## RACE APPRAISAL

**ANALYSIS:** Joint Venture has been sharp of late with two straight wins at this trip including vs. \$16,000 routers Oct 19. He was claimed by McCarthy out of that one, he tops the charting and Gonzalez is back to ride. If he can handle the likely pace pressure, he could prove tough to beat once again. Venture is the HF 15a. Leyas Candy didn't show much in two starts off the claim by Knapp at Santa Anita. However, he finished in the Exacta in his last two dirt routers at Del Mar and Baze is back to

ride. Maybe the gelding will wake back up with the return to this track and we'll give him a look. Taishan has finished in the Trifecta in five straight. However, none of those were wins and he is 0-for-5 routing over this track. The pace figures to be in his favor and he could be running on late, but will he come up short once again?  
**CLOSERS:** Fastest in the stretch in recent races at or near this distance have been: Taishan :26.3 - Fowler Blue and Joint Venture :26.5

## HORSE COMMENTS

**Fowler Blue** didn't show much vs. \$25,000 routers at Churchill Sept 25. He has now finished out of the Trifecta in eight straight and he charts down the list. On the plus side, his numbers are going upward and Fresu takes over. Still, we'll try to beat him.

**Joint Venture** made it two straight when he beat \$16,000 routers Oct 19. He was claimed by McCarthy that day and the gelding plots on top. He has good early speed, Gonzalez is back to ride and it may be hat trick time.

**Leyas Candy** led all the way vs. NW3L \$20,000 routers over this track Sept 5. He was claimed by Knapp that day, but has finished far back in

two starts since both at Santa Anita. Baze is willing to ride back and maybe the returns to Del Mar will help him perk back up.

**Taishan** has finished in the Trifecta in five straight at and around this level all without a win. In fact, he is 0-for-5 routing over this track and the veteran may be too little too late once again. Exotics only?

**It's My House** has finished 4th in two straight over this track around this level. He was claimed by Williams last time out Sept 8 and shows four works since Oct 4 with one exceptional. He has good early speed, but his recent numbers outside of his win at Los Alamitos June 29 are on the soft side and we'll leave him off our win tickets.
