Today's Racing Digest FAQ

What is Today's Racing Digest? For over 47 years Today's Racing Digest has specialized in California racing, producing handicapping information in both a Southern and Northern California issue in print and on-line at www.todaysracingdigest.com. Today's Racing Digest has, and always will be, dedicated to the survival of the horseplayer.

What makes Today's Racing Digest different from other racing publications? The Digest offers many features that cannot be found in other horseracing publications. Features such as track bias, Pace Ratings, which measure early speed, and a "paper race" called the Fractional Charting which compares each horse in today's race based on a representative past performance. A page dedicated entirely to workout analysis has always been a popular feature, along with "Hot & Cold" trainer reports, a Claim Box report for owners and trainers, and our Better-Than-Looked List, which highlights horses exiting troubled or exceptional performances.

What are Data Lines? A horse's Data Lines can be found under the name of each horse on the race page. Often called "running lines" and "past performances", the Digest's Data Lines are unique in that the times for each race are adjusted to today's distance, taking into account track pars and the track variant (the speed of the track). This allows for an accurate and easier comparison when horses are coming together after racing at different distances and/or surfaces. Also listed in the Data Lines are the conditions of the horse's previous races, jockeys, track, track condition, finish position, track bias and morning line (ML) and actual odds (A).

Does the Digest offer performance ratings or speed figures? Today's Racing Digest prides itself in offering numerous performance figures for the handicapper. Pace and Final Time Ratings can be found at the end of each Data Line and are the most popular. The Pace Rating measures early speed, while the Final Time Rating assigns a figure for the final time. The Digest also offers the CPR (Comprehensive Performance Rating) and FIRE Number, ratings which take into account each time recorded in the race and put it all together in one number.

Where can I find a copy of Today's Racing Digest? Today's Racing Digest can be purchased at every major track in California, as well as major satellite facilities. The Digest is also sold at selected retail outlets throughout the state, and is usually available 24 hours before first post. For a location nearest you or for the number of your local distributor, please call (858) 453-0424 or email distribution@todaysracingdigest.com. The Digest, along with a stable full of simulcast handicapping information, can also be purchased on-line at www.todaysracingdigest.com. On our web-site you can purchase all issues of Today's Racing Digest for tracks across the country at a discount in price and selections from our stable of handicappers. There are also numerous "free" areas, such as the Daily Money Plays, Feature Races, and Week In Review, which provides commentary on all the previous week's races. Give it a look. We think you'll like what you see.

CHURCHILL DOWNS FRACTIONAL TIME COMPARISONS

Shown below is the order of finish that would be likely if each horse repeated a representative race. There are many reasons why this may not happen. Foremost of these is that, like humans, horses have good and bad days. Also, today's race may differ from the representative race due to changes in the post position, weight carried, class, track, surface, pace characteristics etc. Nevertheless, plotting and studying times from previous performances is a basic part of handicapping. If the representative race was not on a normal track, the times shown have been adjusted by the track variant applicable. The underlined fractions indicate the leader(s) at that particular point in the race. Except for the LF = Last Fraction, which indicates the fastest closer(s). X = No recent or available time at or about the distance. The date of the selected, representative race is shown followed by a number indicating how many races back it was.

90 DAY WORKOUT ANALYSIS FOR HORSES RACING – Saturday, May 5, 2018
KENTUCKY DERBY 2018

NAME/ COMMENT	WORK DATE	TRK COND	DIST	WORK

1st RACE

Once On Whiskey — 03/18 — SA /FT — 5F — 100.0h
Left the pole in company & went off in 24.1, finished up on even terms in 100 flat doing it pretty easy. .

3rd RACE

Irish Freedom — 03/18 — SA /FT — 5F — 59.6h
Left 2 back of a workmate & went off in 23.3, finished up head & head w/ workmate late in 59.3 under light pressure late. .

4th RACE

Ding Dong Ditch — 03/24 — SA /FT — 5F — 101.0h
Left the 5 in company & went off in 24 flat, finished up under a good hold through the stretch in 101 flat. .

6th RACE

Skye Diamonds — 03/19 — SA /FT — 5F — 102.2h
Had the final 1/2 in 25 flat, 49 flat doing it pretty easy for Spawr..

— 02/14 — SA /FT — 4F — 51.6h
Drills for return are as expected from veteran connections. Hasn't raced since close up 4th in Breeder's Cup Filly & Mare Spring. Nine timer winner will be hard to beat. .

7th RACE

Thundering Sky — 02/10 — SA /FT — 5F — 101.4h
Left the 5 in hand & went off in 24.4, finished up very easy through the lane in 101.2 looking good for Weaver..

Madame Stripes (ARG) — 04/01 — SA /FT — 6F — 112.8h
Left the 3/4 pole over the training track & went off in 24.1, finished up under no pressure @ all in 112.4 looking sharp for Drysdale. .

Madam Dancealot (IRE) — 03/13 — SA /FT — 4F — 50.0h
Easy half mile move over the training track. Finished up the final 1/4 in 25 flat kept in hand.

— 02/11 — SA /FT — 4F — 49.4h
Left the 1/2 over the training track & went off in 12.3, 24.3, & finished up under no pressure @ all in 49.2.

Insta Erma — 02/10 — SA /FT — 4F — 49.2h
Easy 1/2 mile move for Baltas going off in 24.3, & finishing up under a hold late in 49 flat.

9th RACE

River Boyne (IRE) — 03/09 — SA /FT — 5F — 101.6h
Could not have been going any easier for Mullins finishing up the final 3/8 in 37 flat..

10th RACE

Lombo — 03/01 — SA /FT — 4F — 49.6hG
Broke well out of the gate in company & went off in 24.3, finished up under a hold well clear of workmate in 49.3.

12nd RACE

Vino Rosso — 04/27 — CD /FT — 4F — 47.2.0h
worked in blinkers w/ the same older Stakes winner he worked w/ April 20. Rosso worked outside & the pair showed speed in 23.2 & 47 & change w/ 'Rosso a head in front @ the wire. He was then pushed going out in 100.1 & 113.2 while pulling away from his workmate. He again looked good.

— 04/20 — PBD /FT — 4F — 49.7h
worked an easy 1/2 mile in the company of an older Stakes winner @ Palm Meadows. He then drew away galloping out in 116 & change. His barn was all smiles believing he'll get better as the distances increase.

Promises Fulfilled — 04/28 — CD /FT — 5F — 100.4b
worked 24 & 48 to the wire & was strongly asked going out in 100.3 & 113.3. He just isn't giving indications that a top effort is forthcoming.

Noble Indy — 04/27 — CD /FT — 5F — 101.6b
had blinkers added & worked outside of an outclassed Maiden. He broke off a length behind & went 25.3 before edging away in the stretch to complete 5F in 101.3. He then was roused to go out in 114.4 & 129.

— 04/20 — PBD /FT — 6F — 115.0b
wore blinkers & easily outworked an overmatched workmate in what was a rare 6F drill for the Pletcher barn. He galloped out 129 & change & a mile in 144.3.

My Boy Jack — 04/28 — CD /FT — 5F — 103.2b
was another getting a maintenance drill on a busy morning. He went 26.4, 38.3 & finished up in 103.2 before galloping out in 116.3.

Magnum Moon — 04/27 — CD /FT — 4F — 47.4b
kicked off a parade of four Pletcher Derby workers here @ Churchill. He worked 24, 47.2 & then was urged a bit to get 5F in 100.1 & out in 113.3. It did look like he was trying to get out a bit on the clubhouse turn while working inside of his workmate.

Lone Sailor — 04/27 — CD /FT — 4F — 48.0b
sizzled 5F in 57 & change @ Churchill eight days ago, but there wouldn't be any fireworks in today's drill. He went 23.4 & a shade under 48. He obviously wasn't giving enough as his jockey roused him in midstretch & galloped out a shade under 101.

Justify — 04/27 — SA /FT — 7F — 125.2h
Turned in a strong final drill @ Santa Anita. He broke about four lengths behind a workmate, comfortably tracked that one to the finish wire & then took off around the turn when finally asked. He worked 24.2, 49.1, 100.4, 112.3 & 125 for 7F before galloping out a mile in 139 & change. He rated nicely, gave when asked & was full of energy.

— 04/21 — SA /FT — 6F — 113.2h
worked on a busy Saturday morning @ Santa Anita going 6F. He broke from the 5F pole a length off a workmate & went 25, 37, 100.4 to the wire winning the drill by a couple of lengths & galloped out another furlong in 113. He looked strong while under restraint.

— 03/05 — SA /FT — 5F — 100.8h
Looked really good in a team drill for Baffert finishing up under a good hold in the end in 24 flat for the final ¼..

Instilled Regard — 03/31 — SA /FT — 5F — 101.6h
Started 6 back of his workmate & went off in 24.1, 37.4 flat, & finished up under no pressure @ all in 101.3 cruising by workmate. .

Hofburg — 04/29 — CD /FT — 4F — 48.2b
broke off two lengths behind his workmate & looked solid as he took over after a quarter in 24.3 & won by three lengths hitting the wire in 48. He galloped out well in 101 & a shade under 115. He reportedly had a disappointing work in Florida a week ago, but has looked very good since arriving @ Churchill.

Good Magic — 04/28 — CD /FT — 5F — 101.2b
continues to look good as he cruised thru fractions of 24.4, 36.3 & hitting the wire in a shade under 101 before galloping out w/ energy in 113.4 & 127 & change. If his morning action is any indication, he's ready to give his best. .

— 04/21 — KEE/FT — 4F — 48.0b
worked @ Keeneland & the Juvenile champ had Chad Brown all smiles after. He went a 1/2 in 48, 5F in 101.2 & galloped out in 114 & change. The work went off like clockwork just as it was drawn up according to the connections.

Free Drop Billy — 04/28 — CD /FT — 4F — 49.4b
reportedly worked an impressive 5F here a week ago (4/21). Today's work was more maintenance as he went 49.1, but galloped out well in 101.3 & 115.1.

Flameaway — 04/28 — CD /FT — 4F — 47.8b
worked outside of a stablemate & the two went quick early in 22.2 w/ Flameaway slightly best @ the wire in 47.3 before easing up on the gallop out in 102 & change.

Enticed — 04/26 — PMM/FT — 5F — 100.3b
worked w/ an older Maiden @ Palm Meadows in Florida. He reportedly was a little keyed up early & the two went quick early. He was able to get his neck in front @ the wire in 100.1 while extended & then had an easy gallop out. That really isn't the kind of drill we're looking for from a true Derby contender.

Combatant — 04/30 — CD /FT — 4F — 49.6
worked solo & @ this point was more of leg stretcher. He did appear full of energy as he worked 24.3 & 24.4 before easing up a bit on the gallop out.

Bolt d'Oro — 04/28 — SA /FT — 4F — 48.2h
worked a 1/2 mile @ Santa Anita going 24.1 & 48.1 before galloping out in 101.2. Per instructions, Espinoza sat chilly on him never asking for anything. Not much to see, but the connections were once again very pleased.

— 04/22 — SA /FT — 7F — 124.2h
worked solo @ Santa Anita. He went pretty fast early in 46.3 & 58.2 & was tapped on a few times in the stretch when finishing 7F in 124.1. Espinoza was in the saddle for the drill & the connections were satisfied afterwards.

— 04/01 — SA /FT — 5F — 101.2h
Started one back of his workmate & went off in 24.3, finished up under light pressure through the lane in 101.2 looking ok for Ruis.

Audible — 04/27 — CD /FT — 4F — 49.4h
broke inside of his workmate & went an easy 1/2 in 24.3 & 49.3 finishing a head back. He was then asked for a bit more in 102.1 & 114.4. He's not the most eager of workers & needs distance to really get going.

— 04/20 — PBD /FT — 5F — 101.4h
worked w/ 2017 Derby also-ran Patch. Audible worked 37.1, 101.3 & galloped out well in 115.4 while much the best of the duo. Audible reportedly isn't the most enthusiastic of workers, but was very professional today doing what the barn asked..

2018 Derby Prep Review & Video Notebook

ARKANSAS DERBY – OP - April 14
The undefeated **MAGNUM MOON** was allowed to get to the rail while establishing a very slow pace. **QUIP** moved up to run with up the backstretch and into the far turn, but **'MOON** was able to quickly kick away into the lane and draw off in a slow-early/fast-late affair. The numbers were decent, but the slow pace is nothing like these will catch in the Derby. **'MOON** shifted out four paths when he changed leads turning for home, but was never threatened once he changed gears. **SOLOMINI** and **COMBATANT** get points for rallying into the slow fractions and landing in the place photo with **QUIP**.

LEXINGTON STAKES – KEE - April 14
MY BOY JACK needed to win the Lexington to earn a starting spot in the Derby, but drew the far outside post with the quick run to the turn. Kent D. let him settle out of the gate and allowed the field to clear off into the first turn before dropping **'JACK** to the inside. They came back off the fence while next to last on the backstretch and kept him out in the clear. **'JACK** responded when asked to run nearing the far turn and began picking off horse. Kent had the whip out on the turn, partly to keep him from drifting and partly to keep his mind on business. He came into the stretch in the 4-path and dropped over to engage **TELEKINESIS** at the head of the stretch. They battled tooth and nail to the wire with **'Jack** prevailing to win a narrow decision. **TELEKINESIS** saved all ground, had first run into the stretch, and was unlucky to lose. **PONY UP** finished strongly down the lane after trailing early.

WOOD MEMORIAL - AQU - April 7
VINO ROSSO won the Wood Memorial in good fashion while being ridden differently than in the Tampa Bay Derby. Where he was stalking the pace while inside of horses in Florida, he was allowed to settle mid-pack while kept outside horses. The field just let the rank pacesetter run himself out of gas and they moved as one to engage as they entered the far turn. **ENTICED** and **RESTORING HOPE**, who were wide entering the first turn, raced together early while making up the second group. **ENTICED** was the first to move to the lead, but Alvarado was already asking his mount. **'ROSSO** went around **'HOPE** on the far turn, engaged **ENTICED** entering the stretch and put that one away in deep stretch. He won with his ears pricked and with good badly language. This was a big improvement on his Tampa Bay Derby run. *Enticing* had no excuses, but was clearly second best.

SANTA ANITA DERBY – SA - April 7
This was essentially a match race between **JUSTIFY** and **BOLT D'ORO** and, like most match races, the first horse to the front won. Baffert's **Justify** was able shake free into the first turn and maintained a clear advantage up the backstretch before grabbing a breather heading into the far turn. **BOLT D'ORO**, was taken off of the inside to stalk the leader up the backstretch. He moved closer entering the far turn. Both horses were asked to pick it up on the far turn, with Castellano having to ask **BOLT D'ORO** harder. Smith, riding **JUSTIFY**, let him drift out into the stretch, leaving a big lane for **BOLT D'ORO**. However, the inside was playing deeper and **Bolt d'oro** bogged down after trying to get on even terms. **JUSTIFY** drew off late. Unraced as a 2-yo, he would seem to have some catching up to do and he's yet to face adversity. This was a perfect trip field with only one genuine threat. **BOLT D'ORO** on the other hand, ran his race and it just wasn't good enough. Ruis believes that **BOLT D'ORO** will get better with an additional furlong. This race suggests otherwise and Castellano has opted to ride *Audible*.

BLUE GRASS STAKES - KEE - April 7
The race came up weak on paper, especially so when *Quip* scratched. **GOOD MAGIC**, 2-yo champ, was likely a short horse in the Fountain of Youth, but got a dream trip tracking the pacesetters from the outside. He began to move closer as the field hit the far turn, drew even with **FLAMEAWAY** entering the stretch and slowly expanded his advantage while having to be ridden out. It was not an eye-catching win. **FLAMEAWAY** won the pace battle, but tired along the rail, while **Free DROP BILLY** was grinding away down the lane when bothered and the stewards moved him up.

FLORIDA DERBY – GP - March 31
AUDIBLE should have been 4/5 in the Florida Derby, but was let go at 9/5. This looked like an education race for the Holy Bull winner, as he broke sharply to establish mid-pack position on the outside as Fountain of Your winner **PROMISES FULFILLED** ran off on a blistering pace. Castellano let him drop back to 8th in the nine-horse field as he made his way around the first turn and up the backstretch. However, he began to move up and quickly got up to engage the tiring leaders. He tackled chaser **MISSISSIPPI** entering the stretch and put that one away with ease while finishing in a straight line. **HOFBURG**, the early trailer, ended up 2nd as the Digest longshot. He lagged early, but moved past **AUDIBLE** while inside that one up the backstretch. However, he got caught in a bit of a trap as he ran up on **CATHOLIC BOY'S** heels as **AUDIBLE** was beginning his move into the far turn. He had to stop and wait for **AUDIBLE** to clear before being able to get around **'BOY**. He followed **AUDIBLE** while wide around the turn and finished with good energy. This was just his third start and he could have a very productive year for Bill

Mott. **MISSISSIPPI** got a good trip chasing the leaders, loomed up entering the stretch and flattened out late.

UAE DERBY – March 31
MENDELSSOHN broke on top in the UAE Derby, turned back early pressure while Moore had his hands pinned down low on his neck. He opened up on his own, but Moore shook the reins and gave him a couple of cracks of whip while riding him out to the end. He won by many and probably didn't need the energetic late ride. He was super impressive early, O'Brien has been pointing for the Kentucky Derby and **MENDELSSOHN** would appear to be the first legitimate Euro/Dubai threat to win.

LOUISIANA DERBY – FG - March 24
NOBLE INDY was lucky to win the La. Derby. He pulled early, but was able to get outside of a huge-odds pacesetter and track that one from the 2-path. He inherited the lead at the 6F mark and suddenly had a daylight advantage on the field. He stayed down on the inside as **LONE SAILOR** and **MY BOY JACK** made their runs. **'SAILOR** found a big hole in the 3-path entering the stretch and appeared ready to roll on by **'INDY**, but he bore-out badly under a left-handed whip and suddenly found himself drifting-out as fast as he was moving forward. **'JACK** had lagged far back early before making a sweeping 8-wide run around the turn. He kept to his task down the lane. He couldn't get up in time, but it was the kind of run that works in the Kentucky Derby. Beware. **'INDY** stayed straight while saving all ground and held off **'SAILOR**, who had gotten straightened away in mid-stretch. The 2-3 finishers would appear to have more room to improve than the winner.

REBEL STAKES – OP - March 17
MAGNUM MOON got his first Stakes test here and he was impressive. He broke sharply from the 4-hole, but two horses inside of him were intent on making the running, with rail-sitter *Title Ready* used to make the running. **MAGNUM MOON** relaxed and slipped into a stalking position and found himself between horses up the backstretch. He got first run at the leaders on the far turn, stuck his head in front entering the stretch and drew off while having a hard time maintaining a straight path. Chalk it up to inexperience. **SOLOMINI** raced inside of **'MOON** while riding the fence, was shuffled back a bit entering the far turn and was blocked behind **'MOON** and the pacesetter after looming up into the stretch. When **MAGNUM MOON** kicked clear, **SOLOMINI** laced the needed response, but did finish evenly to hold **COMBATANT** safe to complete the Exacta. **MAGNUM MOON** was the most impressive runner from this race.

TAMPA BAY DERBY – TAM - March 10
QUIP won the race by pressing the pacesetter from the better outside, wore down the pacesetting **WORLD OF TROUBLE** through the stretched and then had enough to hold stalker **FLAMEAWAY** safe to the wire. **VINO ROSSO** was close up tracking the leaders from the slower inside, was put under a drive on the far turn and weakened through the stretch. He would change running styles when best in the Wood April 7. **QUIP** looked good, though he had to work to get around a lugging-in leader. **FLAMEAWAY** would return to run 2nd to *Good Magic* in the Blue Grass.

GOTHAM STAKES – AQU - March 10
ENTICED was a buzz horse after this race, but all he did was run down a 45/1 pacesetter, **OLD TIME REVIVAL**. He tracked the pace through some fast fractions and took over late while out in the middle of the track. **FREE DROP BILLY** would chase them home. All three would return to run similar races in the Wood. This was not an impressive race.

FOUNTAIN OF YOUTH STAKES – GP - March 3
PROMISES FULFILLED was hustled to the front from the outside box, was allowed to control a moderate pace and kicked away late to post a $38 upset. **STRIKE POWER** tracked the pacesetter from the start, had to be steadied in tight quarters inside the winner on the backstretch, loomed up again into the stretch and gamely chased the winner. **GOOD MAGIC** was heavily favored to win in his soph debut, but seemed like bet-against material at the time. He tracked the pace from the outside, made a move to get closer entering the far turn and flattened out turning for home. This was likely meant to be a prep race all along.

RISEN STAR – FG - Feb 17
BRAVAZO, **SNAPPER SINCLAIR**, and **NOBLE INDY** all broke out of the gate running in the Risen Star at the Fair Grounds. **'SINCLAIR** was able to drop over in front of **'INDY** and grab the lead with **BRAVAZO** forcing the pace on his outside. **NOBLE INDY** wound up tracking the early leaders, came off the rail on the backstretch and found himself boxed in between and behind horses while getting shuffled back to 5th entering the far turn. He kept to his task and had aim at the leaders turning for home, but would have had to come through a tight lane inside of **'SINCLAIR** and he just didn't have the experience or courage to do it. The early leaders battled it out to the end while both drifted out to suggest that they were tiring late. **BRAVAZO** ended up in the 6-path under the wire, but was best. He would return to run poorly in the La Derby.

TIM OSTERMAN'S FAST FIGS

Today's Racing Digest has been producing performance figures for over 25 years and have most recently introduced our newest figure, the **FIRE Number.** However, there are other sources for such numbers and we are proud to now offer **Tim Osterman's FAST FIGS.** Osterman, a fixture in the California Handicapping scene for the last 20 years will provide a **'FAST FIG'** for each horse. This rating is a combined class/performance figure based on the horse's overall effort and the strength and level of the fields faced. Horse's scoring within <u>FIVE</u> points of the top figures should be considered contenders in today's race. if a horse's rating is following by a (+) it means a horse may be ready to improve on today's figure. Generally, a plus (+) is potentially worth an additional <u>FIVE</u> points. Runners rated 'X' are either first-time starters, shippers from a new circuit, comebackers off more than four months or horses that simply could not be assigned a reliable rating.

RACE APPRAISAL

ANALYSIS: Derby day 2018 kicks off with a modest Allowance sprint, and we think **Crosswalk** is probably the one to beat. He's never been worse than 2nd in four starts and just missed in his first try with this kind April 7 at Keeneland. He earned a big Final Time Rating in his Maiden win at Fair Grounds March 2 and would be tough to beat if he could duplicate that number. He's our HF 15a. **Once On Whiskey** beat Maidens in his second start at Santa Anita. He co-tops the charting off that effort and it would be no surprise to see him step up and repeat. **Share The Upside** beat straight Maidens at first asking at Oaklawn March 22. He charts Ok,

and that race has already produced a couple of next-out winners. He could be a threat right back. **United Patriot** will be tested for class after beating softer in his last two. He actually co-tops the charting off his daylight win over $50,000 soph claimers at Keeneland when claimed by Diodoro (from Cox) April 19, so we'd at least give him a look in the exotics. We would need to see a price before putting him the top slot, though.
CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Cove Blue :36.8 - Once On Whiskey :36.9 - United Patriot :37.3

HOW TO READ TRACK BIAS

The main track can be biased toward front-runners or late-runners and/or horses racing on the inside or outside part of the track. To define how the track was playing we've added a track bias column in the data lines. The following symbols will be used in that column:

An	F	=	A Front-runner's or speed bias
An	L	=	A Late-runner's or closer's bias
An	I	=	An Inside bias
An	O	=	An Outside bias

Each will carry a modifier of 1 (moderate), 2 (strong) or 3 (dominant).
Turf races may have a frontrunners or late-runner's bias as well as an indication whether the auxiliary rails were up (up) or down (dn)

Examples:	F1/O3	=	Moderate Frontrunner and dominant outside biases.
	L2/DN	=	Strong Late-runners and the rails were down on the turf.

RACE APPRAISAL

ANALYSIS: This is a very odd bottom-level Allowance field. **Gray Sky** tops the charting off a daylight romp against $50,000 non-winners of two March 31, but he came back to run 3rd with similar this April 14. He's a 5-year-old with 35 starts that is still eligible for a bottom-level Allowance, so we're not taking low odds. The morning line favorite is a filly, **Summer Luck**, who is 1-for-14. She was 2nd on the grass with her gender March 11 and again 2nd in the slop in a race taken off the turf against females April 15. Again, we'd have to play against her at low odds. **Misspent Youth** is lightly raced and finished 4th in his first try with this kind at Keeneland, but all three of his starts have been around two turns on the grass. He could be a threat if he handles the changes, but is a bit of an unknown on the main track. **Super Derecho** finished 3rd with similar March 24, but was no factor with similar in his last start April 14, both at Oaklawn. He could do some rebounding with these. In the end, we see this as a race to play lightly and try to catch a price. **Big Gray Rocket** has finished 4th in two straight sprints with similar at Oaklawn. In each of those races the 1st and 3rd place finishers came back to win, so perhaps they were races that were better than they look on paper. We'll make **Big Gray Rocket** a very tepid, gambling HF 15a.

CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Misspent Youth :22.6 - Gray Sky :25.7 - Gizmo Jones :25.8

RACE APPRAISAL

ANALYSIS: Hollywood Handsome just missed with similar Feb 17 and was 2nd in a Grade II March 24, both at Fair Grounds. He then shipped to Keeneland, added blinkers and ran poorly in a Grade III April 14. The blinkers come right back off and he could be a strong bounce back threat dropping back to this level. He's our HF 15a. **Sonneteer** was an upset winner in a Stake on good at Oaklawn Jan 12, ran poorly in the mud in a Grade III Feb 19 and finished a distant 4th in a Grade II on fast April 14, also at Oaklawn. He looks like he might be able to contend at this level. **Irish Freedom** wasn't doing much in Graded Stakes at Santa Anita and also was no factor with this kind there on a 'good' track March 23. He moves from Baffert to Cox, will have blinkers removed and might rate some consideration in this field. **Krewe Chief** tops the charting off a daylight romp vs. conditioned $40,000 claimers at Keeneland April 12. He was claimed by Maker (from Sims) that day and probably deserves attention as this isn't the strongest of fields for the level. That said, he was no threat with this kind in his first two starts this year. **Laddie Boy** ran poorly in a high-line Allowance April 21 at Keeneland, his first start of the year. He had won four straight mid-level Allowance/Optional $50,000 claimers at Indiana to end 2017, so perhaps he can surprise at a big price in his second off the layoff. He's our HF 20. Finally, **Lookin At Lee** ran 2nd in last year's Derby at a huge price. His 2018 form has been kind of so-so, most recently when overmatched in a Grade II at Oaklawn April 14. Maybe he can perk up with these, but we're playing against him if he goes off anywhere near is 5/2 morning line.

CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Lookin At Lee :30.1 - Krewe Chief :30.2 - Irish Freedom :31.5

HF EXPLANATION

(Column 8 on each race page contains the following numbers that refer to these factors.)

1	**FIRST TIME STARTER** - Horses with some racing experience, even when limited, often perform better than first-time starters even though the latter may have greater potential.	**15a**	**IN-THE-MONEY** – This horse appears to have most of the elements suitable for an in-the-money performance.
2	**LIVE HORSE** – It appears this horse is ready for a top performance.	**16**	**LONG LAYOFF** or **RECENCY** – Horse is coming off a layup of more than 90 days and the lack of racing is a potential negative.
3	**DISTANCE CAPABILITY** – This distance may present a problem for this horse.	**17**	**LEG WRAPS** – A horse racing with leg wraps may have some physical trouble or suspected weakness, and this horse has been wearing them.
4	**EQUIPMENT CHANGE** – Any equipment change may affect a horse's performance, and this horse is scheduled for a change today.	**18**	**AGE** – The age of this horse is not consistent with that of his competition. A young horse against mature horse or a particularly old horse against younger horses may be at a disadvantage.
5	**TROUBLE PRONE** – Certain horses encounter trouble frequently, often being self-caused, such as not running straight, starting slowly etc. This one seems to be that type.	**19**	**IMPROVING** – This horse seems to be improving or should improve in this field.
7	**INSIDE POST POSITION** – This inside post position may cause a problem for this horse at this distance.	**20**	**LONGSHOT** – Some indicators that are present when horses surprise with a good performance at high odds are noted.
8	**OUTSIDE POST POSITION** – This outside post position may cause a problem for this horse at this distance.	**21**	**FITS RACE** – This horse seems to fit this race.
9	**PACE** - The probable pace or speed in the early part of this race may not be suitable to the racing characteristic of this horse.	**21c**	**FITS RACE** – This horse seems to fit this race except for class.
10c	**HIGHER CLASS** – This horse is being tried at a higher level.	**21d**	**FITS RACE** – This horse seems to fit this race except for the distance.
10d	**LOWER CLASS** - This horse is being tried at a lower level.	**21r**	**FITS RACE** – This horse seems to fit this race except for a lack of recency.
11	**FEMALE vs. MALE** – Since it usually takes a better-than- average female to beat an average male, there could be a problem here	**22**	**CONDITIONS HORSE** – The conditions for eligibility are ideal for this horse.
12	**FOREIGN RACES** – Previous races for this horse were out of this country. It is difficult to appraise them.	**23**	**WORK READY** – Previous patterns and/or special circumstances make recent works very important here.
13	**RELEASED FROM CLAIMING JAIL** – This horse could be dangerous. He is out of Jail and back to a lower level. (See Glossary under 'Jail').	**24**	**SURFACE** – The type surface for this race may not suit the horse.
15	**IN-THE-MONEY** – This horse appears to have all the elements suitable for an in-the-money performance.	**25**	**BETTING** – If the betting on this horse is heavier than expected contention is likely.
		86	**VETO** – There is no justification for a win to be expected

RACE APPRAISAL

ANALYSIS: Unbridled Rebel, D Squared and **Irish Territory** are the three main contenders we're looking at. **Unbridled Rebel** has just missed in two straight with this kind at Gulfstream and might be the most logical winner. Of course, he'll probably be the lowest odds of our trio, too. **D Squared** finished 2nd debuting with this kind sprinting on dirt at Gulfstream March 11 and was 4th with similar sprinting on dirt April at Keeneland. He has nice mile turf breeding and could improve in this spot. **Irish Territory** ran 2nd in a Grade II at Saratoga Aug 30. He didn't have a great trip and might not have cared for the heavy footing in his comeback with this kind at Keeneland April 19. He could wake up in his second off the layoff. A win by any of the three wouldn't surprise, but we'll give the HF 15a's to **D Squared** and **Irish Territory** (both 5/1 on the ML) and either dutch or play the higher priced of the two. Our HF 20 is **Believeinholidays**, who just missed with this kind when switched to the grass March 22. He shows an improving numbers pattern and might have found a home on the lawn. **Midnight Tea Time** has run decently in his first two and could make an impact, as could **Snap Hook**, who just missed in his debut with this kind, but regressed a bit in his second start.

CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Midnight Tea Time :22.9 - Snap Hook :23.5 - Welles Crowther :23.7 - Makeamericagreat :24.2

FIRE NUMBER – FIRE stands for Final Race Equation and it's a true velocity rating that accounts for a horse's speed during the 'entire' race, not just his final time. We developed the FIRE number with every tool available to us. The projected FIRE number for each horse can be found in the top section of each race under the column headed FIRE NUM. This is the figure to which the horse is projected to run TODAY! Additionally, we print up to 10 FIRE numbers for each horse in the Data Lines (beginning with the horse's most recent race - look for **LAST 10 FIRE**). First-time starters and foreign horses will be marked with an 'X'; lightly-raced horses who seem better than the FIRE number would suggest will get a '?', read this last symbol as 'capable of improvement'.

RACE APPRAISAL

ANALYSIS: Behavioral Bias just missed in a high-line Allowance sprinting on 'good' at Fair Grounds Feb 10, and then was a solid 4th in a Grade III going seven furlongs at Keeneland April 7. He may handle this one-turn mile and figures to offer square odds. He's our HF 15a. **Cool Arrow** won a similar affair at Fair Grounds March 31, his first start since last May. He's actually won three of the last four times he's raced on dirt, so he's another that could offer decent value on the tote. **McCraken** is the hard one to figure having not raced since October. He's a Graded Stakes type that fits the conditions perfectly, but this could also be a prep for longer as he hasn't raced around one turn since 2016. He's worked 10 times since Feb 27, and maybe his class will prevail even at this shorter trip. We're not too sold on the rest of the field, so we'll concentrate on the above three.

CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Cool Arrow :25.7 - Siem Riep :25.9 - McCraken :26.0

For fans of the Pick Six Scramble, simply employ the following strategy with the horses listed on the Quick Pick Page. The requirements are two 'singles' somewhere in the Pick Six. Place your 'singles' in their proper spot and then select three horses in each of the other four races. Label the first three horses 'A,B,C,', the second set as 'D,E,F' the third set as 'G,H,I' and the fourth as 'J,K,L'. Use the following patterns to build your nine $2 tickets. In this example our 'singles' are in legs 2 (s1) and 4 (s2) of the Pick Six.

RACE APPRAISAL

ANALYSIS: It's rematch time in this race. **Finley'sluckycharm, Lewis Bay, American Gal** and **Salty** finished 1-3-4-5 in a Grade I at Keeneland with less than ¾ of a length separating them at the wire. The connections of **Finley'sluckycharm** must love hearing 'My Old Kentucky Home' as she's 6-for-6 at Churchill and 2-for-2 at Keeneland. She deserves plenty of respect once again. **Lewis Bay** has run strongly in three Graded Stakes since coming off over a year layoff in December, all around one turn. She'd be no surprise. **American Gal** was coming off an eight month layoff and just got a bit tired late in that April 1 common race. That was the first time she had lost in a one-turn race, and she could easily make amends in her second off the layoff. We'll make her our HF 15a. **Salty** ran decently in that April 7 heat, but will probably need a pace meltdown to challenge. **Ivy Bell**, who won a Grade II at Gulfstream March 17, and **Skye Diamonds**, who tops the charting off her 3rd in a Grade II at Santa Anita are a couple of new faces that could make their presence felt as well. Good race.

CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Ivy Bell :35.5 - Skye Diamonds :36.4 - Miner's Cat :36.5 - Salty :37.0

RACE APPRAISAL

ANALYSIS: Res Ipsa rallied off a fast pace and just missed off the bench in a Grade 3 at Gulfstream March 31. She owns two route wins over this course, she co-tops the charting and she has a right to be tighter with recency. Leparoux is back to ride and we'll give **'Ipsa** the HF 15a. **On Leave** seems to fire every time out and she was a good 3rd in that March 31 affair. That was her first start of the year, J. Ortiz knows her well and another good effort could be on tap. **Proctor's Ledge** just missed off the bench in a Grade 2 at Tampa Bay Downs March 10 and may have bounced last time out when 8th in a Grade 1 April 14. She charts "right there" off that March 10 affair, she makes her third start off the bench and Johnny V. takes over. We'll give **'Ledge** the HF 20. **Madam Dancealot** seems to fit well at this level as both of her turf route wins in this country were a Grade 2 including at Santa Anita March 18. She only plots in the middle, but she could be a late threat right back under Nakatani. **Dream Awhile** just missed in a Grade 3 at Gulfstream Feb 10. Her connections are easy to like, but class is a cloud and her numbers are on the soft side. Demand playable odds if she is your play. **Thundering Sky** doesn't win very often, but she has finished 2nd in her last three starts at this level. Maybe she can impact the exotics. **La Coronel** has earned minor awards in all three starts this year at and around this level. She has lost ground in the stretch in those three and she may be bet against material if she is anywhere near her 3/1 morning line.

CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Dream Dancing :22.3 - Madam Dancealot and Dream Awhile :22.7 - Proctor's Ledge :23.0

UNDERSTANDING THE HF 2, 15, 15a and 20

The Handicapping Factors (HF's) 2,15,15a and 20 are used by our writers for selection purposes and each HF should be viewed a bit differently. The HF 2 is our strongest endorsement. A Digest writer will assign the HF 2 when he feels a horse is an absolute standout in a race. Usually the favorite, this horse will most often be below 2-to-1. HF 2's can be used as strong singles in the Pick-3 and Pick-6 or as 'keys' in the Exacta and Trifecta. (NOTE: A horse receiving an HF 2 will also automatically get an HF 15). A horse receiving an HF 15 is also considered a strong play and can be used in all exotics wagering. The HF 15a is a bit more complicated as this designation is the writer indicating he likes the horse's chances, but the race is competitive. In a wide-open race when the HF 15a is below 3-to-1, refer to the race analysis for the other contenders or the main threats on our Quick Picks Page. Often times one or two of these contenders will offer more value at the windows and thus represent a better play. Finally, the HF 20 is our longshot. HF 20's go to horses who might not be the most-likely winner, but have a chance and likely will be overlooked by the betting public. Including the HF 20 in the exotics can often lead to a 'Big Payoff'.

BEATEN LENGTHS

The beaten lengths shown in the data lines have been converted to decimal form. To help make them more understandable, here are our equivalents:

Nose = .05	½ length = .50
Head = .10	¾ length = .75
Neck = .25	

HOW TO READ TRACK BIAS

The main track can be biased toward front-runners or late-runners and/or horses racing on the inside or outside part of the track. To define how the track was playing we've added a track bias column in the data lines. The following symbols will be used in that column:

An	F	=	A Front-runner's or speed bias
An	L	=	A Late-runner's or closer's bias
An	I	=	An Inside bias
An	O	=	An Outside bias

Each will carry a modifier of 1 (moderate), 2 (strong) or 3 (dominant).
Turf races may have a frontrunners or late-runner's bias as well as an indication whether the auxiliary rails were up (up) or down (dn)

Examples:	F1/O3	=	Moderate Frontrunner and dominant outside biases.
	L2/DN	=	Strong Late-runners and the rails were down on the turf.

RACE APPRAISAL

ANALYSIS: Imperial Hint came back a winner in a $100k Stakes at Tampa Bay Downs March 25. There is no question about his class as he was 2nd in the Breeders' Cup Sprint Nov 4, he co-tops the charting and he has worked fast since raced. Castellano strings along and we'll give **'Hint** the HF 15a. **Limousine Liberal** just missed in a Grade 3 at Keeneland April 7. He won this event last year and seems to be a different horse over this track with five wins from seven sprints. He is reunited with J. Ortiz and he could be tighter with recency. **Awesome Slew** ran into a buzzsaw (Army Mule) in his comebacker when a distant 2nd in a Grade 1 at Aqueduct April 7. He just missed in this event last year and he could be

one to fear late under Ortiz Jr. **Outplay** was a sharp winner in his return vs. $62,500 Optional Claimers at Gulfstream March 31. He has yet to win a Graded Stakes, but he worked fast over this track April 27 and his connections are easy to like. **Outplay** is the HF 20. **Whitmore** loves Oaklawn and he won both of his starts there including a Grade 3 April 14. He won his lone sprint over this track and his recent numbers are easy to like. We wouldn't rule him out.
CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Conquest Windycity :36.3 - Awesome Saturday :36.4 - Outplay :36.7

RACE APPRAISAL

ANALYSIS: River Boyne pulled off the hat trick in a $200k Stakes at Santa Anita March 17. He plots close, he has worked steadily since raced and he is reunited with Prat. Maybe **'Boyne** can keep his win streak going as the HF 15a. **Maraud** won two straight including a Grade 3 prior to his 5th in a Grade 3 at Keeneland April 6. That was over a yielding course, he worked fast April 27 and he tops the charting off that March 3 win. **Maraud** could be a bounce back candidate. **Rushing Fall**, a filly, remained undefeated in a Grade 2 vs. her own sex off the bench at Keeneland April 8. She won the Breeders' Cup Juvenile Fillies turf last year, her connections are top-notch and she charts close. Mark her a contender. **Threeandfourpence** was no match for Kentucky Derby entrant Mendelssohn March 31, but did finish a good 2nd to that rival over a synthetic track in Ireland March 9. He makes his third start off the bench and is a turf sprint winner. **Captivating Moon** has finished in the Exacta in all four turf routes including a distant 2nd in a Grade 3 at Keeneland April 6. He only plots in the middle, but maybe he can impact the exotics once again.

CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Maraud :29.1 - Rushing Fall :29.2 - Speed Franco, Arawak and Admiralty Pier :29.5

RACE APPRAISAL

ANALYSIS: Mask was a sharp winner in start #2 at this trip in a $100k Stakes at Gulfstrream Jan 6. Off since, he tops the charting, he shows six works since March 24 and Castellano is back to ride for the Chad Brown barn. **Mask** is the HF 15a. **Sporting Chance** ducked out once again when 3rd (DQ'ed to 4th) in a Grade 2 at Keeneland April 7. He shows a rising numbers pattern, he has worked fast since raced and his last win was at seven furlongs Sept 4 so he may enjoy this trip. Now, can he maintain a straight course? **Madison's Luna** was an easy winner in start #2 vs. similar sprinters at Gulfstream March 24. He is bred to go at least this far and he figures to be a pace factor at the very least. **National Flag** has won three of his last four starts including a Grade 3 sprint at seven furlongs at Aqueduct April 7. He overcame a poor start that day, Prat returns the call and maybe he can make an impact right back. **Mississippi** and **Restoring Hope** both finished 3rd in a Kentucky Derby prep in their last starts. They should enjoy the drop in class and it would be no surprise to see one or both help fill out the exotics.
CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Mask :23.8 - Funny Duck :23.9 - Lombo :25.2

METHOD HORSE II

An approach to isolate the contender in each race.

   1. Draw a line through all scratched horses in the top section of the Digest race page.

   2. Award 10 points to all horses with a COLUMN 4 score that is 10 points higher than the Race level shown in the heading for each race.

   3. Note the top 3 high scores in COLUMN 6. Award 8 points for 1st (and ties). 5 points for 2nd (and ties); and 3 points for 3rd (and ties). Be sure to eliminate the scratched horses before awarding points.

   4. If there is only one "F" ("Lone F") in PER COLUMN 7, award 5 points.

   5. The following Handicapping Factors in COLUMN 8 receive points:

     HF 2 = 15 pts.

     HF 15 = 8 pts.

     HF 15a = 4 pts.

     HF 20 = 4 pts.

     HF 21* = 2 pts.

     * - Assign no points for HF 21c, 21d or 21r.

   6. Fractional Chart Order of Finish: (First line under each race table).

     1st (and ties) = 10 pts.

     2nd (and ties) = 6 pts.

     3rd (and ties) = 3 pts.

     "Too many unshowns" award no points.

If necessary, refer to the Fractional Time Comparisons page in the front of the Digest for the complete fractional chart order of finish to determine complete point totals.

   7. In case of ties, split contenders in this method:

     A. Prefer the horse with the highest ratings in Col. 6.

     B. If still tied, prefer the high score in Col. 5.

     C. If still tied, prefer the contender with the highest number in Col 15.

After tie breakers, the top two horses should be considered solid contenders with the first choice, of course deserving the strongest support. The final betting selection rests with the individual but it is suggested that the novice player stick to the top selection. Although this method will produce a play in every race, advanced handicappers may wish to improvise with additional rules (recency, jockey/trainer, price or weight restrictions, for example). Considerations of this sort will limit action somewhat but should also increase long-term profits.

RACE APPRAISAL

ANALYSIS: Yoshida looked like a future star in the making on Preakness Day last year and he capped off 2017 with a Grade 3 win at Belmont Oct 7. That race has produced four next-out winners, J. Ortiz takes the call and he plots well. We'll give **Yoshida** the HF 15a. **Beach Patrol** was a multiple Grade 1 winner last year and was 2nd in this event last year. The comebacker has pressing speed, Rosario is back to ride and his barn is dangerous with layoff stock. Tote and paddock checks seem in order.

Synchrony has found a home on the turf and he won a pair of Graded Stakes this year at Fair Grounds. He tops the charting off his Feb 17 win and Bravo is back to ride. Look for him to be running on late.

CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Yoshida :35.4 - Synchrony and Beach Patrol :35.8 - Camelot Kitten :36.2

*** DIGEST POINTERS ***

Common Handicapping Factors (HF's) used in Today's Racing Digest

While picking winners is everybody's #1 goal, not everyone likes to spend the entire day pouring over a bunch of stats and figures that are about as easy to understand as a calculus exam. So, how exactly can you get a decent grasp of who the main contenders are in each race, and still have time to down a few refreshments and catch some rays? We here at Today's Racing Digest just may have the answer, as we identify both the contenders and the pretenders with what we refer to as Handicapping Factors. Listed below are the most common

HF's that you will find in the Digest, and if you have trouble finding where these figures are listed, just look up at the top of each race page and you'll locate them in Column 8, which appropriately enough is entitled 'Handicapping Factors'. Good luck, and if you win, just consider it dinner on us.

HF 2: This is a horse that we feel is about as close as you can get to a 'sure thing'. The price likely won't be great, but if you just want a winner, this is the number to look for.

HF 15: This number goes to horses that look like a winner, and are extremely likely to hit the board (i.e. run first, second or third). More often than not, horses with a 15 designation will earn you enough money for a hot dog, but if you happen to see a 15 attached to a horse that is 3/1 or better on the tote board, then he's a pretty good 'value' bet as well.

HF 15a: The most common of the Digest 'push' factors, this number basically means that the handicapper likes this horse, but not as much as an HF 2 or HF 15. Basically, the horse has a good chance to win, but please don't bet your rent money on the win end.

HF 20: The longshot play. This popular number designates a runner we feel may be ready for a winning effort at odds that are likely to be 6-1 or higher. It's not as high a percentage of a play as the other HF factors, but the reward more than justifies the risk when they win.

HF 19: We use this number to point out horses who should show improvement in today's race.

HF 21: Certain horses entered in a race may have run well under similar conditions. When you see a 21, that means the horse seems to fit well in that race.

SIRE TURF, SYNTHETIC and MUD STATS for every horse

For years we have included the win percentages of each sire's first time starters. These stats have helped isolate early winners. The Digest also includes the win percentages for each sire's turf and mud starters. The stats appear after the sire's name in the Breeding line of each horse's comment. In the example below, Deputy Minister's offspring have won 20% of their turf starts, 11% of their synthetic track starts and 17% of their mud starts. For this study, mud is considered any dirt race where the track condition was not 'Fast'. The turf win percentage is followed by the letter code 'T' and the mud win percentage is followed by the letter code 'M'. If a horse shows just a single stat, or no statistic, it means that the sire had no corresponding statistic in our turf and/or mud sire studies. In this example (below), Lahib had no Mud Starters and his Turf Starters were winless. Our Turf and Mud studies cover over 10 years of racing, beginning Aug 1, 1989.

RACE APPRAISAL

ANALYSIS: The public has done a good job of finding the winner in the Derby over the last 14 years. Favorites have won nine times since Smarty Jones won in 2004, including the last five. **Justify** is the 3/1 morning line after winning his three 2018 starts by a combined 18-1/2 lengths. However, he'll be out to buck a longer trend, the curse of Apollo. No horse since Apollo won in 1882 has won this race without having run as a 2-year-old. It's going to happen one day and there are actually two horses with a chance to do it, as **Magnum Moon** is 4-for-4 since beginning his career in January. We'll bet against **Justify** all day long for the following reasons: This will be his fourth race in 76 days and that's a lot to ask of a horse with such a limited foundation. He had only four rivals in his first two starts and, while he beat six horses in the Santa Anita Derby, that was essentially a match race with **Bolt d'Oro** that he won by controlling a slow pace. Today's race, with 19 opponents, should be a much stiffer test for him. He figures in the hunt and can likely stalk the pace, but how will he react to adversity? **Magnum Moon** draws the 16 hole (before scratches) and that's been a good post lately. He set the pace when best in the slow-early Arkansas Derby, but looked much sharper when best in the Rebel and he's likely to tuck in behind the leaders today. He seems likelier to overcome the 'curse'. **Good Magic** was the 2-yo champion after winning the Breeders' Cup Juvenile over a very biased Del Mar strip. He disappointed in his first start this year, but looked much sharper when he made a good run around the far turn to win the Blue Grass at Keeneland April 7. That win produced a solid 150 Final Time Rating and there appears to be enough speed (**Promises Fulfilled, Flameaway, Justify**, and **Mendelssohn**) signed on to set up his balanced attack. The Blue Grass Stakes, for whatever reason, has not produced a Derby winner in eons. That's another trend to consider. **Vino Rosso** raced close to the pace and weakened in two starts at Tampa Bay, but showed a new dimension when he drew the outside post in the Wood Memorial, as he relaxed while wide and made a good run around the turn to engulf **Enticed** and draw away. He, too, figures close on paper **Mendelssohn** won the Breeders' Cup Juvenile Turf at Del Mar and he's 2-for-2 on main tracks in 2018. He won on an all-weather surface in Ireland March 9 before shipping to Dubai to win the UAE Derby by 18-1/2 lengths. He controlled the pace and drew off while appearing to be the only horse that handled the surface. He's since flown back to Ireland and arrived at Churchill late Monday night. He'll get a chance to gallop before running. The UAE Derby winners have not fared well in the Derby, but **Mendelssohn** has successfully shipped twice before and may buck the anti-shipper trend. That brings us to **Audible**, who is 8/1 on the line and has been freshened since an eye-catching win in the Florida Derby. One of four Pletcher runners in the lineup, he was allowed to drop all the way back to last before making an extended run to win the Florida Derby going away. He plots on top just as he did last time and he is a better horse on race day than he is in the morning. He gets the HF 15. Looking for an upset to pad the college fund? **Hofburg** had to wait for racing room before chasing **Audible** home in the Florida Derby. He's making just his third start of the year and has just a Maiden win in the books, but he has upset potential as does **My Boy Jack**. He's put forth two strong runs around the far turn in his last two starts and could benefit the most if the pace is too fast. Those two will share HF 20 (longshot) status in what shapes up as one of the most evenly-matched races in years.

CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Magnum Moon :23.7 – Justify :24.3 – Audible :25.0

HORSE COMMENTS

Firenze Fire gets the worst post and was no in either the Wood Memorial April 7 or the Gotham Stakes March 10. He's an HF 86. ML 50.

Free Drop Billy is another that would seem to have little or no chance from the inside. He has not been close in three starts this year. ML 30.

Promises Fulfilled gives Romans (Free Drop Billy) a second starter. H won three of his first four starts and looked sharply upsetting Good Magic in wire-to-wire fashion in the Fountain of You March 3. He went way too fast early and was eased in the Florida Derby and will likely have to be used to get position from the inside. He may well be the first horse to the turn, but he may never get a breather. ML 30.

Flameaway has turned in only one bad race to date, a pop-and-stop showing in the Breeders' Cup Juvenile, a day when the bias didn't help him. That said, he was he was only beat a little over three lengths. He exits back-t-back 2nds, as he chased Good Magic home in the Blue Grass April 7 and was 2nd in the Tampa Bay Derby March 10. He figures to be prominently placed outside of neighbor 'Fulfilled and may be able to run this far. ML 30.

Audible is undefeated since being stretched out to a mile for his second start. He was an overlay at 8/5 when he won the Florida Derby. His odds were likely inflated by a series of lackluster works following his Holy Bull win. His works here haven't been any different, so let's assume that he's just as sharp as he was in Florida. He may be the value play among the Pletcher runners. The five-hole has been a productive post in this race, too. ML 8.

Good Magic was the best 2-yo of 2017 as he rode a strong track bias to an impressive win in the Breeders' Cup Juvenile at Del Mar. Freshened for four months after that win, he was knocked down to 3/5 to win the Holy Bull, but we made him bet-against material that day and he was unable to make any real dent in wire-to-wire winner Promises Fulfilled (above). He was much better meant in the Blue Grass Stakes April 7 and turned in a professional win when he tracked the pace and wore down Flameaway through the stretch. The race earned a solid mark, but it was a relatively weak heat and it's been eons since the Blue Grass winner returned to win the Derby. That said, he's impressed in the a.m. and Chad Brown has been on fire this spring. He's a contender. ML 12.

Justify will be making his fourth start in just 76 days as Baffert has been playing catch-up with this son of Scat Daddy. He's won his first three starts by a combined 19 lengths, most recently when controlling the slow pace in the Santa Anita Derby. That was essentially a match race between him and Bolt d'Oro and the race was over once he made it to the front. He drew off late and the number was decent. This will be by far his toughest test after having just four rivals in his first two races and just six last time. He's favored despite the lack of experience. Yes, he's looked good winning. And, yes, he's trained well since raced. And, yes, Baffert calls the shots. He's bet-against material just the same given that he's just 3/1 on the line, never raced as a 2-year-old, and has never faced this kind of competition. ML 3.

Lone Sailor looked like a winner in the Louisiana Derby until he bore out while trying to get past Noble Indy (below). His lone win to date came when he beat Maiden sprinters over a sloppy track at Saratoga last summer. The Louisiana Derby seemed weak and we'll toss this one. ML 50.

Hofburg scored as a comebacking second-timer at Gulfstream Park March 3 and he had some excuses when chasing Audible home as the 8/1 HF 20 in the Florida Derby. Like Justify, he has just two starts, but he ran as a 2-year-old and has run well in bigger fields this year. He's a son of Tapit, so the distance should not be an issue. He's eligible to take another leap forward. ML 20.

My Boy Jack looked like a Kentucky Derby contender when he looped the field and ended up 3rd in the Louisiana Derby. He was in a must-win situation when he returned in the Lexington Stakes April 14 and he got the job done while under a solid ride from Kent D, who rides this one for brother Keith. Visually, he's looked the part. The numbers suggests otherwise. He's longshot material just the same. ML 30.

Bolt d'Oro was a precocious 2-year-old that has not improved as a 3-year-old. He wound up on the slow inside late in the Santa Anita Derby and it's tough to rally against a Lone 'F' tripper there, too. He's worked well enough for this, but . . . ML 8.

Enticed relaxed and rallied to win the Grade 3 Gotham March 10, but tracked a long-priced, runaway speedster in the Wood. He got first run at the leader, but was under ride when he began to move and he offered little resistance with Vino Rosso rallied past him. He did win the Kentucky Jockey Club on this layout as a 2-year-old (Super Saver won that race before winning the 2010 Derby – though he's the only recent example). ML 30.

Bravazo beat Maidens going a mile here last year and began 2018 with back-to-back wins. He rallied to beat Allowance milers at Oaklawn Jan 13 and pressed the pace and narrowly lasted to post a $44 upset in the Grade 2 Risen Star. He drew the rail in the Louisiana Derby and fell apart after six furlongs. You don't see many Derby winners rebound from such a poor performance. ML 50.

Mendelssohn is the 'x' factor. He won the Breeders' Cup Juvenile Turf at Del Mar and has made two starts in 2018. He was moved to the all-weather surface at Dundalk, stalked the pace and got up late to win March 9 and returned three weeks later to crush the field in the UAE Derby. He set the pace while relaxed last time and then drew off under a vigorous ride. The half-brother to the mighty Beholder cost $3M as a yearling and he's already earned nearly $2M. A win today would make him worth 10 to 20 times his original price. He's without shipping throughout his career and will get a chance to gallop over the track on Thursday. He would appear to be the most dangerous UAE Derby winner to date. ML 5.

Instilled Regard won a Grade 3 Stakes at the Fairgrounds Jan 13, but was beaten 10+ lengths by Justify last time and would be a huge surprise. ML 50.

Magnum Moon is another trying to win the Derby without racing as a 2-year-old. He brings a perfect 4-for-4 record into this and has won on three different surfaces. He's won in the clear each time and his best race may have come in the Rebel March 17 when he was able to relax and stalk the pace. The 16-hole has been productive and he would be no surprise. ML 6.

Solomini chased Magnum Moon home in his last two starts at Oaklawn and is making comeback start #3. He loomed up into the stretch in the slow-early Arkansas Derby, but was outsprinted late. He figures to be among the first six or seven early, but he needs to do much more to threaten. ML 30.

Vino Rosso ran in spots in the Sam Davis March 10, but regressed when tracking the pace in the Tampa Bay Derby as he backed out it early. Velazquez changed things up in the Wood Memorial, though, as he was drawn outside and was able to let 'Rosso relax while out in the clear. He moved up around the far turn to challenge the for the lead and drew late. That was his second start in blinkers and he figures strongly. He can threaten if he repeats that race. ML 12.

Noble Indy hugged the rail and proved best to win the Louisiana Derby, but one had the impression that he was the third best horse in the race. This outside post likely compromises his press-the-pace style and he loses Velazquez to Vino Rosso. ML 30.

Combatant was hurt by the very slow pace when 4th in the Arkansas Derby April 14 and was lapped on Solomini when 3rd March 17. He figures to lag and try to pass tired horses. Big Brown won from the 20 hole, but this one is no Big Brown, though he has run well from outside posts in his last three starts. On the other hand, he's yet to beat winners. ML 50.

Blended Citizen is an also-eligible for good reason. His wins have come on grass and Tapeta. That makes him a little bit like Mendelssohn, but the comparisons should probably end there. ML 50.

RACE APPRAISAL

ANALYSIS: Still here? The long Derby card still has two more races. We'll focus on **Battle At Sea**, **Shadow Sphinx**, and **Regal Quality** while also discounting the chances of paper-race winner **Magicalmeister**. 'Sea is shooting for the hat trick after improving sharply when stretched out vs. Louisiana-bred Maidens Feb 10. He went wire-to-wire and returned to beat state-bred Stakes runners at this distance March 24. He's hooking other speed, but may still take some catching. 'Sphinx is another up from Louisiana only. He was put up for sale when tried with $40,000 NW2 types and moved to dirt April 11. He relaxed to track the pace before making a winning move into the stretch. Santa Anita-based Richard Baltas claimed him and runs him back under the Allowance conditions. 'Sphinx has won his last two dirt starts by daylight and may be this good. **Regal Quality** stalked the pace to beat Tampa Bay Maidens Feb 7 and the Pletcher trainee may have rallied too soon when tried with this kind March 4, as he made a swooping move to take the lead into the stretch only to be collared late. He has the look of a classic NW1 Allowance winner and catches the HF 15a. **Magicalmeister** dominates on paper, but he was 39/1 when he won on Polytrack Feb 23, but regressed in his next starts. That's the norm with these longshot improvers.

CLOSERS: Fastest in the stretch in recent races at or near this distance have been: King Zachary and Shadow Sphinx :30.6 - Determinant :31.1 - Regal Quality :31.2

RACE APPRAISAL

ANALYSIS: Steve Asmussen's **Limation** raced evenly to split the field in two sprints in February, but came off a seven-week break to set a hot pace before caving in late in the opener on the Arkansas Derby card. He can improve. **Taranto** owns a share of the paper race bassed on his Feb 17 turfer at the Fair Grounds. He has been a nibbler to date, but his last race has produced two winners and he has OK dirt breeding. **Making a Marc** shares the paper race win and he's run 2nd in his last four starts. That makes him exotics material again, but he's running out of excuses. The HF 15a lands on **Corot**, though. He ran well as a comebacking second-timer and today's slightly longer trip should suit him and recency should, too. **Mo**

Zone is stretched out for career start #3. He was parked wide April 13, made a mid-race move and flattened out. He may be fully fit now and gets a better post. However, the second HF 15a goes to **Elusive Hero**. He improved sharply in start #2 for Ian Wilkes, who races his stock into shape. He owns the best last-race Final Time Rating (129) and may be the one to fear most. Hope you enjoyed the day. We'll cover Sunday's Gulfstream Park card and then it's back to Churchill next week.

CLOSERS: Fastest in the stretch in recent races at or near this distance have been: One More Tom and Corot :24.7 – Taranto :24.9

TODAY'S RACING DIGEST is designed to simplify the handicapper's job by evaluating past performances and relating them to today's race. To that end, the Digest provides the following on each page:

1. **Distance** – This is the distance of this particular race. If this was a turf race, we'd also note that here.
2. **Conditions** – We list the race conditions here. This particular race is a Starter Allowance.
3. **Track Profile** – This feature gives you an idea of what kind of running styles (e.g., frontrunners, pressers, etc.) have been winning at the race's distance. We list the number of races included in our study (22, in this case), then list the type of running style and the win-percentage. For example, Frontrunners ("F") have won 22.7% of the 22 races at this distance while Late-Runners ("R") have won just 4.5%. (F=frontrunner, P=pressers, M=midpackers, R=Late-Runners.)
4. **Race level** – The Digest assigns a number to each type or class of race. In this case, the race is a 130 on our class scale. This number allows you to compare races of different types to determine which races are stronger, the same class or weaker. Five points equals one class level.
5. **Race Conditions** – This is an abbreviation of the Conditions of the race.
6. **Purse** – This is how much money is up for grabs for this race. In most cases, the winner usually receives about 55 percent of the purse.
7. **AFTL** – The acronym stands for Average For The Level and are "par" times for the class. In other words, this class of animal should run these times over a normal surface. Compare the horse's times listed in their Data Lines (past performances) to the AFTL to see which horses have come close to running to par for this class.
8. **Favorites** – We list the percentages for winning favorites and favorites in the money under these class, age, surface, and distance conditions. Believe it or not, certain races produce more upsets than others and we try to give you the heads up by providing these stats.
9. **Horse** – We list the horses' names here, in post-position order. Also, sometimes you'll see a symbol after the name and this indicates the horse is having some type of equipment change. For instance, a "#" indicates the addition of blinkers, a "@" indicates blinkers are coming off and. FBH indicates a Foreign-bred horses. We also note betting entries by a letter ("A" or "B") before the name.
10. **Jockey** – This lists the jockey for each horse. When you see a dot (".") after the jockey's name, it means this jockey is replacing the jockey used from the previous race. An "x" after the jockey's name indicates he is an apprentice.
11. **Fire Number** – This is the horse's FIRE Number, a speed figure that takes into account each and every time recorded by the horse during the running of a race. The higher the number, the faster the horse.
12. **Weight & Change** – We list how much weight the horse is expected to carry here, as well as the difference between today's weight and the weight carried in its last race.
13. **Age/Sex** – How old is the horse, you say? We list that here, along with the horse's sex. (c=colt, g=gelding, r=ridgling, f=filly, m=mare)
14. **RRL** - Recent Race Level. This is the Race level of the horse's last race. Compare this number to the Race level in the Race Header to quickly determine whether the horse is up or down in class.
15. **RCL** - Recent Competitive Level. We list the Race level where the horse has recently been competitive. An "x" in this column indicates a horse hasn't been competitive at any level recently.
16. **CPR** - Comprehensive Performance Rating. Another Digest speed figure, this one is the oldest of the Digest's speed numbers. Once again, the higher the number, the faster the horse.
17. **Total** – This column is the total of RCL + CPR. It gives you a class and speed figure all in one.
18. **PER** - Performance Early in Race. We list the running styles for each horse. Just as we list in the Track Profile feature, F=frontrunner, P=presser, M=midpacker, R=late-runner
19. **Handicapping Factors** – Each horse usually receives certain Handicapping Factors (HF), which serve as a type of shorthand for us to communicate certain things about a horse to you. Most important in this column is our "push" factors. When we like a horse we'll use a 2 (love the horse), 15 (really like), 15a (like) or 20 (longshot).
20. **Equipment** – This is the equipment the horse has been or is scheduled to wear. B=blinkers, FW=front wraps, 4W= four wraps,
21. **Trouble** – If the horse was in trouble in any of its races, we list that here. A "1" indicates a horses last race, a "2" a race back, etc. If the number is in parentheses (e.g., (2)), that means it was self-caused trouble.
22. **Off Track** – If the horse is proven over an off track, we list the Track Variant for that day here.
23. **Best Prev Sur Dis** - Best Previous CPR on the surface or distance. Pretty self explanatory. Whatever the distance or surface of today's race, we note the best CPR he's earned.
24. **Past Class** - Whatever the horse's highest proven Race level, it's listed here. This let's you know how classy a horse once was.
25. **Average RCL** – This is an average of the horse's recent Race levels where it has been competitive.
26. **Last CPR** – Simple, it's the CPR (remember, the CPR is a speed figure) from the horse's last race.
27. **Fractional Chart Order of Finish** – Lists the top finishers according to the Digest's popular Fractional Charting (a projected race using representative performances from each participant in today's race.)
28. **Average Times** – The times listed on the ET (Expected Times) row are those expected from today's field based on previous performances (these are the best times at each call in the Fractional Charting). The AT (Average Times) are based on the times high class horses run at the distance/surface. The AFTL (Average For The Level) times are the "par times" for today's class of runners. In other words, they are the average times

29. **Analysis** – In this section, Digest handicappers provide their assessments of today's race, emphasizing pace and class and highlighting contenders and top plays.
30. **Closers** – Which horses finish fastest? We provide the top finishers here. This information is compiled from the Fractional Charting.
31. **Horse Comments** – Digest provide information about each horse and assess their chances.
32. **Horse name** – Simply put, this is the horse's name. Just so you know, a horse's name is limited to 18 characters and spaces…that's the rules.
33. **Trainer/Jockey** – The horse's trainer and today's rider are listed, along with their record (starts, wins, 2nds, 3rds) when teaming up over the past three months. In this instance, trainer Powell and jockey Rosario have had 10 starters together, with two wins, no 2nds and one 3rd the past three months.
34. **Age/Breeding** – The first number is the horse's age, followed by his sex. After the dash (-), the horse's sire is listed. In parentheses is the sire's offspring's win percentage on turf (T), synthetic (S), and in the mud (M). This is followed by the horse's dam, which is then followed by the dam's sire (a.k.a. - the mom's dad).
35. **Trainer Stats** – We list all the pertinent trainer stats in this section, such as the trainer's record from his last 15 starters (LAST 15) and how the trainer does with any moves the horse may be making today (i.e., going from dirt to turf (D/T), route to sprint (R/S), etc.).
36. **Notes** – What trouble has the horse encountered and when? The Digest lists this in abbreviated fashion.
37. **Course Records** – Shows how the horse has done sprinting or routing over today's surface. We also list the overall record on the surface whether it is sprints or routes.
38. **Works** – Recent workouts are shown here. The info includes the track, the date, the time of the work, the condition of the surface and how the work ranked relative to other times recorded that day.
39. **Last 10 FIRE** – These are the last 10 FIRE numbers earned for the horse, just for convenience.
40. **Track** – Indicates at what track the horse's race occurred.
41. **Date & Race** – Lists the date (MM/DD/YY) and the race number (after the dash) of the horse's race.
42. **Distance/Surface** – This is the distance, as well as the surface of the race. "T" indicates the race was a turf race. Sprints (under one mile) are noted in furlongs, whereas routes (one mile and over) are noted in miles, plus additional distance.
43. **Post Position & Key Race Winners** – The first number is the horse's post position for the race, followed by the total number of all the horses in the field. The numeral after the dash indicates how many horses returned from the particular race to win their next starts. Theoretically, the higher the number, the stronger that particular race.
44. **Weight** – This is the weight carried by the horse.
45. **Trainer/Jockey** – The horse's trainer and jockey for the particular race is noted here.
46. **Track Condition** – Was the track fast, muddy or sloppy? Was the turf firm or good? We note that in abbreviated form here. (FM = firm, FT = fast, GD = good, etc.)
47. **Track Bias** – A tremendous Digest feature. This column displays any bias that was in effect during the horse's race. We note the type of bias (O = outside, I = inside, F = speed bias, L = late-runner bias) as well as the strength of the bias on a scale of 1 to 3, with 1 being a mild bias and 3 being a dominant bias.
48. **Race Type** – Lists the type of race in abbreviated format.
49. **Race Conditions** – These are the conditions of the Race Type.
50. **RCL** – Race Competition Level. The level represents the strength of the race on the Digest's class scale. Comparing these numbers to one another allows the handicapper to see if the horse was moving up or down in class from race to race.
51. **CPR** – The number is one of the many Digest speed figures. This is the horse's CPR for each race.
52. **Finish Position & Beaten Lengths** – The first number is position the horse finished the race, followed by how many lengths he was beaten (or won by if the first number is a "1") crossing the wire.
53. **Odds** – The Digest lists both the horse's Morning Line odds and the Actual Odds at post time. This gives you an idea if the horse was bet (perhaps he was "live") or not ("dead on the board"). The ‹ indicates the horse was the post time favorite.
54. **Track Variant** – Sometimes surfaces can be slower or faster than normal for various reasons, usually due to weather or track maintenance. The variant adjusts the surface speed to account for these variances, and we list it here just because we believe in transparency.
55. **Position at Each Call & Beaten Lengths** – The first number is the horse's position at each call followed by his/her time at those calls (these are not the leaders times, they are this horse's particular times for the race). All times are adjusted to today's distance and surface, taking into account differences in track pars and variants (routes are adjusted to route and sprints to sprints, but not routes to sprints or vice versa). This allows for easy comparison among different distances and between tracks. In essence, the Digest does all the work so you don't have to.
56. **Last Fraction** – The final fraction the horse earned in the race. The final fraction has also been adjusted to account for differences in tracks, surfaces, pars and variants.
57. **Pace & Final Time Ratings** – Under the first column is the Pace Rating earned, a number which takes into account the speed the horse displayed through the first two calls. The second column lists the Final Time Rating, a speed figure that takes into account only the final time of the horse.
58. **Equipment** – All the equipment worn by the horse for its race is listed here. (L=Lasix, b=blinkers, 4=four wraps, F=front wraps, C=the horse was claimed out of the race).

RACE APPRAISAL

29 ANALYSIS: All six of these plot within less than three lengths at the wire, and they appear about that hard to separate. Looking for a price, we have some interest in **Warrens Stormalert** as a potential improver. He was ambitiously placed in the Snow Chief Stakes April 25, his first as a winner and first route, and, though he faded toward the rear, the effort figures OK with these. Low-profile connections should prompt some decent odds, so he's the HF 20 (longshot).

30 CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Green Card James :31.0 - Benezit :31.3 - Troubletimesthree :31.

HORSE COMMENTS

31 Troubletimesthree has usually run pretty well in five starts at this level, but was favored in three of them and finished farther back than usual April 15. He charts in the hunt, but he seems to have a bit to prove.
NOTES: Outrun April 15. Mild rally March 18. Mild wide rally Feb 19. Lacked racing room entering the stretch Jan 25.

Warrens Stormalert is bred to route, but the April 25 jump up to the Snow Chief Stakes for his first try with winners and initial route was pretty ambitious. He tracked a Lone 'F' leader and faded badly. Still, the effort gives him a shot on paper, so he can't be denied a chance on the drop.
NOTES: Wide around the first turn, chased and tired April 25.
