RACE APPRAISAL

The Latonia Stakes at 1 1/16 miles features a competitive field of fillies and mares with several stepping up notably in class. With **Breezing Along**, **Takemetothebeach** and **Dazzlin' Dictator** expected to establish the pace, moderate early fractions seem likely, setting the stage perfectly for stalkers and closers. Historically, this Turfway synthetic track tends to favor horses that can deliver strong finishes from midpack or further back. **Takemetothebeach** may have found her "A" game sprinting on synthetic as she just beat NW3L Allowance foes by over 11 lengths. That was a small field and class is a cloud, but she plots close and her barn is deadly third start off the bench. **Dana's Beauty**, trained by Maker (47% recent wins), boasts impressive synthetic route success. Her consistently strong CPR and Fast Fig ratings make her ideally suited to capitalize on today's expected

pace scenario. **Everland**, despite a recent dull effort, holds a significant class edge with proven success at this race class previously. Foster's barn has maintained solid performance, and **Everland's** figures remain among the best in this field. Walsh's runner **Austere** showed grit in her latest start, finishing second against solid competition, and another forward move wouldn't be surprising here. **Sand And Sea**, from Mott's stable (24% SYN RTE), also fits well here, dropping slightly in class and holding consistent figures capable of challenging late. **Dreaming Of Mo** for Romans has shown promise at lower levels, but the class hike is challenging despite her commendable efforts.

CLOSERS: Fastest in the stretch in recent races at or near this distance have been: Everland :31.4 - Peak Popularity :31.6 - Takemetothebeach :31.7

HORSE COMMENTS

Takemetothebeach likely will be on the front end early but her recent races indicate she struggles against this class level. However, she seems at her best routing over the synthetic and she just beat NW3L Allowance foes by over 11 lengths. The filly plots well, her barn is deadly third start off the layoff and Hernandez is back to ride. Maybe she can get brave right back.

Breezing Along will help press the pace but has consistently faded under pressure when facing similar competition. Improvement needed to threaten.

Everland exits a poor effort in a Stakes but boasts an impressive class record as she won a \$125k Stakes two starts back. Foster's barn performs reliably; expect her to rebound with a major effort as the charting suggests.

Sand and Sea is poised perfectly under Mott's capable handling. Slight class relief today and consistent strong finishes position her as a possible exotics threat.

Dana's Beauty thrives at this level and distance. Maker's exceptional recent success and this mare's impressive figures make her a solid threat.

Long Ago (GB) won impressively at a lower class recently, but the class rise here presents significant challenges, despite respectable recent

workouts. Rispoli takes over, but she only plots in the middle and she has to avoid the Eurobounce.

Austere improved notably last out, showing tenacity for Walsh. Any further step forward makes her a legitimate contender in exotics.

Dazzlin' Dictator dominated lesser foes recently but faces a steep class increase today. Brisset's barn is capable, but this assignment looks demanding and we'll make her prove that last effort was not a fluke.

Peak Popularity has lacked impact at this level and distance. Her inconsistent form makes her difficult to support confidently.

Distorted d'Oro has struggled at similar conditions previously. Stidham's solid recent stats offer mild optimism, but substantial improvement over the synthetic is necessary.

Lady Firefoot drops slightly in class but hasn't shown form suggesting she can handle this competitive field.

Dreaming of Mo steps up in class but her consistent synthetic performances offer mild appeal for deeper exotics at a price.
