Today's Racing Digest FAQ

What is Today's Racing Digest? For over 47 years Today's Racing Digest has specialized in California racing, producing handicapping information in both a Southern and Northern California issue in print and on-line at www.todaysracingdigest.com. Today's Racing Digest has, and always will be, dedicated to the survival of the horseplayer.

What makes Today's Racing Digest different from other racing publications? The Digest offers many features that cannot be found in other horseracing publications. Features such as track bias, Pace Ratings, which measure early speed, and a "paper race" called the Fractional Charting which compares each horse in today's race based on a representative past performance. A page dedicated entirely to workout analysis has always been a popular feature, along with "Hot & Cold" trainer reports, a Claim Box report for owners and trainers, and our Better-Than-Looked List, which highlights horses exiting troubled or exceptional performances.

What are Data Lines? A horse's Data Lines can be found under the name of each horse on the race page. Often called "running lines" and "past performances", the Digest's Data Lines are unique in that the times for each race are adjusted to today's distance, taking into account track pars and the track variant (the speed of the track). This allows for an accurate and easier comparison when horses are coming together after racing at different distances and/or surfaces. Also listed in the Data Lines are the conditions of the horse's previous races, jockeys, track, track condition, finish position, track bias and morning line (ML) and actual odds (A).

Does the Digest offer performance ratings or speed figures? Today's Racing Digest prides itself in offering numerous performance figures for the handicapper. Pace and Final Time Ratings can be found at the end of each Data Line and are the most popular. The Pace Rating measures early speed, while the Final Time Rating assigns a figure for the final time. The Digest also offers the CPR (Comprehensive Performance Rating) and FIRE Number, ratings which take into account each time recorded in the race and put it all together in one number.

Where can I find a copy of Today's Racing Digest? Today's Racing Digest can be purchased at every major track in California, as well as major satellite facilities. The Digest is also sold at selected retail outlets throughout the state, and is usually available 24 hours before first post. For a location nearest you or for the number of your local distributor, please call (858) 453-0424 or email distribution@todaysracingdigest.com. The Digest, along with a stable full of simulcast handicapping information, can also be purchased on-line at www.todaysracingdigest.com. On our web-site you can purchase all issues of Today's Racing Digest for tracks across the country at a discount in price and selections from our stable of handicappers. There are also numerous "free" areas, such as the Daily Money Plays, Feature Races, and Week In Review, which provides commentary on all the previous week's races. Give it a look. We think you'll like what you see.

GULFSTREAM FRACTIONAL TIME COMPARISONS

Shown below is the order of finish that would be likely if each horse repeated a representative race. There are many reasons why this may not happen. Foremost of these is that, like humans, horses have good and bad days. Also, today's race may differ from the representative race due to changes in the post position, weight carried, class, track, surface, pace characteristics etc. Nevertheless, plotting and studying times from previous performances is a basic part of handicapping. If the representative race was not on a normal track, the times shown have been adjusted by the track variant applicable. The underlined fractions indicate the leader(s) at that particular point in the race. Except for the LF = Last Fraction, which indicates the fastest closer(s). X = No recent or available time at or about the distance. The date of the selected, representative race is shown followed by a number indicating how many races back it was.

RACE APPRAISAL

ANALYSIS: A big day starts off with a large field of Maidens routing on the grass and it might be a good time to take a shot at a price. **All In Stew Oui** was a solid 4th debuting with straight Maidens in a dirt sprint for a barn that doesn't crank them up first time out Nov 17 at Churchill. He then had a big excuse in his second dirt sprint when he hit the gate and stumbled at the break here Dec 23. His odds figure to go way up after that last effort and he has very good turf breeding. He could surprise, HF 20 style. **Olympic Runner** was a solid 4th debuting in a turf sprint with this kind Dec 22. He could improve stretching out in start #2 and merits respect. Mark Casse also has rookie **Broadway d'Oro** entered. That one is a \$700,000 yearling purchase that has worked 11 times since Nov 10 and could be

well meant. Watch the betting on these two Casse entrants for more clues. **Value Engineering** is a \$250,000 yearling from the Chad Brown barn. He's worked 11 times since Nov 10 and has to be respected given the connections. **Thetrashmanscoming** has run 3rd in four straight with this kind on dirt. He tops the charting, so we can't rule him out, but grass is a question mark and he has already started eight times. **Traveling** ran poorly in his debut on turf with this kind Oct 6 at Belmont, but finished 2nd after setting the pace with similar here in a race taken off the grass Dec 21. He's another with some proving to do on turf, but would appear a contender based on that last good effort.

RACE APPRAISAL

ANALYSIS: Stormy Liberal and World Of Trouble were separated by a neck when 1-2 in the Grade I B.C. Turf Sprint at Churchill Nov 3. Liberal, a two-time B.C. Turf Sprint winner, then had a four-race win streak snapped when 2nd in a Grade III at Santa Anita Jan 1. He could easily rebound and is probably the one to beat. We say probably because World Of Trouble came out of that neck loss to Liberal Nov 3 and won a State-bred Stake in the slop at Tampa by 13 lengths Dec 15. He's won three of his last four and was impressive in all four efforts. He might be ready to lay claim to top turf sprinter and is our HF 15a. Surprisingly, neither wins the paper race. That honor goes to Recruiting Ready, who

earned a big rating beating \$100K Stake foes on dirt at Aqueduct Dec 23. He's never run on turf, but has won two of his last three and could be a factor if he handles the new surface. Pay Any Price had rattled off four straight wins before running 3rd in a \$100K Stake here Dec 29. He also could be a factor, although we'll have trouble going any deeper than our top two in serial bets.

CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Oak Bluffs :10.7 - Singandcryindubai :10.8 - Recruiting Ready :11.0

RACE APPRAISAL

ANALYSIS: This mile Maiden heat seems to have plenty of ability signed on. **Tripwire** tops the mini-charting off his near miss in a Grade III on synthetic at Woodbine Oct 21. He came back to run 4th in a restricted Stake up there Nov 18, but could be a big threat dropping into the Maiden ranks since a near miss in his debut Sept 12. The question mark for him would be how he'll handle the dirt, but we'll give him the benefit of the doubt and the HF 15a. **Bodexpress** set the pace and held 2nd in his second sprint with similar Dec 23. He earned a big rating that day and could take some catching stretching out to a mile. **Identifier** has run 2nd in his first three starts with this kind, all routes. He is moving from two turns to one in this mile race, but would be no surprise. **Lahinch** finished 3rd debuting in a sprint with this kind Dec 30, and that was after he hit the gate

at the break. He could get overlooked in this field and is our HF 20. **Samaronti** and **High Amplitude** are rookies from the Chad Brown barn. **Samaronti** is a \$725,000 yearling purchase that has worked nine times since Oct 21, while **High Amplitude** is a \$110,000 yearling that has worked 11 times since Nov 2. It seems Samaronti would be the more dangerous of the two and that might be the case. Watch the betting for more clues. **Bye Bye Man** is a \$285,000 yearling from the Pletcher barn that has worked 12 times since Nov 3. We'd normally give him a long look, but Pletcher also entered **Ranger Up**, who rallied for 2nd after a slow start debuting with similar at Tampa sprinting in the slop Dec 15. That one adds blinkers and gets the barn's 'go to' rider, so he might be the more dangerous of the two.

RACE APPRAISAL

ANALYSIS: The Peter Miller barn is loaded with quality turf sprinters in So Cal, so he ships a couple of them for this \$150K Stake. **Painting Corners** won a mid-level Allowance Aug 24, repeated in a Classified Allowance Oct 6 and ran 2nd in a Grade III Nov 3. She finished a distant 4th behind her barnmate in a Stake taken off the grass Jan 12, but could rebound in a big way returning to the grass and is our HF 15a to run to her position atop the charting. Barnmate **Surrender Now** is a perfect 2-for-2 in turf sprints beating mid-level Allowance foes July 19 and Classified Allowance foes Aug 26, both at Del Mar. She's worked 12 times since Nov 6 and has to be respected. **Morticia** and **Smiling Causeway** finished 2-3 in a \$100K Stake here Dec 29. **Morticia** was competitive in a Grade III three starts back and rates contender status. **Smiling Causeway** has finished in the money in two straight Stakes and could grab another share. **Miz Mayhem** beat **Smiling Causeway** and **Morticia** winning a Stake at Tampa Dec 1,

but then finished 5th behind those two here Dec 29. There seems to be a lot of taking turns with this bunch, so we'll make **Mahem** the HF 20. **Just Talkin** and **Cherry Lodge** ran 2-3 in this race last year when both went off at double-digit odds. **Talkin** comes into this year's event with modest form, while **Lodge** didn't run again until a win in a mid-level Allowance at Keeneland Oct 18, but faded badly when tried in a Grade III route here Dec 15. She could rebound returning to the short game in her third off the layoff and at least rates some exotics consideration. **Blue Bahia** set the pace and finished 3rd in a comeback Stake Dec 1. She faded badly in this race last year as the favorite, but could be a factor at a better price this time around. **CLOSERS:** Fastest in the stretch in recent races at or near this distance have been: Cherry Lodge :10.8 - Pastime :10.9 - Razorback Lady :11.3

RACE APPRAISAL

ANALYSIS: Capla Tempress ran on Lasix in the B.C. Juvenile Turf in 2017, but went medication free until she was put back on Lasix for her last start. She responded with a strong win in a Grade III Dec 15 and that effort co-tops the charting. We'll make her the HF 15a right back. Road To Victory won her first three starts, including a Grade II on dirt in her second start in 2017 and a 3-year-old \$100K Stake sprinting on grass June 9. She finished 2nd in her last start in a 3-year-old Grade II route on dirt at Belmont June 30, but has worked eight times since Nov 8 for her 4-year-old bow. She could be dangerous if she's cranked up and has matured in the time off. Watch the betting for more clues. Andina Del Sur ran 2nd in a \$200K Stake at Belmont Oct 13 and exits a near miss in a \$75K Stake here Dec 29. She co-tops the charting and rates contender

status. Dolce Lili finished 3rd in a Stake taken off the grass at Aqueduct Nov 23, but was 1st or 2nd in her last three turf races vs. Allowance types. She could be a factor and we'll be curious to see if she takes action or is overlooked. Fire Key has been sprinting on the grass and won a couple of turf sprint Stakes for Kelly before a midpack finish in a \$100K Stake here for Catanese Dec 29. The blinkers come off and she might rate some longshot consideration in only her second try routing (she was 2nd in her only other turf route in 2016). We'll make her the HF 20.

RACE APPRAISAL

ANALYSIS: Chad Brown, who has become this nation's top turf trainer, is represented by **Bricks and Mortar** and he also trained **Catapult** in 2017. **Bricks and Mortar** was a Grade 2 winner during his sophomore season in 2017 and returned from a 14-1/2 month break to make his lone 4-year-old start a winner, as he rallied to win a Classified Allowance going a mile here Dec 22. That should have served as a valuable prep, he shows three works since raced and he plots right on top. **Catapult** was sent to California for his 5-year-old season and he finished 1st or 2nd in all four starts for John Sadler. The balanced-attacker has not lost a step and

figures close. He's the first alternative. **Next Shares** gave way in the Breeders' Cup Mile Nov 3, but sandwiched that disappointing effort between three wins. He more than holds his own on paper, but may still offer some betting value. All three should be finishing smartly in a race in which the mare **Fahan Mura** should carve out another strong pace. She has Lone 'F' potential and might be able to run the others off their feet. She has upset potential as a result.

CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Magic Wand :14.9 – Yoshida :15.3 – Next Shares :15.4

RACE APPRAISAL

ANALYSIS: The Breeders' Cup Classic produced the winner of the first two editions of the Pegasus World Cup and 2018 BC Classic winner **Accelerate** is favored to extend that streak. **Accelerate** looks better on the track than he does on numbers. He's the New England Patriots of racing these days. He won six of seven starts and \$5M in 2018 and can add another \$4M to his bankroll with a win today. He's trained well at Santa Anita, proved that he could ship last time and rates to billing. **City of Light** went wire-to-wire to win the Breeders' Cup Dirt Mile in fast time Nov 3. He's the last horse to have beaten **Accelerate**, as he edged him in the Oaklawn Handicap. He was beaten by **Accelerate** in the Gold Cup at Santa Anita May 26, but deserves first alternate status again today.

Shopping for a price? There are two solid options. **Tom's d'Etat** is just coming into his own after winning a Stakes at the Fair Grounds Dec 22. That was his fourth consecutive win and he has a stalking style that should play well. **Kukulkan** won the Caribbean Cup as the 3/5 favorite Dec 8. He won his first 13 starts in Mexico and the undefeated 4-year-old wins the paper race based on his 10-length win last time. The Caribbean Cup card was hard to assess from a numbers standpoint, as few of the entrants had previously run in the States. **Kukulkan** is 30/1 on the line and that's awfully generous for an undefeated horse. He's the official HF 20. **CLOSERS:** Fastest in the stretch in recent races at or near this distance have been: Audible :37.3 - Kukulkan :37.4 - Gunnevera :37.6

HANDICAPPING FACTORS

(Column B on each race page contains the following numbers that refer to these factors.)

1. **FIRST TIME STARTER** - Horses with some racing experience, even when limited, often perform better than first-time starters even though the latter may have greater potential.
2. **LIVE HORSE** - It appears this horse is ready for a top performance.
3. **DISTANCE CAPABILITY** - This distance may present a problem for this horse.
4. **EQUIPMENT CHANGE** - Any equipment change may affect a horse's performance, and this horse is scheduled for a change today.
5. **TROUBLE PRONE** - Certain horses encounter trouble frequently, often being self-caused, such as not running straight, starting slowly, etc. This one seems to be that type.
- 6a. **WEIGHT** - This horse is carrying enough weight to cause a problem
- 6b. **WEIGHT** - This horse is carrying little or less weight. It may be an advantage.
7. **INSIDE POST POSITION** - This inside post position may cause a problem for this horse at this distance.
8. **OUTSIDE POST POSITION** - This outside post position may cause a problem for this horse at this distance.
9. **PACE** - The probable pace or speed in the early part of this race may not be suitable to the racing style of this horse.
- 10c. **HIGHER CLASS** - This horse is being tried at a higher level.
- 10d. **LOWER CLASS** - This horse is being tried at a lower level.
11. **FEMALE vs. MALE** - Since it usually takes a better-than-average female to beat an average male, there could be a problem here
12. **FOREIGN RACES** - Previous races for this horse were out of this country. It is difficult to appraise them.
13. **RELEASED FROM CLAIMING JAIL** - This horse could be dangerous. He is out of Jail and back to a lower level. (See Glossary under 'Jail').
14. **WORKOUTS** - Horsemen vary in their training methods and horses vary considerably in their requirements for conditioning, hence, while workouts give some indication of a horse's fitness, they can be greatly influenced by the training methods being employed. Therefore, reliance on the speed of workouts may be dangerous, as may be the case here.
15. **IN-THE-MONEY** - This horse appears to have all the elements suitable for an in-the-money performance.
- 15a. **IN-THE-MONEY** - This horse appears to have most of the elements suitable for an in-the-money performance.
16. **LONG LAYOFF or RECENCY** - Horse is coming off a layup of more than 90 days and the lack of racing is a potential negative.
17. **LEG WRAPS** - A horse racing with leg wraps may have some physical trouble or suspected weakness, and this horse has been wearing them.
18. **AGE** - The age of this horse is not consistent with that of his competition. A young horse against mature horses or a particularly old horse against younger horses may be at a disadvantage.
19. **IMPROVING** - This horse seems to be improving or should improve in this field.
20. **LONGSHOT** - Some indicators that are present when horses surprise with a good performance at high odds are noted.
21. **FITS RACE** - This horse seems to fit this race.
- 21c. **FITS RACE** - This horse seems to fit this race except for class.
- 21d. **FITS RACE** - This horse seems to fit this race except for the distance.
- 21r. **FITS RACE** - This horse seems to fit this race except for a lack of recency.
22. **CONDITIONS HORSE** - The conditions for eligibility are ideal for this horse.
23. **WORK READY** - Previous patterns and/or special circumstances make recent works very important here.
24. **SURFACE** - The type of surface for this race may not suit the horse.
25. **BETTING** - If the betting on this horse is heavier than expected contention is likely.
86. **VETO** - There is no justification for a win to be expected.

TODAY'S RACING DIGEST is designed to simplify the handicapper's job by evaluating past performances and relating them to today's race. To that end, the Digest provides the following on each page:

1. **Distance** – This is the distance of this particular race. If this was a turf race, we'd also note that here.
2. **Conditions** – We list the race conditions here. This particular race is a Starter Allowance.
3. **Track Profile** – This feature gives you an idea of what kind of running styles (e.g., frontrunners, pressers, etc.) have been winning at the race's distance. We list the number of races included in our study (22, in this case), then list the type of running style and the win-percentage. For example, Frontrunners ("F") have won 22.7% of the 22 races at this distance while Late-Runners ("R") have won just 4.5%. (F=frontrunner, P=pressers, M=midpackers, R=Late-Runners.)
4. **Race level** – The Digest assigns a number to each type or class of race. In this case, the race is a 130 on our class scale. This number allows you to compare races of different types to determine which races are stronger, the same class or weaker. Five points equals one class level.
5. **Race Conditions** – This is an abbreviation of the Conditions of the race.
6. **Purse** – This is how much money is up for grabs for this race. In most cases, the winner usually receives about 55 percent of the purse.
7. **AFTL** – The acronym stands for Average For The Level and are "par" times for the class. In other words, this class of animal should run these times over a normal surface. Compare the horse's times listed in their Data Lines (past performances) to the AFTL to see which horses have come close to running to par for this class.
8. **Favorites** – We list the percentages for winning favorites and favorites in the money under these class, age, surface, and distance conditions. Believe it or not, certain races produce more upsets than others and we try to give you the heads up by providing these stats.
9. **Horse** – We list the horses' names here, in post-position order. Also, sometimes you'll see a symbol after the name and this indicates the horse is having some type of equipment change. For instance, a "#" indicates the addition of blinkers, a "@" indicates blinkers are coming off and, FBH indicates a Foreign-bred horse. We also note betting entries by a letter ("A" or "B") before the name.
10. **Jockey** – This lists the jockey for each horse. When you see a dot (".") after the jockey's name, it means this jockey is replacing the jockey used from the previous race. An "x" after the jockey's names indicates he is an apprentice.
11. **Fire Number** – This is the horse's FIRE Number, a speed figure that takes into account each and every time recorded by the horse during the running of a race. The higher the number, the faster the horse.
12. **Weight & Change** – We list how much weight the horse is expected to carry here, as well as the difference between today's weight and the weight carried in its last race.
13. **Age/Sex** – How old is the horse, you say? We list that here, along with the horse's sex. (c=colt, g=gelding, r=ridgling, f=filly, m=mare)
14. **RRL** - Recent Race Level. This is the Race level of the horse's last race. Compare this number to the Race level in the Race Header to quickly determine whether the horse is up or down in class.
15. **RCL** - Recent Competitive Level. We list the Race level where the horse has recently been competitive. An "x" in this column indicates a horse hasn't been competitive at any level recently.
16. **CPR** - Comprehensive Performance Rating. Another Digest speed figure, this one is the oldest of the Digest's speed numbers. Once again, the higher the number, the faster the horse.
17. **Total** – This column is the total of RCL + CPR. It gives you a class and speed figure all in one.
18. **PER** - Performance Early in Race. We list the running styles for each horse. Just as we list in the Track Profile feature, F=frontrunner, P=presser, M=midpacker, R=late-runner
19. **Handicapping Factors** – Each horse usually receives certain Handicapping Factors (HF), which serve as a type of shorthand for us to communicate certain things about a horse to you. Most important in this column is our "push" factors. When we like a horse we'll use a 2 (love the horse), 15 (really like), 15a (like) or 20 (longshot).
20. **Equipment** – This is the equipment the horse has been or is scheduled to wear. B=blinkers, FW=front wraps, 4W= four wraps,
21. **Trouble** – If the horse was in trouble in any of its races, we list that here. A "1" indicates a horse's last race, a "2" a race back, etc. If the number is in parentheses (e.g., (2)), that means it was self-caused trouble.
22. **Off Track** – If the horse is proven over an off track, we list the Track Variant for that day here.
23. **Best Prev Sur Dis** - Best Previous CPR on the surface or distance. Pretty self explanatory. Whatever the distance or surface of today's race, we note the best CPR he's earned.
24. **Past Class** - Whatever the horse's highest proven Race level, it's listed here. This let's you know how classy a horse once was.
25. **Average RCL** – This is an average of the horse's recent Race levels where it has been competitive.
26. **Last CPR** – Simple, it's the CPR (remember, the CPR is a speed figure) from the horse's last race.
27. **Fractional Chart Order of Finish** – Lists the top finishers according to the Digest's popular Fractional Charting (a projected race using representative performances from each participant in today's race).
28. **Average Times** – The times listed on the ET (Expected Times) row are those expected from today's field based on previous performances (these are the best times at each call in the Fractional Charting). The AT (Average Times) are based on the times high class horses run at the distance/surface. The AFTL (Average For The Level) times are the "par times" for today's class of runners. In other words, they are the average times run by horses at today's particular class level.
29. **Analysis** – In this section, Digest handicappers provide their assessments of today's race, emphasizing pace and class and highlighting contenders and top plays.
30. **Closers** – Which horses finish fastest? We provide the top finishers here. This information is compiled from the Fractional Charting.
31. **Horse Comments** – Digest provide information about each horse and assess their chances.
32. **Horse name** – Simply put, this is the horse's name. Just so you know, a horse's name is limited to 18 characters and spaces...that's the rules.
33. **Trainer/Jockey** – The horse's trainer and today's rider are listed, along with their record (starts, wins, 2nds, 3rds) when teaming up over the past three months. In this instance, trainer Powell and jockey Rosario have had 10 starters together, with two wins, no 2nds and one 3rd the past three months.
34. **Age/Breeding** – The first number is the horse's age, followed by his sex. After the dash (-), the horse's sire is listed. In parentheses is the sire's offspring's win percentage on turf (T), synthetic (S), and in the mud (M). This is followed by the horse's dam, which is then followed by the dam's sire (a.k.a. - the mom's dad).
35. **Trainer Stats** – We list all the pertinent trainer stats in this section, such as the trainer's record from his last 15 starters (LAST 15) and how the trainer does with any moves the horse may be making today (i.e., going from dirt to turf (D/T), route to sprint (R/S), etc.).
36. **Notes** – What trouble has the horse encountered and when? The Digest lists this in abbreviated fashion.
37. **Course Records** – Shows how the horse has done sprinting or routing over today's surface. We also list the overall record on the surface whether it is sprints or routes.
38. **Works** – Recent workouts are shown here. The info includes the track, the date, the time of the work, the condition of the surface and how the work ranked relative to other times recorded that day.
39. **Last 10 FIRE** – These are the last 10 FIRE numbers earned for the horse, just for convenience.
40. **Track** – Indicates at what track the horse's race occurred.
41. **Date & Race** – Lists the date (MM/DD/YY) and the race number (after the dash) of the horse's race.
42. **Distance/Surface** – This is the distance, as well as the surface of the race. "T" indicates the race was a turf race. Sprints (under one mile) are noted in furlongs, whereas routes (one mile and over) are noted in miles, plus additional distance.
43. **Post Position & Key Race Winners** – The first number is the horse's post position for the race, followed by the total number of all the horses in the field. The numeral after the dash indicates how many horses returned from the particular race to win their next starts. Theoretically, the higher the number, the stronger that particular race.
44. **Weight** – This is the weight carried by the horse.
45. **Trainer/Jockey** – The horse's trainer and jockey for the particular race is noted here.
46. **Track Condition** – Was the track fast, muddy or sloppy? Was the turf firm or good? We note that in abbreviated form here. (FM = firm, FT = fast, GD = good, etc.)
47. **Track Bias** – A tremendous Digest feature. This column displays any bias that was in effect during the horse's race. We note the type of bias (O = outside, I = inside, F = speed bias, L = late-runner bias) as well as the strength of the bias on a scale of 1 to 3, with 1 being a mild bias and 3 being a dominant bias.
48. **Race Type** – Lists the type of race in abbreviated format.
49. **Race Conditions** – These are the conditions of the Race Type.
50. **RCL** – Race Competition Level. The level represents the strength of the race on the Digest's class scale. Comparing these numbers to one another allows the handicapper to see if the horse was moving up or down in class from race to race.
51. **CPR** – The number is one of the many Digest speed figures. This is the horse's CPR for each race.
52. **Finish Position & Beaten Lengths** – The first number is position the horse finished the race, followed by how many lengths he was beaten (or won by if the first number is a "1") crossing the wire.
53. **Odds** – The Digest lists both the horse's Morning Line odds and the Actual Odds at post time. This gives you an idea if the horse was bet (perhaps he was "live") or not ("dead on the board"). The "↑" indicates the horse was the post time favorite.
54. **Track Variant** – Sometimes surfaces can be slower or faster than normal for various reasons, usually due to weather or track maintenance. The variant adjusts the surface speed to account for these variances, and we list it here just because we believe in transparency.
55. **Position at Each Call & Beaten Lengths** – The first number is the horse's position at each call followed by his/her time at those calls (these are not the leaders times, they are this horse's particular times for the race). All times are adjusted to today's distance and surface, taking into account differences in track pars and variants (routes are adjusted to route and sprints to sprints, but not routes to sprints or vice versa). This allows for easy comparison among different distances and between tracks. In essence, the Digest does all the work so you don't have to.
56. **Last Fraction** – The final fraction the horse earned in the race. The final fraction has also been adjusted to account for differences in tracks, surfaces, pars and variants.
57. **Pace & Final Time Ratings** – Under the first column is the Pace Rating earned, a number which takes into account the speed the horse displayed through the first two calls. The second column lists the Final Time Rating, a speed figure that takes into account only the final time of the horse.
58. **Equipment** – All the equipment worn by the horse for its race is listed here. (L=Lasix, b=blinkers, 4=four wraps, F=front wraps, C=the horse was claimed out of the race).

RACE APPRAISAL

- 29 ANALYSIS:** All six of these plot within less than three lengths at the wire, and they appear about that hard to separate. Looking for a price, we have some interest in **Warrens Stormalert** as a potential improver. He was ambitiously placed in the Snow Chief Stakes April 25, his first as a winner and first route, and, though he faded toward the rear, the effort figures OK with these. Low-profile connections should prompt some decent odds, so he's the HF 20 (longshot).
- 30 CLOSERS:** Fastest in the stretch in recent races at or near this distance have been: Green Card James :31.0 - Benezit :31.3 - Troubletimesthree :31.

HORSE COMMENTS

- 31** **Troubletimesthree** has usually run pretty well in five starts at this level, but was favored in three of them and finished farther back than usual April 15. He charts in the hunt, but he seems to have a bit to prove.
NOTES: Outrun April 15. Mild rally March 18. Mild wide rally Feb 19. Lacked racing room entering the stretch Jan 25.
- Warrens Stormalert** is bred to route, but the April 25 jump up to the Snow Chief Stakes for his first try with winners and initial route was pretty ambitious. He tracked a Lone 'F' leader and faded badly. Still, the effort gives him a shot on paper, so he can't be denied a chance on the drop.
NOTES: Wide around the first turn, chased and tired April 25.
