RACE APPRAISAL

Maria Tallchief makes the classic two sprints to a route move and she finished in the Trifecta in both of her starts. Frey strings along, she has route breeding and she calls a top turf barn home. **Tallchief** might graduate as the HF 15a. **How About Pavel** finished in the Trifecta in two straight like events prior to her 7th in a \$100k dirt route Stakes Dec 8. The filly has worked

fast since raced, her route experience seems a plus and she is reunited with Hernandez. Mark her a contender. **Guiltyofhavingfun** was 2nd in start #2 vs. similar turf sprinters Nov 22. She seems headed in the right direction, her barn does well with turf routers and Aguilar strings along. Maybe she can make an impact once again in her route debut.

HORSE COMMENTS

Hula Prancer makes her route debut after four starts including her 8th vs. similar turf sprinters Dec 29. Her barn struggles with turf routers, though, and with the blinkers on move. It may be safe to watch one.

How About Pavel is back at this level and back on turf after her 7th in a \$100k dirt route Stakes Dec 8. She was competitive at this level prior to that one and Hernandez is back to ride. Bounce back candidate?

Go Cami Oh finished 8th in both starts vs. similar turf sprinters. The filly worked fast Jan 12 and is bred to route. Still, she hasn't shown a lot and we'll keep watching.

Big Whoosh picked up some pieces late when 5th in her debut vs. similar turf sprinters Dec 29. Maybe that was a prep as she stretches out for start #2 and her barn does very well with second-timers. She is bred to route and A. Lezcano returns the call. We'll give her a look.

Hello Kid O Kid O is now in the Barocio barn and they own a poor record with turf routers. This will be her turf debut and the blinkers on move hasn't been a winning one for her barn of late. We'll look elsewhere for the winner.

Guiltyofhavingfun moved forward in start #2 when 2nd vs. similar turf sprinters Nov 22. Routing should be no problem per her breeding and Aguilar is back to ride. Maybe she can make an impact once again.

Maga Kai never recovered from a poor break in start #2 in that Dec 29 sprint. She is bred to route, she worked fast Jan 12 and Gonzalez is back to ride. Better seems possible with a clean break.

Maria Tallchief finished in the Trifecta in both starts vs. similar turf sprinters. She has plenty of route breeding, Frey strings along and we'll add her to the list of contenders.
