost 11 of his last 12 starts including his 5th in Japan Aug 9. He was a pace factor only in this event in 2019 and he would light up the tote with a win today.

Aloha West rallied and just missed in a Grade 2 at Keeneland Oct 8. He has worked fast since raced, he won three of his four previous starts and J. Ortiz is back to ride. If there is a pace meltdown he could take advantage late.

Firenze Fire was a distant 2nd as the favorite in that Oct 9 event at Belmont. He looked like the winner in a Grade 1 at Saratoga Aug 28, but he savaged his foe in deep stretch and ended up losing the win photo. The veteran was 3rd in this event last year and he is still looking for his second Grade 1 win since 2017. Exotics only?

Lexitonian has been eased in two of his last three starts including that Aug 28 affair. However, he won a Grade 1 at today's trip at Saratoga July 31 and he just missed in a Grade 1 at Churchill May 1. Also, he just missed in a Grade 1 over this track last year and he charts well. If able to run to his best, he could be a solid threat under Lezcano.

Special Reserve just held for the win in that Grade 2 at Keeneland Oct 8. He was 2nd in that Grade 1 at Saratoga July 31 and has now finished in the Exacta in seven straight starts. Ortiz Jr. knows him well and he charts well. Add him to the list of contenders.

**Dr. Schivel** made it five straight despite the rider losing the right rein in a Grade 2 at Santa Anita Oct 2. He may have been helped by the 'F2/I2' bias that day, but he often settles off the pace as the rider didn't have much control of him last time out. His numbers also jumped way up, Prat is back to ride and he seems too sharp to rule out.

#### RACE APPRAISAL

ANALYSIS: Last year's B.C. Mile produced a 70/1 bomb, but we don't think we'll see fireworks like that this year because we expect the betting might be pretty evenly spread in this big field. Finishing speed is often key might be pretty evenly spread in this big field. Fillishing speed is often key in mile races at Dmr, and it's hard not to be impressed with the way **Space Blues** flew home in a Gr I going 7F in France Oct 3. He's a closer that will have to avoid trouble and that French race has produced a few beaten favorites in this race in recent years, but 'Blues has won 7 of his last 9 and the last that the times have run on 'firm' thirf. His harn is a ridicullous 6-forwon the last two times he's run on 'firm' turf. His barn is a ridiculous 6-for-14 on the year and we'll make him the HF 15a. The filly **Pearls Galore** couldn't hold off 'Blues in that Gr I sprint Oct 3, but was a solid 2<sup>nd</sup>. She's been 1<sup>st</sup> or 2<sup>nd</sup> in four straight vs. top company overseas including a pear in four straight vs. top company overseas, including a near miss at a mile in a Gr I vs. her own gender Sept 11. She may have some 'value appeal' if you don't like the short price on 'Blues. In Love has won

three straight and showed a good style for this course winning a Gr I at KEE from off the pace Oct 9. He could definitely be a threat. **Mo Forza**, **Smooth Like Strait** and **Hit The Road** have run 1-2-3 in two straight Grade II's in So Cal. 'Forza, who has a strong record at Del Mar, is on a 4-race win streak and must be respected. He did get a perfect set-up in his last start as 'Strait got into an early duel with a longshot and **Hit The Road** actually ran very well after a very strange/bad ride. 'Strait, who also likes DMR will probably have to deal with dedicated frontrupner **Blowout** and DMR, will probably have to deal with dedicated frontrunner **Blowout** and that could leave him vulnerable late. **Hit The Road** has a couple of wins at DMR and gets a rider switch to Velazquez. We'll make him our HF 20. CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Smooth Like Strait: 22.2 - In Love: 23.0 - Hit The Road: 23.4

#### HORSE COMMENTS

**Master of The Seas (IRE)** won a Group III April 15 and just missed in a Grade I, both for 3yos, but has gone backwards in two Group Stakes vs. older since. He might be the barns 'second string' behind Space Blues.

**Smooth Like Strait** has finished 2nd in two straight Grade II's behind Mo Forza, but was actually very game after dueling on a wicked pace Oct 2. Speed hasn't been great going a mile at Dmr and he may have to deal with dedicated front-runner Blowout.

Space Blues (IRE) has been impressive winning his last two starts closing at 7F overseas, a Gr 2 in England Aug 21 and a Gr I in France Oct 3. The French race has produced winners of this race, but also a couple of beaten favorites. On the plus side, he's won his last two on 'firm'.

Raging Bull (FR) ran poorly in this race last year. He won a Gr I at KEE April 9, but has been just Ok in three starts since, including when 3rd in a Gr I at WO Sept 18. He's a barnmate of Blowout and would be a surprise.

Vin de Garde (JPN) ran 2nd in a Gr I in Dubai March 27, but his Japan form before and after that race wasn't great. We'll have to pass.

**Mo Forza** won his last two starts in 2020 and is 2-for-2 this year, all Grade II's at a mile and two of those were at DMR. He beat Smooth Like Strait and Hit The Road in both starts this year and has to be respected.

In Love (BRZ) has won three straight and proved he belongs in top company when he rallied to win a Grade I at KEE Oct 9. Two of those 3 wins were on less than 'firm', but he has the numbers to be a threat.

**Hit the Road** has finished 3rd behind Mo Forza and Smooth Like Strait in two straight Gr II's in So Cal and was 5th behind Raging Bull in a Gr I at KEE three back. He had a terrible trip/ride when finishing lapped on Forza Oct 2 which might have prompted a jock switch. Price play?.

**Mother Earth (IRE)** is a 3yo filly that rallied to run 2nd at a big price in the B.C. Juvenile Filly Turf last year at KEE. She won a Gr I in Ireland Aug 3 and was 2nd in a Gr I Oct 2, but finished midpack when tried against the boys in a Group I in England Oct 16. This seems a tough task.

**Blowout (GB)** is a frontrunning mare that beat her own gender in Gr Stakes May 1 and Oct 9, but ran 4th behind Got Stormy and Casa Creed when taking on the boys in a Gr I at Sar Aug 14. Chad Brown won this race at SA in 2019, but the front end is usually not the place to be at Dmr.

**Got Stormy** ran 5th in the B.C. Turf Sprint last year. She won a Gr I going a mile at Sar Aug 14, but was no factor in a GrI II sprint at KD Sept 11 and her '21 form is so-so. She does pop with a strong race now and again

Pearls Galore (FR) is a 4yo filly that just missed in a Gr I in Ire against her own sex Sept 11 and then was a more than credible 2nd to Space Blues in a Gr I against the boys in France Oct 3. She was a presser in Europe, but unproven on firm turf. She does have the talent to win.

Casa Creed finished far back at long odds in this race last year. He's probably done his best work sprinting as he won a Gr I sprint at Bel June 5 before a 3rd in a Gr I mile Aug 14 at Sar. He would be a surprise.

**Ivar (BRZ)** finished 4th in this race last year. He's only run twice this year finishing midpack in a Gr I going 9F at CD May 1 and 4th behind In Love in a Gr I mile at KEE on 'good' Oct 9. He came into last year's race off a Gr I win, so his modest recent form and poor post have us looking elsewhere.

**Real Appeal (GER)** is a first-time gelding that will need to scratch in. He's won two of his last three, including a Group II in Ireland Sept 11, so he comes in sharp. He also beat Pearls Galore winning a Gr III June 10.

Queen Supreme (IRE) ran last in a Group II in England after shipping from South Africa. She'll likely run in today's 7th race.

For fans of the Pick Six Scramble, simply employ the following strategy with the horses listed on the Quick Pick Page. The requirements are two 'singles' somewhere in the Pick Six. Place your 'singles' in their proper spot and then select three horses in each of the other four races. Label the first three horses 'A,B,C,', the second set as 'D,E,F' the third set as 'G,H,I' and the fourth as 'J.K,L'. Use the following patterns to build your nine \$2 tickets. In this example our 'singles' are in legs 2 (s1) and 4 (s2) of the Pick Six.

## RACE APPRAISAL

ANALYSIS: Letruska and Shedaresthedevil meet in their 2021 rubber match. Shedaresthedevil handed Letruska her only loss of the year when she broke like a shot to take the track away from Letruska in the Azeri at Oaklawn Park March 13. Letruska was forced to take back a bit while caught beween horses entering the stretch and ended up tracking her rival. She made a run at Shedaresthedevil turning for home, but couldn't get past her. They met again in New York in the Ogden O. Phipps June 5 and this time **Letruska** broke well from the inside and was able to get to the front put her rival away. **'Devil** is capable of getting a flyer at the break as she demonstrated again in her last start and both runners are tough to pass. Run this race 100 times and Letruska is probably in front 85 times

and winning most of them. That's why she gets the HF 15.

Shedaresthedevil can win if she makes it to the front first and she has been able to track the pace and win, as she did when she won here Aug 1. A win over the track is a bonus. The improving **Private Mission** may be able to get a dream trip drafting those two and is eligible to beat her odds should the likely 1-2 favorites go too fast too soon. Royal Flag, Malathaat, Dunbar Road, and Clairiere are the main off-pace threats. The last named filly is improving rapidly and will share longsot status with Private Mission

CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Clairiere: 35.7 - Royal Flag: 36.0 - Dunbar Road: 36.5

## HORSE COMMENTS

Private Mission is perfect after two route starts and was able to track the pace before taking over. She seems quick enough to get position behind the speed as the horses on her immediate outside are not very fast. She's a contender with continued improvement.

Royal Flag is a 5-yo mare that has never been worse than 3rd in her 12race career. She was lapped on Letruska (below) when 3rd Aug 28 and was a good 2nd to her when they met last year. There figures to be plenty of pace to set things up for her balanced attack. She's exotics material at the very least.

**Malathaat** is a soph filly whose only loss came when she wound up setting the pace in the 10 furlong Coaching Club of America Oaks July 24. She prefers to have a target and that won't be a problem in this lineup. She figures to be prominent through the stretch again.

**Blue Stripe (ARG)** is a South American import that has been away for six months. She won a couple of Graded Stakes to end her Argentinian career, but her slow works may not have her ready for this speedy group.

Clairiere was quickly gaining on Malathaat (above) when 2nd in the Alabama and returned to score a solid win when getting a clean trip from the outside in the Cotillion at Parx Sept 25. The improving soph has oddsbeating potential and would be aided should a too fast pace develop.

**Letruska** was beaten out of the gate by Shedaresthedevil in her only loss of the year, the Azeri Stakes back on March 13. She's rattled off three

consecutive wire-to-wire wins at this 9F trip and is the one to catch if she breaks on top. She was forced to take back and track the pace in the Azeri and couldn't get past the pacesetting 'Devil. It could happen again depending upon the start.

Horologist adds speed to the race, but she was run down by Royal Flag Oct 10 and July 25 and is likely hooking too much other speed for her to last to the wire

Shedaresthedevil can set the pace or stalk it and she tracked the leader when she shipped out her to win the five-horse Clement L. Hirsch Aug 1. She was game through the stretch when going wire-to-wire in the six-horse Locust Grove Sept 28 and she and Letruska have traded decisions in 2021

As Time Goes By had no excuses when 2nd in the Zenyatta Oct 3 and was no match Letruska Aug 28 nor neighbor 'Devil Aug 1.

Marche Lorraine (JPN) has banked nearly \$2M with eight wins in Japan where the purses are uniformly huge. She has had two easy works over the track to acclimate, but has been off since Aug 12 and she may not have much impact.

**Dunbar Road** is winless in 2021, but has produced good runs into the stretch while chasing Letruska home in her last two starts. She was beaten by Royal Flag and Shedaresthedevil in her first two starts of the year, so she's 'exotics only' material.

For fans of the Pick Six Scramble, simply employ the following strategy with the horses listed on the Quick Pick Page. The requirements are two 'singles' somewhere in the Pick Six. Place your 'singles' in their proper spot and then select three horses in each of the other four races. Label the first three horses 'A,B,C,', the second set as 'D,E,F' the third set as 'G,H,I' and the fourth as 'J.K,L'. Use the following patterns to build your nine \$2 tickets. In this example our 'singles' are in legs 2 (s1) and 4 (s2) of the Pick Six.

21c FRACTIONAL CHART ORDER OF FINISH AND AVERAGE TIMES

(This is not a Selection)

1: Rockemperor

2: Domestic Spending 3: Walton Street

ET: 23.5, 46.8, 1:12.8 and 2:25.1 (Expected Times with a 0 Variant)
 AT: 24.6,48.6,1:13.8 and 2:25.6 (Average Times for mid-level races)
 AFTL: 24.5,48.4,1:13.5 and 2:25.0 (Average Times for this level)

ANALYSIS: Euros have dominated this race recently aside from a Chad Brown winner at SA in 2019. Back to defend her title is the super filly (now mare) **Tarnawa**. She was 2<sup>nd</sup> in her last two starts overseas this year, but her effort in the Gr 1 Arc De Triumphe was sensational (check out our Video Notebook Page). Hopefully, she's fully recovered and is the one to beat, HF 15a style. Domestic Spending would seem the strongest of the Brown trio. He won four straight before a near miss in a Gr I at AP when not quite able to run down a lone 'F' tripper Aug 14. Rockemperor and the frontrunning **Tribhuvan** are barnmates of '**Spending** that could make an impact at prices. Broome and Japan are longshots from the O'Brien

barn and he's won this race 4 times since 2010. We like Japan better as he just missed in a Gr I at Sar Aug 28 and may have 'bounced' in a Gr 1 at Bel Oct 9, his second U.S. start. He'll share HF 20 honors with Astronaut, who seems to be thriving since moving to a marathon distance, most recently turning the tables on Acclimate in a Gr II here Aug 21. Finally, Yibir is a 3yo that won a Gr II in ENG Aug 18 and easily won a million dollar 3yo Stake at Bel Sept 18. He fits on numbers and could still be on

CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Yibir: 46.6 - Tarnawa, Walton Street: 46.8 - Tribhuvan: 46.9

#### HORSE COMMENTS

Rockemperor (IRE) had blinkers removed and pulled off an upset in a Gr 1 at Bel Oct 9, an effort that tops the charting. Brown, who also has Domestic Spending and Tribhuvan, won this race in 2019 at SA. He might have some longshot appeal.

**United** won a Gr II at SA Oct 2, the same race she won before running 8th in this race last year. She has a great record at DMR, but did run 4th in a Grade II behind Astronaut here Aug 21.

**Domestic Spending (GB)** is the shortest price of the Brown trio. She had won three straight Gr I's before a near miss in a Gr I at AP when she couldn't quite run down a loose on the lead frontrunner. She won her last Nov and looks like a major player.

Astronaut pulled off a huge upset in a Grade II here Aug 21. He may have to improve again, but seems to have found his game in marathons and could be worth a look at a price.

Tribhuvan (FR) won a Gr I at Mth, but faltered in a Gr I at Saratoga Aug 28. The frontrunner is the highest odds of the Brown trio, but fits on his good races, including a 2nd to barnmate Domestic Spending three back

Acclimate is a frontrunner that faded in this race in 2019. He's been close in his last two lesser Gr Stakes, but would be a surprise.

Walton Street (GB) shipped from Dubai and a race in Germany and dominated a Gr I at WO when a heavy favorite Sept 18. He charts well, but we're skeptical of the competition he beat.

Broome (IRE) finished up the track in the Gr I Arc on heavy footing Oct 3, but was 2nd in a Gr II on firm Sept 12. He seems just a cut below, but

O'Brien has won this race 4 times since 2010.

Sisfahan (FR) is a 3yo that has been running in Germany and lost his last two starts when facing older in Gr I's in September. Pass.

Yibir (GB) a 3yo, won a Gr II in ENG Aug 18 and then repeated in a million dollar 3yo Stake at Bel Sept 18. He's sharp and charts well, so maybe he isn't overmatched.

**Gufo** won a Gr I at Sar Aug 28 and was 3rd in a Gr I behind Rockemperor at BEL Oct 9. He could be a factor, but Domestic Spending has beaten him three times in his last 8 starts.

**Teona (IRE)** is a 3yo filly that beat older mares in a Gr I in France Sept 12. That was on firm footing, too. Taking on the best older males does seem a challenging task.

Tarnawa (IRE) is a 5yo mare that won this race last year in her only U.S. start. She's finished 2nd in her last two Gr I's overseas, but her near miss in the Arc De Triumphe Oct 3 was very impressive (see Video Notebook PG). She's the one to beat.

**Japan (GB)** just missed to Gufo in a Gr I in his U.S. debut Aug 28 at SAR. He may have 'bounced' in a Gr I at Bel Oct 9 and could rebound at price for a barn that has won this race 4 times since 2010.

**Bolshoi Ballet (IRE)** is a 3yo, the first AE and least likely of the O'Brien entrants after running 4th in two straight 3yo Stakes.

Channel Maker finished 3rd in this race last year, but was in better form there. The 7yo has been no factor in his last three Gr Stakes this year.

**Mogul (GB)** is another O'Brien that ran 5th in this race last year. He has struggled in his last two Gr Stakes in ENG and FRA this year. Pass.

Friar's Road stepped up in class and ran 3rd behind two of these in a Gr II Oct 2 at SA. He likes the move to turf, but likely won't run here.

# RACE APPRAISAL

ANALYSIS: We began the day suggesting that the Fractional Charting should be taken with a grain of salt. We'll end the long Breeders' Cup day (gates opened at 8:00 AM and this race is slated to go at 5:40 or just 13 minutes before the sun sets behind the grandstand. Knicks Go is a 5-yo that has only lost twice since being sent to Brad Cox for his 4-yo season. One loss came in Saudi Arabia Feb 20 and the second came in the Met Mile June 5, a race that is contested around one turn. He's since been unbeatable around two turns and it's noted that this race was run in frontrunning fashion here in 2017. **Knicks Go** has the best two-turn speed and is the one to beat. Medina Spirit and Hot Rod Charlie are the two horses that seem capable of forcing the issue. 'Spirit won the Kentucky Derby at this trip in wire-to-wire fashion and he's been on the engine in his two comeback wins, most recently when benefitting from an inside speed bias Oct 2 at Santa Anita. Baffert has had him pressured by stablemate Ax Man in three consecutive works to get him ready for another pace battle (he's set a pressured pace in his last four starts). However, he's drawn

outside of Knicks Go and may have to be the one doing the pressing and that has not been his style. Hot Rod Charlie is refitted in small blinkers after racing a little erratically without them in two starts this summer. He's versatile enough to force the pace or track the other two and the paper race puts him 'right there'. He's the main threat to Knicks Go, but it's worth noting that only one tracking type has won this races in the 13 years since this race began moving between California and Kentucky (we're at Keeneland next fall). **Essential Quality** doesn't do very well on numbers, but he's only lost once and he had excuses when 4th to Medina Spirit in the Kentucky Derby. Balanced attackers have fared well over the last 13 years and 'Quality may be able to give Brad Cox the Exacta. 'Spirit figures to hang on gamely while Art Collector and Max Player are capable of tracking the pace and finishing evenly and both are eligible to impact the Superfecta.

CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Essential Quality :23.5 - Max Player :24.5 - Tripoli :24.6

### HORSE COMMENTS

**Tripoli** won the Pacific Classic at this trip here Aug 21, a race in which he was able to track the pace. He was farther behind Medina Spirit in the Awesome Again Oct 2 and gave way after being asked into the stretch. This group may be too far in front of him early for him to be effective.

**Express Train** is probably only entered because they don't have to ship him. He outfinished Tripoli Oct 2, but was no threat to the winner, and struggled in the Pacific Classic.

Hot Rod Charlie has been among the four best sophs all year. He gets French Cup blinkers (they are on the small side) after failing to maintain a straight course in his last two starts. He was first under the wire in both, can track the pace or set it as he did in the Pennsylvania Derby and should be well placed from the bell. He maintained a straight course and looked strong working in blinkers here on Saturday.

Essential Quality doesn't put up flashy numbers, but the 2020 2-yo Champion has only lost once to date and he had excuses when he finished 4th behind Medina Spirit and Hot Rod Charlie in the Kentucky Derby. He has been in steady training since winning the Travers Aug 28, a neck win over Midnight Bourbon, the horse that 'Charlie beat by two lengths in the Pa Derby (and caused to fall mid-stretch in the Haskell July 17). There is plenty of speed to set up his balanced attack. All he does is win and he's likely better than the Charting suggests.

Knicks Go is a dedicated frontrunner that is almost never under any early pressure. He's only lost twice since joining Brad Cox's barn (he also trains Essential Quality) and had excuses in both losses. The 5-yo dominates on paper, but will be trying to get this distance for the first time and may be pressured early by sophs Medina Spirit and Hot Rod Charlie. Those are **Art Collector** ran off four consecutive wins during 2020 and is out to run his 2021 winning streak to four after going wire-to-wire to win the Woodward Oct 2. He loses his regular rider to Essential Quality, but Mike Smith is an able replacement and a great judge of pace. He's capable of tracking the pace and his Pace Ratings suggest that he'll have to sit in the second flight to have any chance of extending his winning streak.

Stilleto Boy tracked Medina Spirit while saving ground (with the bias) in the Awesome Again and finished steadily to hold 2nd at 54/1. He figures to be an even longer price today and figures down the list.

Medina Spirit is still the Kentucky Derby winner and he's 2-for-2 on the comeback trail. His numbers improved when he was best in the Awesome Again Oct 2, a race in which he benefited from an inside speed bias. He's been working early in the a.m. with stablemate Ax Man and Baffert has had Ax Man press him from the outside in each drill, likely to mimic what might happen in today's race. He went much easier than Ax Man Oct 15 and Oct 22, but Ax Man appeared to be going easier last Friday. Bad works mean less than good works and our workout analyst gave that Oct 29 move a solid assessment. Your correspondent has watched the work twice on tape and was less impressed by that last work.

Max Player comes into this having won back-to-back 10-panel Graded Stakes, most recently when best in the Jockey Club Gold Cup Sept 4. He tracked the pacesetter in those wins and will likely take up position in the second flight again. However, he was sitting 2nd while relatively close in those wins and he may have to work really hard to stay in contact with the likes of Knicks Go. That could cost him late.

# **TRACK BIAS**

Race tracks play differently every day due to weather, track maintenance, etc. Sometimes the track seems to favor no particular running style and no part of the track seems better than another. That's not always the case, though, and trip handicappers have long made their money by noting whether the track favored one type of running style or another and then following the horses that ran 'against the bias'. We divide track bias into two types on the main track. There are running style biases in which either horses with speed, we call them Front Runners in this table, or no early speed, Late Runners, have an advantage. There are also days when the rail is better than the outside and vice versa. These biases run from moderate to strong to dominant. We will code the biases as follows: 1= Moderate, 2= Strong, 3 = Dominant. The strong and dominant biases deserve the most attention. In turf racing, we report the position of the auxiliary rails, as the position of the temporary rails can affect which running styles win. Watch for our **new track profile by position of the rail**. It's in the Digest most everyday now.

# HANDICAPPING FACTORS

(Column B on each race page contains the following numbers that refer to these factors.

- FIRST TIME STARTER Horses with some racing experience, even when limited, often perform better than first-time starters even though the latter may have greater potential
- 2. **LIVE HORSE** – It appears this horse is ready for a top
- 3. **DISTANCE CAPABILITY** – This distance may present a problem for this horse
- **EQUIPMENT CHANGE -** Any equipment change may affect a horse's performance, and this horse is scheduled for a change today.
- TROUBLE PRONE Certain horses encounter trouble frequently, often being self-caused, such as not running straight, starting slowly, etc. This one seems to be that
- **WEIGHT** This horse is carrying enough weight to cause a problem
- 6b. WEIGHT - This horse is carrying little or less weight. It may be an advantage
- INSIDE POST POSITION This inside post position may 7.
- cause a problem for this horse at this distance.

  OUTSIDE POST POSITION This outside post position 8. may cause a problem for this horst at this distance.
- PACE The probable pace or speed in the early part of 9. this race may not be suitable to the racing style of this horse
- 10c. HIGHER CLASS This horse is being tried at a higher
- 10d. LOWER CLASS This horse is being tried at a lower level
- FEMALE vs. MALE Since it usually takes a better-than-11. average female to beat an average male, there could be a problem here
- FOREIGN RACES Previous races for this horse were out of this country. It is difficult to appraise them.

  RELEASED FROM CLAIMING JAIL – This horse could
- be dangerous. He is out of Jail and back to a lower level. (See Glossary under 'Jail').
- **WORKOUTS** Horsemen vary in their training methods and horses vary considerably in their requirements for conditioning, hence, while workouts give some indication of a horse's fitness, they can be greatly influenced by the training methods being employed. Therefore, reliance on the speed of workouts may be dangerous, as may be the
- IN-THE-MONEY This horse appears to have all the elements suitable for an in-the-money performance.
- 15a. IN-THE-MONEY This horse appears to have most of the elements suitable for an in-the-money performance.
- LONG LAYOFF or RECENCY Horse is coming off a layup of more than 90 days and the lack of racing is a pótential negative.
- LEG WRAPS A horse racing with leg wraps may have some physical trouble or suspected weakness, and this horse has been wearing them.

  AGE – The age of this horse is not consistent with that of
- his competition. A young horse against mature horses or a particularly old horse against younger horses may be at a disadvantage.

  IMPROVING – This horse seems to be improving or
- should improve in this field. **LONGSHOT** Some indicators that are present when
- horses surprise with a good performance at high odds are noted.
- 21. FITS RACE This horse seems to fit this race.
  21c. FITS RACE This horse seems to fit this race except for class
- 21d. FITS RACE This horse seems to fit this race except for the distance.
- 21r. FITS RACE This horse seems to fit this race except for a lack of recency
- **CONDITIONS HORSE** The conditions for eligibility are ideal for this horse.
- WORK READY Previous patterns and/or special circumstances make recent works very important here.
- SURFACE The type of surface for this race may not suit
- BETTING If the betting on this horse is heavier than expected contention is likely.
- VETO There is no justification for a win to be expected.

# Today's Racing Digest

# **EXPLANATION OF LAYOUT AND FEATURES**

**TODAY'S RACING DIGEST** is designed to simplify the handicapper's job by evaluating past performances and relating them to today's race. To that end, the Digest provides the following on each page:

- Distance This is the distance of this particular race. If this was a turf race, we'd also note that here.
- Conditions We list the race conditions here. This particular race is a Starter Allowance
- 3. Track Profile This feature gives you an idea of what kind of running styles (e.g., frontrunners, pressers, etc.) have been winning at the race's distance. We list the number of races included in our study (22, in this case), then list the type of running style and the win-percentage. For example, Frontrunners ("F") have won 22.7% of the 22 races at this distance while Late-Runners ("R") have won just 4.5%. (F=frontrunner, P=pressers, M=midpackers, R=Late-Runners.)
- Race level The Digest assigns a number to each type or class of race. In this case, the race is a 130 on our class scale. This number allows you to compare races of different types to determine which races are stronger, the same class or weaker. Five points equals one class level.
- 5. Race Conditions This is an abbreviation of the Conditions of the race.
- Purse This is how much money is up for grabs for this race. In most cases, the winner usually receives about 55 percent of the purse.
- 7. AFTL The acronym stands for Average For The Level and are "par" times for the class. In other words, this class of animal should run these times over a normal surface. Compare the horse's times listed in their Data Lines (past performances) to the AFTL to see which horses have come close to running to par for this class.
- 8. Favorites We list the percentages for winning favorites and favorites in the money under these class, age, surface, and distance conditions. Believe it or not, certain races produce more upsets than others and we try to give you the heads up by providing these stats.
- 9. Horse We list the horses' names here, in post-position order. Also, sometimes you'll see a symbol after the name and this indicates the horse is having some type of equipment change. For instance, a "#" indicates the addition of blinkers, a "@" indicates blinkers are coming off and. FBH indicates a Foreign-bred horses. We also note betting entries by a letter ("A" or "B") before the name.
- 10. Jockey This lists the jockey for each horse. When you see a dot (".") after the jockey's name, it means this jockey is replacing the jockey used from the previous race. An "x" after the jockey's names indicates he is an apprentice.
- 11. Fire Number This is the horse's FIRE Number, a speed figure that takes into account each and every time recorded by the horse during the running of a race. The higher the number, the faster the horse.
- Weight & Change We list how much weight the horse is expected to carry here, as well as the difference between today's weight and the weight carried in its last race.
- Age/Sex How old is the horse, you say? We list that here, along with the horse's sex. (c=colt, g=gelding, r=ridgling, f=filly, m=mare)
- 14. RRL Recent Race Level. This is the Race level of the horse's last race. Compare this number to the Race level in the Race Header to quickly determine whether the horse is up or down in class.
- 15. RCL Recent Competitive Level. We list the Race level where the horse has recently been competitive. An "x" in this column indicates a horse hasn't been competitive at any level recently.
- 16. CPR Comprehensive Performance Rating. Another Digest speed figure, this one is the oldest of the Digest's speed numbers. Once again, the higher the number, the faster the horse.
- 17. **Total** This column is the total of RCL + CPR. It gives you a class and speed figure all in one.
- PER Performance Early in Race. We list the running styles for each horse. Just as
  we list in the Track Profile feature, F=frontrunner, P=presser, M=midpacker, R=laterunner.
- 19. Handicapping Factors Each horse usually receives certain Handicapping Factors (HF), which serve as a type of shorthand for us to communicate certain things about a horse to you. Most important in this column is our "push" factors. When we like a horse we'll use a 2 (love the horse), 15 (really like), 15a (like) or 20 (longshot).
- Equipment This is the equipment the horse has been or is scheduled to wear.
   B=blinkers, FW=front wraps, 4W= four wraps,
- 21. **Trouble** If the horse was in trouble in any of its races, we list that here. A "1" indicates a horses last race, a "2" a race back, etc. If the number is in parentheses (e.g., (2)), that means it was self-caused trouble.
- Off Track If the horse is proven over an off track, we list the Track Variant for that day here.
- 23. Best Prev Sur Dis Best Previous CPR on the surface or distance. Pretty self explanatory. Whatever the distance or surface of today's race, we note the best CPR he's earned.
- Past Class Whatever the horse's highest proven Race level, it's listed here. This let's
  you know how classy a horse once was.
- Average RCL This is an average of the horse's recent Race levels where it has been competitive.
- Last CPR Simple, it's the CPR (remember, the CPR is a speed figure) from the horse's last race.
- Fractional Chart Order of Finish Lists the top finishers according to the Digest's
  popular Fractional Charting (a projected race using representative performances from
  each participant in today's race).
- 28. Average Times The times listed on the ET (Expected Times) row are those expected 58. from today's field based on previous performances (these are the best times at each call in the Fractional Charting). The AT (Average Times) are based on the times high class horses run at the distance/surface. The AFTL (Average For The Level) times are the "par times" for today's class of runners. In other words, they are the average times

- run by horses at today's particular class level.
- Analysis In this section, Digest handicappers provide their assessments of today's race, emphasizing pace and class and highlighting contenders and top plays.
- Closers Which horses finish fastest? We provide the top finishers here. This information is compiled from the Fractional Charting.
- Horse Comments Digest provide information about each horse and assess their chances.
- 32. **Horse name** Simply put, this is the horse's name. Just so you know, a horse's name is limited to 18 characters and spaces...that's the rules.
- 33. Trainer/Jockey The horse's trainer and today's rider are listed, along with their record (starts, wins, 2nds, 3rds) when teaming up over the past three months. In this instance, trainer Powell and jockey Rosario have had 10 starters together, with two wins, no 2nds and one 3<sup>rd</sup> the past three months.
- 4. Age/Breeding The first number is the horse's age, followed by his sex. After the dash (-), the horse's sire is listed. In parentheses is the sire's offspring's win percentage on turf (T), synthetic (S), and in the mud (M). This is followed by the horse's dam, which is then followed by the dam's sire (a.k.a. the mom's dad).
- 35. Trainer Stats We list all the pertinent trainer stats in this section, such as the trainer's record from his last 15 starters (LAST 15) and how the trainer does with any moves the horse may be making today (i.e., going from dirt to turf (D/T), route to sprint (R/S), etc.).
- Notes What trouble has the horse encountered and when? The Digest lists this in abbreviated fashion.
- Course Records Shows how the horse has done sprinting or routing over today's surface. We also list the overall record on the surface whether it is sprints or routes.
- 38. Works Recent workouts are shown here. The info includes the track, the date, the time of the work, the condition of the surface and how the work ranked relative to other times recorded that day.
- 39. Last 10 FIRE These are the last 10 FIRE numbers earned for the horse, just for convenience
- Track Indicates at what track the horse's race occurred.
- Date & Race Lists the date (MM/DD/YY) and the race number (after the dash) of the horse's race.
- 42. Distance/Surface This is the distance, as well as the surface of the race. "T" indicates the race was a turf race. Sprints (under one mile) are noted in furlongs, whereas routes (one mile and over) are noted in miles, plus additional distance.
- 43. Post Position & Key Race Winners The first number is the horse's post position for the race, followed by the total number of all the horses in the field. The numeral after the dash indicates how many horses returned from the particular race to win their next starts. Theoretically, the higher the number, the stronger that particular race.
- 44. **Weight** This is the weight carried by the horse.
- 5. Trainer/Jockey The horse's trainer and jockey for the particular race is noted here.
- 46. Track Condition Was the track fast, muddy or sloppy? Was the turf firm or good? We note that in abbreviated form here. (FM = firm, FT = fast, GD = good, etc.)
- 47. Track Bias A tremendous Digest feature. This column displays any bias that was in effect during the horse's race. We note the type of bias (O = outside, I = inside, F = speed bias, L = late-runner bias) as well as the strength of the bias on a scale of 1 to 3, with 1 being a mild bias and 3 being a dominant bias.
- 8. **Race Type** Lists the type of race in abbreviated format.
- Race Conditions These are the conditions of the Race Type.
- 50. RCL Race Competition Level. The level represents the strength of the race on the Digest's class scale. Comparing these numbers to one another allows the handicapper to see if the horse was moving up or down in class from race to race.
- CPR The number is one of the many Digest speed figures. This is the horse's CPR for each race.
- 52. Finish Position & Beaten Lengths The first number is position the horse finished the race, followed by how many lengths he was beaten (or won by if the first number is a "1") crossing the wire.
- 53. Odds The Digest lists both the horse's Morning Line odds and the Actual Odds at post time. This gives you an idea if the horse was bet (perhaps he was "live") or not ("dead on the board"). The 'indicates the horse was the post time favorite.
- 54. Track Variant Sometimes surfaces can be slower or faster than normal for various reasons, usually due to weather or track maintenance. The variant adjusts the surface speed to account for these variances, and we list it here just because we believe in transparency.
- 55. Position at Each Call & Beaten Lengths The first number is the horse's position at each call followed by his/her time at those calls (these are not the leaders times, they are this horse's particular times for the race). All times are adjusted to today's distance and surface, taking into account differences in track pars and variants (routes are adjusted to route and sprints to sprints, but not routes to sprints or vice versa). This allows for easy comparison among different distances and between tracks. In essence, the Digest does all the work so you don't have to.
- 56. **Last Fraction** The final fraction the horse earned in the race. The final fraction has also been adjusted to account for differences in tracks, surfaces, pars and variants.
- 67. Pace & Final Time Ratings Under the first column is the Pace Rating earned, a number which takes into account the speed the horse displayed through the first two calls. The second column lists the Final Time Rating, a speed figure that takes into account only the final time of the horse.
- Equipment All the equipment worn by the horse for its race is listed here. (L=Lasix, b=blinkers, 4=four wraps, F=front wraps, C=the horse was claimed out of the race).

**ANALYSIS:** All six of these plot within less than three lengths at the wire, and they appear about that hard to separate. Looking for a price, we have some interest in Warrens Stormalert as a potential improver. He was 30 CLOSERS: Fastest in the stretch in recent races at or near this distance ambitiously placed in the Snow Chief Stakes April 25, his first as a winner and first route, and, though he faded toward the rear, the effort figures OK

with these. Low-profile connections should prompt some decent odds, so he's the HF 20 (longshot).

have been: Green Card James :31.0 - Benezit :31.3 - Troubletimesthree

#### HORSE COMMENTS

**Troubletimesthree** has usually run pretty well in five starts at this level, but was favored in three of them and finished farther back than usual April 15. He charts in the hunt, but he seems to have a bit to prove.

NOTES: Outrun April 15. Mild rally March 18. Mild wide rally Feb 19.
Lacked racing room entering the stretch Jan 25.

Warrens Stormalert is bred to route, but the April 25 jump up to the Snow Chief Stakes for his first try with winners and initial route was pretty ambitious. He tracked a Lone 'F' leader and faded badly. Still, the effort gives him a shot on paper, so he can't be denied a chance on the drop. NOTES: Wide around the first turn, chased and tired April 25.
