Today's Racing Digest FAQ

What is Today's Racing Digest? For over 47 years Today's Racing Digest has specialized in California racing, producing handicapping information in both a Southern and Northern California issue in print and on-line at www.todaysracingdigest.com. Today's Racing Digest has, and always will be, dedicated to the survival of the horseplayer.

What makes Today's Racing Digest different from other racing publications? The Digest offers many features that cannot be found in other horseracing publications. Features such as track bias, Pace Ratings, which measure early speed, and a "paper race" called the Fractional Charting which compares each horse in today's race based on a representative past performance. A page dedicated entirely to workout analysis has always been a popular feature, along with "Hot & Cold" trainer reports, a Claim Box report for owners and trainers, and our Better-Than-Looked List, which highlights horses exiting troubled or exceptional performances.

What are Data Lines? A horse's Data Lines can be found under the name of each horse on the race page. Often called "running lines" and "past performances", the Digest's Data Lines are unique in that the times for each race are adjusted to today's distance, taking into account track pars and the track variant (the speed of the track). This allows for an accurate and easier comparison when horses are coming together after racing at different distances and/or surfaces. Also listed in the Data Lines are the conditions of the horse's previous races, jockeys, track, track condition, finish position, track bias and morning line (ML) and actual odds (A).

Does the Digest offer performance ratings or speed figures? Today's Racing Digest prides itself in offering numerous performance figures for the handicapper. Pace and Final Time Ratings can be found at the end of each Data Line and are the most popular. The Pace Rating measures early speed, while the Final Time Rating assigns a figure for the final time. The Digest also offers the CPR (Comprehensive Performance Rating) and FIRE Number, ratings which take into account each time recorded in the race and put it all together in one number.

Where can I find a copy of Today's Racing Digest? Today's Racing Digest can be purchased at every major track in California, as well as major satellite facilities. The Digest is also sold at selected retail outlets throughout the state, and is usually available 24 hours before first post. For a location nearest you or for the number of your local distributor, please call (858) 453-0424 or email distribution@todaysracingdigest.com. The Digest, along with a stable full of simulcast handicapping information, can also be purchased on-line at www.todaysracingdigest.com. On our web-site you can purchase all issues of Today's Racing Digest for tracks across the country at a discount in price and selections from our stable of handicappers. There are also numerous "free" areas, such as the Daily Money Plays, Feature Races, and Week In Review, which provides commentary on all the previous week's races. Give it a look. We think you'll like what you see.

GULFSTREAM FRACTIONAL TIME COMPARISONS

Shown below is the order of finish that would be likely if each horse repeated a representative race. There are many reasons why this may not happen. Foremost of these is that, like humans, horses have good and bad days. Also, today's race may differ from the representative race due to changes in the post position, weight carried, class, track, surface, pace characteristics etc. Nevertheless, plotting and studying times from previous performances is a basic part of handicapping. If the representative race was not on a normal track, the times shown have been adjusted by the track variant applicable. The underlined fractions indicate the leader(s) at that particular point in the race. Except for the LF = Last Fraction, which indicates the fastest closer(s). X = No recent or available time at or about the distance. The date of the selected, representative race is shown followed by a number indicating how many races back it was.

RACE APPRAISAL

ANALYSIS: This Maiden turf is loaded with lightly raced youngsters from strong barns, and it's tough to tell which might have just been prepping first time out and will wake up today. This seems like a big-time guessing game unless you decide to just follow the betting action to point to the 'live' runners. On other hand, being a contrarian and taking a shot with a couple of price horses could pay dividends in a race where everybody is basically guessing. **Figarella's Queen** and **Special Trip** are the two horses in this field that have earned 100+ Final Time Ratings in the Digest. **Figarella's Queen** turned in a solid dirt sprint prep in her debut when 3rd with this kind Sept 30. She should enjoy routing and turf and will also probably be a decent price. **Special Trip** woke up in start #2 when 2nd

with this kind in her first turf route Oct 22 at Belmont. She's worked five times since raced and also could be a decent price. We'll make the two 'figure' horses our gambling HF 15a's. **Miraculously** and **Got Stormy** ran 2-3 with this kind Dec 2. **Miraculously** has been 2nd in her first two and **Got Stormy** was debuting in that Dec 2 heat. Both could be a factor. **Show Girl** was likely just prepping when midpack in a dirt sprint debut with this kind Dec 10. She's bred to route and handle the turf, so we'll make her our HF 20. We didn't even touch on some of the horses from the really big barns. Tough race to start a big day. Good luck.
CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Got Stormy, Nile Rising :28.1 - Special Trip :28.9 - Moi :29.0

RACE APPRAISAL

ANALYSIS: Like the first, this is a Maiden field of lightly raced fillies, but it doesn't appear as 'deep' as that race. The experienced sprinters are automatically suspect because **Secret Pleasure** tops the charting off a 2nd with \$40,000 Maiden-Claimers. We didn't plot **Coach Rocks** off his poor debut sprint in August, and he's finished in the money in four routes with similar since, including a runner-up try when switched back to the main track Dec 17. That was a one-turn mile, so this seven-furlong trip should be right up his alley. He'll get the HF 15a. **Romantic Moment** was likely just prepping when 4th in his debut with this kind Dec 24. He'll add Lasix for start #2 and could move up several lengths. **Muchacha Uno** could also improve after running 3rd in his debut with this kind Dec 10. The runner-up from that race came back to win, and he'll also have blinkers added. His barn has been pretty cold (1-for-46) at the meet, though.

Cache and **Takechargedelilah** are rookies that merit tote and post parade checks. **Cache** is a \$500,000 yearling purchase that has worked 10 times since Nov 7 and could come out running if this isn't a prep for longer. **Takechargedelilah** is a \$170,000 yearling from the Pletcher barn that has worked 12 times since Oct 7. A good effort would hardly surprise. Speaking of expensive purchases from big barns, **Beyond Grace** was a \$1.5 million 2-year-old purchase by Brown. She hasn't been a factor in her first two starts with this kind, though, so she has a lot to prove. She's yet to race on a fast main track, though, so maybe we'll give her a longshot look, HF 20 style.
CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Secret Pleasure :38.2 - Muchacha Uno :39.0

RACE APPRAISAL

ANALYSIS: None of these have us running for the windows. **Apple Betty** easily won a Grade III at Keeneland at this distance Oct 22. She's won two of her last three, tops the charting off that last win and has worked seven times since raced. She's our HF 15a. **Summersault** just missed to Apple Betty in a marathon Stake at Belmont in July and just missed in a Grade III marathon at Saratoga Aug 5. Her last three races haven't been great, but she was 4th in a Grade III at Aqueduct Nov 4 and is at least

proven at the distance and level. Her barn has been red hot at the meet (3-for-5), too. **Daring Duchess** wired a minor Stakes field Dec 30. She beat three of these that day and was 2nd in a Grade III marathon in April, so she could be a threat from bell to wire.
CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Taralena :46.6 - Apple Betty :48.1 - Beaully :48.5

RACE APPRAISAL

ANALYSIS: **Point to Remember** showed speed and held 2nd debuting with this kind at seven furlongs Nov 11. That was a nice prep for this one-turn mile, and he'll also add Lasix for start #2. He's our HF 15a. **Life's A Parlay** finished 3rd debuting with straight Maidens Jan 6. The \$725,000 yearling could easily improve with a race in the books and would be no surprise today. **Watschen** finished in the money in two straight with this kind before a no-threat effort with similar in a two-turn race in the slop Jan

3. He'll add blinkers and could rebound with the return to one turn and a fast track. **Rose's Vision** has finished in the money in three straight on the grass at Woodbine, two with his kind and one in a State-bred Stake. He's new to dirt, but adds Lasix and has shown enough ability to be a threat if he handles the new surface. **The Green Mo'ster** finished a distant 4th debuting with this kind Jan 6. He could improve with racing and will take down HF 20 honors.

RACE APPRAISAL

ANALYSIS: This looks like another tough Maiden turf route. **Empirically** exits a runner-up try in a Fla-bred straight Maiden heat Dec 29, but he ran decently in a Stake at Belmont Oct 28 and he was already Dq'd from a win vs. this kind in his debut Aug 26 at Saratoga. He might deserve another shot and is our gambling HF 15a. **Neepawa** was 2nd in a restricted Stake on synthetic at Woodbine Nov 5. He also just missed with this kind on turf in his debut at Saratoga Aug 5 and seems to rate attention returning to the non-winners' ranks. **Sir Sahib** finished in the money in his first three starts with this kind on dirt and earned a big rating routing at Churchill Nov 8. He faltered in the slop Jan 3, but could rebound if he handles the move to the turf. **Sargeant Drive** was a solid 4th with this kind in his first turf route Jan

6. He could improve with that experience and can't be ruled out. **Mathematician** ran poorly on dirt with this kind at Aqueduct Dec 15, but wins the paper race off his 3rd with this kind on turf there Nov 18. He could rebound with the return to the turf and might even be a price. He's our HF 20. **Hampton Point** is a rookie bred for the grass that has worked 11 times since Oct 28. He merits tote and post parade checks. **Golden Challenge** is a \$425,000 yearling from a barn that is good with rookies. He's worked 11 times since Oct 12, but it's a tough task asking a rookie to win while drawing the far outside post in a two-turn turfer. **CLOSERS:** Fastest in the stretch in recent races at or near this distance have been: Sensational Sam :28.8 - Piantagrane :29.2 - Finished :29.5

RACE APPRAISAL

ANALYSIS: Justa Lady finished 5th in a Classified Allowance taken off the grass Nov 19 at Churchill. Before that, though, she'd been no worse than 2nd in six straight turf sprints, including a near miss in a Grade III at Keeneland Oct 13 and a win in a minor Stake at Louisiana Downs Sept 9. We'll make her the one to beat, and the HF 15a, as long as this one stays on the grass. Code Warrior, Girls Know Best and Brandy's Girl finished 1-2-3 in a minor Stake Jan 1. Code Warrior shipped down from Woodbine that day after running 3rd in a Grade III on synthetic Oct 28. She looks like a solid contender in just her third race on the lawn. Girls Know Best had won three straight, twice against mid-level claimers, before setting the pace and holding 2nd in that Jan 1 Stake. She's very

sharp and can be stubborn on the front end. Brandy's Girl draws poorly, but has run well in four straight turf sprints, the last three Stakes. She comes from off the pace, so she could run on for another share. Blue Bahia has won four of her last five, including daylight wins vs. high-line Allowance foes at Parx Sept 10 and in a \$100K Stake here Dec 2. She's 8-for-11 overall in turf sprints and seems underrated in the paper chase even with the poor outside post. **CLOSERS:** Fastest in the stretch in recent races at or near this distance have been: Justa Lady :10.0 - Pretty Perfection :10.4 - Cousin Claire :10.6 - Wealthy Shipman :10.8

RACE APPRAISAL

ANALYSIS: A case can be built for a few of these. **Tale of Silence** owns the best late-race Final Time Rating (149) based on his runner-up try at Laurel Nov 11. He was Grade 3 placed in a one-turn mile last summer, but his late-running style doesn't really suit this trip at Gulfstream Park. **Eight Town** gets tested for class after rattling off three consecutive wins. He set the pace to beat mid-level Allowance stock Dec 7 after tracking the pace in his two previous scores. He may be this good and her versatile style suggests that he should get a good trip. **Tommy Macho** has been off since running to double-digit odds with similar at Belmont Sept 23. He won the Hal's Hope at this trip here last year and the time off may have done him some good. Neighbor **Game Over** has also been off since Sept 23, only he was last spotted chasing the pace in the Grade 1 Pennsylvania Derby at Parx, a race in which **Giuseppe the Great** ran on for the show.

'Over is making just his third start for Navarro and the time off likely did him some good. He has enough tactical speed to be dangerous. **Beasley** got smoked in the Cigar Mile Dec 2, but his three previous sprints were good enough to make him a winner with this group. Jorge Navarro has taken over training Ohio-bred speedster **Moves Like Ali**. He and sprinter **First Growth** are likely to make the running with **'Ali** potentially the speed of the speed. He's the upset threat while **'Growth** has produced a 140+ Final Time Rating in three of his last four sprints, including when lapped on the winner in a Grade 3 here Dec 23. He gets off the rail for this and he may be the one to catch late if he can relax a bit and track **'Ali** in the early going. He's the gambling HF 15a.
CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Giuseppe the Great :24.0 – Tale of Silence :24.9

RACE APPRAISAL

ANALYSIS: One has to imagine a few Chicago natives got down on the hunch Exacta as **Durocher** and **Mr Cub** ran 1-2 in a \$75,000 Stakes, as Leo Durocher was Ernie Banks' (the true Mr. Cub) in the late sixties. Those two do best in the paper race and merit respect on the stretch-out (pitchers and catchers report to spring training in less than a month, too). **Final Copy** bypassed that Stakes to face high-line Allowance runners the day before and came up short as the 2/1 favorite. He's a proven marathoner, but the fact that Atfield opted for the lesser event last time is

a caution today. **Nessy** has been off since ending up lapped on the winner in a Grade 3 marathon at Keeneland Oct 19. The marathon specialist has trained steadily and seems like the one to fear most. **Oscar Nominated** won at this trip at Kentucky Downs, while **Bullards Alley** won going 12 furlongs at Woodbine Oct 15 after proving no threat to **Nominated** Sept 9. He just missed going two miles here Dec 30 and can't be counted out. **CLOSERS:** Fastest in the stretch in recent races at or near this distance have been: Infinite Wisdom :45.8 – Durocher and Oscar Nominated :46.5

RACE APPRAISAL

ANALYSIS: This is likely to be one of the better distaff sprint fields assembled anywhere this winter, as a half-dozen of these are recently proven at this class level and better while another handful are sharp class-climbers. A hot pace is likely as we've assigned five F's in PER Column 7 with another four capable of stalking the leaders. Santa Anita invader **Marley's Freedom** gets the first two calls on paper and Mike Smith will likely have to gun her out of the gate to get position. That could leave her wanting late. **Moonlit Promise** arrives from Canada having won four of her last five starts, including back-to-back Graded Stakes sprint wins. She can stalk the pace or rally from mid-pack. She's bred to handle real dirt and may be the trip horse. She gets HF 15a status, but **Rich Mommy** and **Shar Ran** should also get good stalking trips. **'Mommy** has won four of her last five starts, too, including a Grade 3 win going 6F here Dec 16. She

is a four-time winner on this surface and deserves an HF 15a, too. **'Ran** is a lightly-raced 4-year-old that is shooting for the hat trick after dominating NW2 Allowance runners in her Florida return Dec 28. She went wire-to-wire, but can track the leaders and will likely relax behind the speed. **Curlin's Approval** was 2nd as the favorite when stretched out to a mile Dec 16 and her last win came at this trip here Oct 1. She's another that should be well positioned behind the leaders and is eligible to make amends. **Jordan's Henry** may be able to pass a lot of tiring speed and has odds-beating potential based on the likely race shape. **CLOSERS:** Fastest in the stretch in recent races at or near this distance have been: Shar Ran :37.3 - Rich Mommy and Spice Lady :37.5 - Moonlit Promise :37.6

RACE APPRAISAL

ANALYSIS: There is no shortage of speed signed up, but the comebacking **Celestine** still deserves an HF 15a. She is a proven commodity on this layout (four wins from six starts) and she's only been off four months. She won a Grade 2 here last April and, though the outside speed, she may not get hung out to dry early. Of course, speed has struggled on this layout, so she'll share top billing with stablemate **Stormy Victoria**. She's a 6-year-old, too, and she rallied too late when 3rd with Grade 3 types here Dec 16. She may be finishing fastest of all. **Always Thinking** is winless routing on the grass, but the late-runner may find that this trip suits her and off-pace runners have been dangerous going 7-1/2 furlongs over the last month. Late-running sprinters are suspect around

two turns, but **'Thinking** has upset potential. **Ghostly Presence** won the second division of the Tropical Park Oaks Dec 30, running down **Team of Teams** to get the money. She's been part of the Exacta in her last five starts and may be the one to fear most. **Westit** rallied for the place in the first division of the Tropical Park Oaks and should benefit from what figures to be a much faster pace. **Storm the Hill** was 3rd behind **Westit** Dec 30 and is racing in good form. She may get a good stalking trip in her second start for Kenneally. **CLOSERS:** Fastest in the stretch in recent races at or near this distance have been: Always Thinking :15.5 – Ghostly Presence :15.7 – Westit :15.8

RACE APPRAISAL

ANALYSIS: The second edition of the Pegasus World Cup, with its \$1M buy in, had problems filling out the starting field this year. After all, are there really a dozen horses running in the winter that are capable of winning a race like this? The answer is usually 'no' and most of these are likely just taking up space. We have the 1-2-3 finishers back from the 2017 Breeders' Cup Classic. **Gun Runner** was best that day and his only loss in 2017 came to Arrogate in the Dubai World Cup. He gained his revenge in the Breeders' Cup Classic and looms a very short price to take down the winner's share. **Collected** won the Pacific Classic at Del Mar last summer and returned to hold 2nd in the BC Classic. He ran an odd race when beaten by **Giant Expectations** at Santa Anita Dec 26, the Grade 2 San Antonio. He was taken back to last in the slow-early affair and had too much to do late. He can do better at this longer trip while the up-and-

coming **West Coast** had dead aim turning for home in the BC Classic, but flattened out late despite being out in the better part of the strip. That snapped a five-race winning streak and he's worked well for his 2018 return. He and **Collected** give Baffert a solid 1-2 punch, but **Seeking the Soul** is the horse that may threaten **Gun Runner**. He got hot this fall, winning a high-line Allowance at Keeneland following by an upset win in the Grade 1 Clark Nov 24. That race has often been a platform for the 2018 BC winner to introduce himself. He may make a race of it and the paper race concurs.

CLOSERS: Fastest in the stretch in recent races at or near this distance have been: **Giant Expectations** :36.4 – **Stellar Wind** :36.8 – **Sharp Azteca** :37.8

TODAY'S RACING DIGEST is designed to simplify the handicapper's job by evaluating past performances and relating them to today's race. To that end, the Digest provides the following on each page:

1. **Distance** – This is the distance of this particular race. If this was a turf race, we'd also note that here.
2. **Conditions** – We list the race conditions here. This particular race is a Starter Allowance.
3. **Track Profile** – This feature gives you an idea of what kind of running styles (e.g., frontrunners, pressers, etc.) have been winning at the race's distance. We list the number of races included in our study (22, in this case), then list the type of running style and the win-percentage. For example, Frontrunners ("F") have won 22.7% of the 22 races at this distance while Late-Runners ("R") have won just 4.5%. (F=frontrunner, P=pressers, M=midpackers, R=Late-Runners.)
4. **Race level** – The Digest assigns a number to each type or class of race. In this case, the race is a 130 on our class scale. This number allows you to compare races of different types to determine which races are stronger, the same class or weaker. Five points equals one class level.
5. **Race Conditions** – This is an abbreviation of the Conditions of the race.
6. **Purse** – This is how much money is up for grabs for this race. In most cases, the winner usually receives about 55 percent of the purse.
7. **AFTL** – The acronym stands for Average For The Level and are "par" times for the class. In other words, this class of animal should run these times over a normal surface. Compare the horse's times listed in their Data Lines (past performances) to the AFTL to see which horses have come close to running to par for this class.
8. **Favorites** – We list the percentages for winning favorites and favorites in the money under these class, age, surface, and distance conditions. Believe it or not, certain races produce more upsets than others and we try to give you the heads up by providing these stats.
9. **Horse** – We list the horses' names here, in post-position order. Also, sometimes you'll see a symbol after the name and this indicates the horse is having some type of equipment change. For instance, a "#" indicates the addition of blinkers, a "@" indicates blinkers are coming off and, FBH indicates a Foreign-bred horse. We also note betting entries by a letter ("A" or "B") before the name.
10. **Jockey** – This lists the jockey for each horse. When you see a dot (".") after the jockey's name, it means this jockey is replacing the jockey used from the previous race. An "x" after the jockey's names indicates he is an apprentice.
11. **Fire Number** – This is the horse's FIRE Number, a speed figure that takes into account each and every time recorded by the horse during the running of a race. The higher the number, the faster the horse.
12. **Weight & Change** – We list how much weight the horse is expected to carry here, as well as the difference between today's weight and the weight carried in its last race.
13. **Age/Sex** – How old is the horse, you say? We list that here, along with the horse's sex. (c=colt, g=gelding, r=ridgling, f=filly, m=mare)
14. **RRL** - Recent Race Level. This is the Race level of the horse's last race. Compare this number to the Race level in the Race Header to quickly determine whether the horse is up or down in class.
15. **RCL** - Recent Competitive Level. We list the Race level where the horse has recently been competitive. An "x" in this column indicates a horse hasn't been competitive at any level recently.
16. **CPR** - Comprehensive Performance Rating. Another Digest speed figure, this one is the oldest of the Digest's speed numbers. Once again, the higher the number, the faster the horse.
17. **Total** – This column is the total of RCL + CPR. It gives you a class and speed figure all in one.
18. **PER** - Performance Early in Race. We list the running styles for each horse. Just as we list in the Track Profile feature, F=frontrunner, P=presser, M=midpacker, R=late-runner
19. **Handicapping Factors** – Each horse usually receives certain Handicapping Factors (HF), which serve as a type of shorthand for us to communicate certain things about a horse to you. Most important in this column is our "push" factors. When we like a horse we'll use a 2 (love the horse), 15 (really like), 15a (like) or 20 (longshot).
20. **Equipment** – This is the equipment the horse has been or is scheduled to wear. B=blinkers, FW=front wraps, 4W= four wraps,
21. **Trouble** – If the horse was in trouble in any of its races, we list that here. A "1" indicates a horse's last race, a "2" a race back, etc. If the number is in parentheses (e.g., (2)), that means it was self-caused trouble.
22. **Off Track** – If the horse is proven over an off track, we list the Track Variant for that day here.
23. **Best Prev Sur Dis** - Best Previous CPR on the surface or distance. Pretty self explanatory. Whatever the distance or surface of today's race, we note the best CPR he's earned.
24. **Past Class** - Whatever the horse's highest proven Race level, it's listed here. This let's you know how classy a horse once was.
25. **Average RCL** – This is an average of the horse's recent Race levels where it has been competitive.
26. **Last CPR** – Simple, it's the CPR (remember, the CPR is a speed figure) from the horse's last race.
27. **Fractional Chart Order of Finish** – Lists the top finishers according to the Digest's popular Fractional Charting (a projected race using representative performances from each participant in today's race).
28. **Average Times** – The times listed on the ET (Expected Times) row are those expected from today's field based on previous performances (these are the best times at each call in the Fractional Charting). The AT (Average Times) are based on the times high class horses run at the distance/surface. The AFTL (Average For The Level) times are the "par times" for today's class of runners. In other words, they are the average times run by horses at today's particular class level.
29. **Analysis** – In this section, Digest handicappers provide their assessments of today's race, emphasizing pace and class and highlighting contenders and top plays.
30. **Closers** – Which horses finish fastest? We provide the top finishers here. This information is compiled from the Fractional Charting.
31. **Horse Comments** – Digest provide information about each horse and assess their chances.
32. **Horse name** – Simply put, this is the horse's name. Just so you know, a horse's name is limited to 18 characters and spaces...that's the rules.
33. **Trainer/Jockey** – The horse's trainer and today's rider are listed, along with their record (starts, wins, 2nds, 3rds) when teaming up over the past three months. In this instance, trainer Powell and jockey Rosario have had 10 starters together, with two wins, no 2nds and one 3rd the past three months.
34. **Age/Breeding** – The first number is the horse's age, followed by his sex. After the dash (-), the horse's sire is listed. In parentheses is the sire's offspring's win percentage on turf (T), synthetic (S), and in the mud (M). This is followed by the horse's dam, which is then followed by the dam's sire (a.k.a. - the mom's dad).
35. **Trainer Stats** – We list all the pertinent trainer stats in this section, such as the trainer's record from his last 15 starters (LAST 15) and how the trainer does with any moves the horse may be making today (i.e., going from dirt to turf (D/T), route to sprint (R/S), etc.).
36. **Notes** – What trouble has the horse encountered and when? The Digest lists this in abbreviated fashion.
37. **Course Records** – Shows how the horse has done sprinting or routing over today's surface. We also list the overall record on the surface whether it is sprints or routes.
38. **Works** – Recent workouts are shown here. The info includes the track, the date, the time of the work, the condition of the surface and how the work ranked relative to other times recorded that day.
39. **Last 10 FIRE** – These are the last 10 FIRE numbers earned for the horse, just for convenience.
40. **Track** – Indicates at what track the horse's race occurred.
41. **Date & Race** – Lists the date (MM/DD/YY) and the race number (after the dash) of the horse's race.
42. **Distance/Surface** – This is the distance, as well as the surface of the race. "T" indicates the race was a turf race. Sprints (under one mile) are noted in furlongs, whereas routes (one mile and over) are noted in miles, plus additional distance.
43. **Post Position & Key Race Winners** – The first number is the horse's post position for the race, followed by the total number of all the horses in the field. The numeral after the dash indicates how many horses returned from the particular race to win their next starts. Theoretically, the higher the number, the stronger that particular race.
44. **Weight** – This is the weight carried by the horse.
45. **Trainer/Jockey** – The horse's trainer and jockey for the particular race is noted here.
46. **Track Condition** – Was the track fast, muddy or sloppy? Was the turf firm or good? We note that in abbreviated form here. (FM = firm, FT = fast, GD = good, etc.)
47. **Track Bias** – A tremendous Digest feature. This column displays any bias that was in effect during the horse's race. We note the type of bias (O = outside, I = inside, F = speed bias, L = late-runner bias) as well as the strength of the bias on a scale of 1 to 3, with 1 being a mild bias and 3 being a dominant bias.
48. **Race Type** – Lists the type of race in abbreviated format.
49. **Race Conditions** – These are the conditions of the Race Type.
50. **RCL** – Race Competition Level. The level represents the strength of the race on the Digest's class scale. Comparing these numbers to one another allows the handicapper to see if the horse was moving up or down in class from race to race.
51. **CPR** – The number is one of the many Digest speed figures. This is the horse's CPR for each race.
52. **Finish Position & Beaten Lengths** – The first number is position the horse finished the race, followed by how many lengths he was beaten (or won by if the first number is a "1") crossing the wire.
53. **Odds** – The Digest lists both the horse's Morning Line odds and the Actual Odds at post time. This gives you an idea if the horse was bet (perhaps he was "live") or not ("dead on the board"). The "↑" indicates the horse was the post time favorite.
54. **Track Variant** – Sometimes surfaces can be slower or faster than normal for various reasons, usually due to weather or track maintenance. The variant adjusts the surface speed to account for these variances, and we list it here just because we believe in transparency.
55. **Position at Each Call & Beaten Lengths** – The first number is the horse's position at each call followed by his/her time at those calls (these are not the leaders times, they are this horse's particular times for the race). All times are adjusted to today's distance and surface, taking into account differences in track pars and variants (routes are adjusted to route and sprints to sprints, but not routes to sprints or vice versa). This allows for easy comparison among different distances and between tracks. In essence, the Digest does all the work so you don't have to.
56. **Last Fraction** – The final fraction the horse earned in the race. The final fraction has also been adjusted to account for differences in tracks, surfaces, pars and variants.
57. **Pace & Final Time Ratings** – Under the first column is the Pace Rating earned, a number which takes into account the speed the horse displayed through the first two calls. The second column lists the Final Time Rating, a speed figure that takes into account only the final time of the horse.
58. **Equipment** – All the equipment worn by the horse for its race is listed here. (L=Lasix, b=blinkers, 4=four wraps, F=front wraps, C=the horse was claimed out of the race).

RACE APPRAISAL

- 29 ANALYSIS:** All six of these plot within less than three lengths at the wire, and they appear about that hard to separate. Looking for a price, we have some interest in **Warrens Stormalert** as a potential improver. He was ambitiously placed in the Snow Chief Stakes April 25, his first as a winner and first route, and, though he faded toward the rear, the effort figures OK with these. Low-profile connections should prompt some decent odds, so he's the HF 20 (longshot).
- 30 CLOSERS:** Fastest in the stretch in recent races at or near this distance have been: Green Card James :31.0 - Benezit :31.3 - Troubletimesthree :31.

HORSE COMMENTS

- 31** **Troubletimesthree** has usually run pretty well in five starts at this level, but was favored in three of them and finished farther back than usual April 15. He charts in the hunt, but he seems to have a bit to prove.
NOTES: Outrun April 15. Mild rally March 18. Mild wide rally Feb 19. Lacked racing room entering the stretch Jan 25.
- Warrens Stormalert** is bred to route, but the April 25 jump up to the Snow Chief Stakes for his first try with winners and initial route was pretty ambitious. He tracked a Lone 'F' leader and faded badly. Still, the effort gives him a shot on paper, so he can't be denied a chance on the drop.
NOTES: Wide around the first turn, chased and tired April 25.
