RACE APPRAISAL

ANALYSIS: Box Office makes his 2024 debut after two starts last year vs. straight Maidens. He worked fast Nov 2, his barn does very well with layoff stock and Geroux is back to ride. The colt has likely matured since raced and this appears to be a pretty soft group for the level per the charting. Maybe Office will come back running as the HF 15a. Know Who You Are is up for sale for the first time after four starts and his barn is dead third start off the bench. He co-tops the charting off his 4th Aug

24, Machado is back to ride and he could be one to fear late. Prince Of Power has finished 2nd in his last two starts when facing Maiden-Claimers including last time out at Del Mar Sept 1. He just missed over this track June 27, he co-tops the charting and he worked fast Nov 1. Now in the Esquivel barn, the gelding figures to be a pace factor at the very least. **CLOSERS:** Fastest in the stretch in recent races at or near this distance have been: Neon Bordeaux :32.2 - Golden Symphony :32.4
